Requests

I That if the jury believe that the defendant, knowing Ogden to be lawfully entitled to vote, willfully excluded his vote, then the defendant is guilty.

Sec 67 Election Law

II That it is not enough to acquit that the jury believe that the defendant acted in good faith, or that he acted on the advice of counsel or the Chief of the Bureau of Elections or without any corrupt intent, or that he acted on an honest misconception of law. The act, if committed by the defendant, is forbidden by law, and that is sufficient to render him liable.

People v Gardner 62 N.Y. 304.

III If the defendant acted in concert with the other inspectors in willfully

excluding the vote of Gerdner, known to him to be lawfully entitled to vote, he may be found guilty.

IV That the fact that Gerdner's name had been voted on by another person is not a sufficient defence for defendant excluding the vote of Gerdner, if he knew him to be legally entitled to vote.

Clerk to Police Board

City and County of New York, ss: —

E. Ellery Anderson being duly sworn deposes and says. That he resides at Number 48 West 38th Street in the City of New York and is an attorney at law.

That he is informed and believes that at the election held in the State of New York on the 5th day of November 1881 the polling place for the Second Election District of the Eighth Assembly District of the City and County of New York was held at Number 118 Multer Street in said City.

That the inspectors of election who were duly appointed for the said Election District at the said election and who acted as such inspectors were George F. Brill who resides at 114 Willett Street in the City of New York, Charles Raab who resides at 9 Canal Street in said City and John H. Behan and Henry Boas whose residences are unknown to deponent.

That John F. Gerdes who resides at Number 120 Canal Street in the said City was at the time of the said election a duly registered and qualified voter of the said Second Election District of the said Eighth Assembly District.

And this deponent further alleges of his own knowledge that on the said 5th day of November 1881 the said John F. Gerdes at or about one o'clock in the afternoon presented himself at the said polling place and

Eighth Assembly District, that he has voted in the said Second Election District for Twenty five years and that he was personally well known to Charles Raab one of the said inspectors.

That he had not voted on the said day prior to the time when he offered to vote as above stated and that he lost his vote by reason of the refusal of the said inspectors to accept the same.

Deponent further saith that at the same election and at the same polling place one George Ricket who was a duly registered and qualified voter in the said Election District and who resides and then resided at Number 116 Canal Street presented himself at the said polling place and offered to vote.

That his right to vote was challenged in like manner and that he offered to take the like oaths as above stated in regard to John F. Gerdes. That the said inspectors refused in like manner to accept his vote alleging that it appeared on their registers and on the poll list that some person claiming to be George Ricket and to reside at Number 116 Canal Street had already voted.

That the said Ricket thereupon declared that he had not voted and offered to verify his declaration by his oath but that the said inspectors declined to administer any oath.

to him or to accept his vote. That by reason of such action of the said inspectors the said George Rickert was deprived of his vote at the said election.

That deponent is informed and believes that many other persons, exceeding fifteen in number, all of whom were duly registered and qualified voters of the said Second Election District of the Eighth Assembly District, presented themselves at the said polling place during the said election and offered their votes but that each of the said persons was informed by the said inspectors that other persons claiming to bear the same names and to reside at the same places had already voted at the said polling ^{place}, and that for that reason their votes could not be accepted. That as matter of fact none of the said fifteen persons had voted at the said election and that by reason of the refusal of the said inspectors to accept their votes they were unable to vote at all. That this deponent's informant as to the facts relating to the said fifteen voters is the said John F. Gerdes.

Matilda Kross being cross examined by depts counsel says.. I am 23 years old. This happened in 29 Blackfeet. I was living with Mrs. Adams, It occurred in the kitchen at 7 o'clock in the morning I was the only servant, The family were then, They were not up, Mrs Adams was in her room, 2 floors above on Sunday.

Depts server Nick to Mrs Adams, He served there after July 16th until I left there - He came up behind you & ~~force~~ ^{tripped} me with his foot & threw me down, He had hold of my arm & I tried to get away from him. I tried to push him away, I yelled for Mrs Adams, nobody heard, I kept on until I could not do any more. I was frightened, He told me to hush up, I continued to make a noise. He had ~~any~~ connection with ~~him~~ me, From the time he caught hold of me up to the time he had connection with me it was about 3 minutes. I saw Mrs Adams at 1/2 past 8. I saw him ^{the defendant} every morning serving milk until I left in August.

He had connection with me against my will. I did not tell Mr. Adams, I was ashamed to tell any one & that was my reason, I did not mention the occurrence to any one.

On Aug 30th I came to New York to see the deft, I went to ^{Mr} Adams's home and waited until he came with milk. I saw him there in the morning, I told him that I was pregnant & I asked him what he intended to do for me. He told me nothing, & drove off,

I found out I was pregnant the last week in August.

After deft was through having connection with me, he told me if anything happened to me he would do for me.

I do not know Black, I did not tell any one, because I was ashamed, & I did not want to go to court unless something happened to me. I have told all that I did at the time.
