City and County of New Yorks. I Henrietta Bacharach being duly sworn do depose and say I am a widow and am the mother of Philip Brennan the above named Defendant. I live at N^o 926 Second Avenue in this City and am the mother of four children. One of my sons Gabriel is lying at home sick and has been confined to his house for the past nine months under medical treatment. My son Samuel Brennan is afflicted with pulmonary Consumption. I have also a son fourteen years old. The Defendant has contributed to my support and was in the employ of Mr. Siskind the Complainant in this case about two years. Prior to the present time Philip has never been accused of any crime, and when he committed the larceny he wrote a letter to his employer confessing the theft and asking

for time to make restitution. He went to Savannah Georgia about nine months ago and was at work in the boot and shoe business making an honorable living and industriously trying to redeem himself. He came to this City voluntarily and has from the time of his arrest until now done all in his power to secure Mr. Vickard a restoration of his property. None of my family have ever been arrested or charged with any crime, and the Defendant has always been a dutiful son and the crime for which he is now arraigned is the first he ever committed. He has been in the employ of George and Solomon Heyman of ~~the~~ Canal near West Street Wholesale Feather business for about two years and these gentlemen will gladly certify to his honesty, integrity and good character.

Dear Sir: I understand that George Burnham who was for nearly two years in my employ is about to undergo trial before you on a charge of larceny. Knowing the man as I do practically, thoroughly & intimately, I cannot but think there must be an error or mistake somewhere in regard to the charge, & even if it is true it is undoubtedly his first offence.

My knowledge of him has been as I said intimate, & what I say of him is but simple justice to his character. I have ever found him while in my employ strictly honest & upright. His conduct was ever straightforward and his integrity unquestioned while in my employ. I would therefore ask your honor after a consideration of this

Also of the fact that it is the first serious charge ever brought against this young man to be as merciful in your judgment as the law & evidence will permit, that you may be the means of saving one more character from irretrievable ruin, while it is yet time to do so.

Trusting that your Honor will hear my appeal for this unfortunate young man, & that it may be consistent with you to grant it I remain

Yours very respectfully
