PEOPLE ON MY COMPLAINT,
VERSUS

George Jones.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. Not from the fact - that at the time - my watch was taken - I was in no condition to tell how or by whom it was taken - I had been drinking very heavily - and I have no recollection of what occurred.

I was arrested the morning following - ~~led~~ by the policeman - and I went to Court with him - and I signed the Affidavit, but my mind was in such a confused condition that I did not thoroughly understand what he read to me.
