terated Milk or Cream, a number of pounds of a substance, product, manufacture and compound, which was not  
Butter made from unadulterated Milk or Cream, but had been made by manufacturing, mixing and compounding with  
and adding to a small quantity and proportion of natural Milk, Cream or Butter a large quantity and proportion of  
animal fats, or animal or vegetable oils, and was a manufactured oleaginous substance not produced from Milk or  
Cream; that it had been and was colored with some coloring matter whereby the same was made to resemble Butter,  
the product of the Dairy, and was so colored thereby, in semblance of and resembled Butter, and did resemble Butter,  
the product of the Dairy; that the said John Maher  
offered said substance, product, manufacture and compound for sale as and for  
Butter made from unadulterated Milk or Cream at such time and place, with intent to sell the same as and for Butter  
made from unadulterated Milk or Cream, and did sell some considerable portion thereof, to wit, 1 pound  
as and for Butter, the product of the Dairy, and represented the same to be Butter at such time

Milk, or Cream of the same, and was not Butter, the product of the Dairy, and was not made exclusively from Milk or  
Cream, or both; that it contained some substance for the purpose and with the effect of imparting thereto a color

semblance of natural Butter.

~~That the tubs in which the same was contained did not have the words "Oleomargarine Butter"~~

same to deponent for sale, and sold the same to deponent; that he so sold to deponent  
thereof, and deponent then paid to him therefor the agreed price thereof amounting to the sum of \$ 0.25;  
that, as deponent believes and charges, the said Maher at the time
