The People  
 vs Lawrence Walker  
 Court of General Sessions, City  
 Before Recorder Smythe  
 Wednesday, May 8<sup>th</sup> 1889. Indictment for burglary  
 in the third degree, jointly indicted with  
 Michael J. Grady.

Timothy Wignane, sworn and examined,  
 testified: Where do you live? No. 228 Seventieth  
 street now. Where did you live on the 2<sup>nd</sup>  
 of April 1889? No 515 East Seventy first St.  
 What is your business? Laborer on a build-  
 ing. Where did you keep your stable on the  
 2<sup>nd</sup> of April? It was joining the house I lived  
 in at that time, 515 East Seventy first St;  
 that stable is in the 19<sup>th</sup> ward. On the  
 2<sup>nd</sup> of April did you have a horse and  
 harness in that stable and were they there  
 when you left it? Yes sir. That time did  
 you close up that stable on that day? Half  
 past nine o'clock in the evening. I left the  
 horse and harness in there. How did  
 you close up the stable? The stable was not  
 locked, I only just closed the door tempor-  
 arily with a small piece of rope; I tied  
 to the staple a piece of light rope; the  
 door was closed when I went away. When  
 did you come back to that stable after  
 that? It was about two o'clock that night  
 an officer knocked at my door and he  
 asked me if my horse was in the stable?

0018

I woke up and opened the door for him. I told him I did not know, I thought he was there. I went up and looked in the stable and the horse was not there; the door was open; it was not in the way ~~you~~ left it. You went inside with the officer, did you find your horse and harness gone? Yes. How much was the horse worth? I don't know how much the horse was worth, it did not belong to me; he was only in my charge; the gentleman who owns the horse is here, I could not say what value that gentleman puts upon it; Mr. Mulcahy is the gentleman who owns the horse; the harness was mine. How much was that worth? Five or six dollars. What did you do when you found your stable had been opened and your horse and harness gone? I went with the officer to the station house; he told me he had a horse there and he wanted to know if it was my horse. I went there and found the horse standing on the street - the same horse that was in the stable. Is that the officer came to your house (pointing to an officer) Yes. Is that the officer who was present when you saw the horse at the station house? Yes. I saw the harness there, it was mine. Did you see the defendant?

there at that time? No. I did not see them. I  
 did not see them at all, good or bad. The  
 horse was hooked on the wagon. I believe the  
 man who owned the wagon is here, Mr.  
 Haley. I don't know anything about the wagon.  
 Did you take the horse and harness home  
 with you? Yes. After that did you see the  
 defendants? No. I did not see them since,  
 not before today. Cross Examined. I did  
 not lock the stable, I shut the door myself;  
 it was halfpast nine o'clock at night. There  
 was only one horse in the stable that night.  
 I am in the habit of closing the stable every  
 night in pretty much the same way that I  
 closed it on this night. Is it not so that  
 some of the neighbors around there would  
 come to the stable and take a horse  
 and wagon out? Not to my knowledge.  
 They never done it before. Did you give  
 these defendants any right or authority to  
 take the horse and harness out that night?  
 No, they did not say anything to me  
 about it. I have known Walker to the best of my  
 knowledge seven or eight years; he worked  
 around the neighborhood that length of  
 time to my knowledge. I saw him very  
 often. I know his folks. I don't know  
 anything against Walker.

0020

John G. Sharkey, sworn and examined, testified:  
 I am an officer of the 25th precinct and arrested  
 the defendants in this case on the morning  
 of the 3<sup>rd</sup> of April at half past one o'clock between  
 172<sup>nd</sup> street and the Eastern Boulevard. I know  
 where the premises 575 East 71<sup>st</sup> Street are.  
 I arrested the defendants about a block or a  
 block and a half away from those premises.  
 How came you to make that arrest, were you  
 on post at the time? I was on post, yes sir.  
 Where did your post extend? My post is from  
 69<sup>th</sup> street to 71<sup>st</sup> street on the eastern  
 boulevard and the cross streets to the  
 river front. I went with Mr. Haley in con-  
 sequence of something he told me to 72<sup>nd</sup>  
 street and Avenue M. I brought my side  
 partner with me, and we waited there  
 till three men came along in a horse and  
 wagon and when they were about fifty feet from  
 me one of them jumped out of the wagon  
 and ran up the hill and I pursued  
 and overtook him; that was Walker; he  
 said John Deal took the horse and wagon.  
 Haley identified the wagon as his. My  
 partner caught Michael J. Grady, the other  
 defendant; the third man got away.  
 The prisoners pleaded guilty to burglary  
 in the third degree and were remanded  
 for sentence.
