City & County of New York, SS:-

Anna Prasser, being duly sworn, deposes and says: I reside at No. 305 Ninth Avenue, in the city of New York with my son-in-law, Andrew Kamerer. I am a married lady, and my husband resides with me at the above number. I assist my daughter in her household duties, and my husband assists my son-in-law in his butcher and provision store. I am now in my 57th year, and have always been a hard-working industrious woman. I have resided in the city of New York 26 years, and have never been charged with the commission of any offense before. My daughter has two children, one 19 months old, and the other is in its third year. During the month of August last I had my daughters' children out riding on the sidewalk in the Ninth Avenue in a baby carriage the eldest in front and the youngest in the rear of the carriage. I was going down Ninth Avenue, pushing them along in front of me in the carriage. Charles T. Mornar, the complainant herein, keeps a grocery store at No. 301 Ninth Avenue, two doors below where I reside. On the occasion complained of he had peach baskets piled several tiers high out on the sidewalk six to eight feet from the front of his store and back of the peach baskets were a lot of empty tea boxes. I am near-sighted and am obliged to wear spectacles constantly. In passing by his place of business the rim of the hub on one of the wheels of the baby carriage rubbed against a peach basket, when all at once the baskets began to come over towards the carriage in which the little children were, and I put up my hand to prevent them from tumbling down upon the children. I was frightened at the time believing the baskets

0531

full of peaches were going to fall on the little children, and I put up my hand against the baskets in an endeavor to prevent them coming down. Some of the peach baskets fell over towards the house. It seems that Mr Mernar had some bottled pickels also out on the sidewalk on exhibition, and the baskets in falling over broke one bottle of pickels that I saw. I had no intention of running into the peach baskets, nor any intention of doing any injury or damage to Mr Mernars property. Mr Mernar had barrels and bundles of kindling wood sitting on the sidewalk near the curb, leaving only a narrow space on the sidewalk for people to pass to and fro. After the occurrence Mr Mernar came up to me and threatened to have me arrested. I told him it was an accident, that I could not help it, and that I did not mean to do it intentionally. And I now say that I had no intention of doing him any injury, and that the rim of the hub of the wheel of the carriage striking the peach basket was accidental on my part.
