0417

The People  
vs.  
Anneil Morris.

Court of General Sessions, Part I.  
Before Recorder Smyth.

September 25, 1885.

Indictment for grand larceny in the second degree.

Francesco Runggierre sworn and examined. I live at 1025 First Avenue in this city and am an expressman; on the first of August I saw Morris in 76th Street and Third Avenue, I hired a horse out to him, he was to pay me five dollars a week, to pay me every Saturday at the end of the week; at the end of the first week I asked him for the five dollars, he said that he owed me the money but he had none then because he had not earned anything, he said I will bring you the horse back to-morrow but he did not bring him back. In five weeks afterward I saw the horse with Mr Murphy who is now in court; he was passing my house and I knew the horse and had Mr Murphy arrested. He said he bought the horse in First Avenue. I paid two hundred dollars for the horse when I bought it; if I had to sell the horse I would ask two hundred dollars for it, it was worth a hundred dollars, I do not know what I could get for it because I never tried to sell it, it was worth a hundred dollars in the market.

Cross Examined. I know the defendant three months, it is not a fact that I sold the horse to this man; sometime before I hired the horse to the defendant it was sick but when he received it it was already cured and in good condition. I had a conversation with Joe Allesso, he asked me if I would hire a horse out to a poor man, I said I don't know the man but I know you and account of

0418

being acquainted with you I will hire the horse to him, I told Allesso that I asked five dollars a week for the horse; he said, this is a poor man, give him the horse and if he does not pay the five dollars I will see that you will be paid. I did not say to Joe that I sold the horse for thirty dollars, I did not want to hire the horse out to this man.

James Martin sworn. I live on Eleventh Avenue between 67th and 68th Streets and am a venter, I have often seen Morris, I bought a horse from him about four weeks ago, I had the horse about three weeks and it is about a week or a little over since I have not had him. I gave for the horse fifteen dollars and a grey mare; the defendant said that he bought the horse of a man at 110th Street and First Avenue and paid thirty dollars for him, I think he mentioned the name but I do not remember it; I have seen the man who just testified here and that is the man from whom he said he bought him for thirty dollars; afterwards the horse was taken from me with a big load of clams when I was passing 100th Street and First Avenue, he stopped me and asked me where I got the horse and I told him I bought him of Morris, the wagon was left standing on the street, the Frenchman identified the horse as his.

Cross Examined. I have bought and sold horses, the value of the grey mare was <sup>\$7.50</sup> ~~seventy-five dollars~~ and another horse I swapped; I gave him two horses, the grey mare was worth \$7.50 and the other horse was worth \$22.00 and I gave him fifteen dollars cash, \$44.00 in all. I had a great deal of trouble with the horse, she was lame, I

04-19

doctored her every week and rubbed her every night and gave her medicine, I had her fat and looking good when she was taken away, I guess she would be worth about fifty dollars, she was lame and blistered and all sore when I got her.

John H. Reilly sworn. I am an officer of the 23rd precinct and arrested the defendant in this case, I first arrested Martin and then I arrested Morris when he came up to the Court as a witness, I arrested Martin corner of 106th Street and First Avenue about half past five o'clock in the afternoon. The defendant told me that he hired the horse for five dollars a week and that he did not pay any money for two or three weeks and that he was intending and wanted to pay his rent, that he had no money and he went to work and sold the horse.

Cross Examined. The defendant did not tell me that he bought the horse and was to pay it off in installments of five dollars a week.

Anneil Morris sworn and examined in his own behalf, testified: I work down at the freight dock and have worked there for five years as longshoreman, I recollect the day that I got the horse from this Frenchman, it was on Sunday morning; he told me, if you want to get this horse you have got to get the man who will guarantee fifteen dollars, this man Joe lives on 53rd Street. I told Joe all about it and he said, I will see him in market. The Frenchman said, we will go down to Joe's this afternoon. I went down and Joe says, it is all right, give him the horse and if he don't pay you I will guarantee you five dollars.

0420

you fifteen dollars; he sold me the horse for thirty dollars, I had to pay five dollars a week and when I had thirty dollars paid the horse was to be mine. The condition of the horse at that time was that he was lame, if I had to pay cash for him then I would not give twenty dollars, I did not pay him for the horse, I had no time, he got me arrested, I had the horse one week and then I sold him to Martin, I was in hard luck, I sold him to Martin for fifteen dollars and another horse and a grey mare, the grey mare was worth seven dollars, I did not pay the Frenchman but said I would do the best I could to pay him, I did not tell the officer that I hire the horse for five dollars a week nor did I tell him that I was unable to pay the rent and that I sold the horse for forty-five dollars, I told the officer that I sold my horse for thirty dollars and I had to pay him five dollars a week. If I had stole the horse I would not have gone to Court, I went to work to pay this man.

Fabrio Delessio sworn. I keep a fruit stand, I remember the defendant telling me that he needed a horse, I knew that the complainant had a horse and sent the defendant to him, I saw the complainant afterward and he said that he should like to have some one to be responsible for the defendant, I did not agree to pay him fifteen dollars if the defendant did not, I was not present he any agreement was made.

Robert Balsamo sworn. I keep a baker shop and know the defendant five years, he worked for me six months, his character is good.

The Jury rendered a verdict of guilty of petty larceny.

PEOPLE ON MY COMPLAINT,  
VERSUS*Michael McMillen*

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. But rather the result of a dispassionate review at a day subsequent to the occurrence of the acts, causes and provocations which led to and took place at the time of the assault upon me - The facts in the case as they actually occurred are as follows - on the 28<sup>th</sup> day of August 1885 myself and defendant were employed upon a building in course of erection at 54 Division Street New York City. An altercation arose between us at to the temporary occupation and use of a ladder such as masons use and which was then on the premises. The defendant refused to let me have it - words of abuse passed between us and we came to blows - I do not think

0445

the defendant intended wilfully and maliciously to strike or wound me and that it was done wholly in the heat of passion and that I was probably as much to blame as he - I think and believe under the circumstances as the facts show that he has been punished enough by the imprisonment, which he has already undergone
