PEOPLE ON MY COMPLAINT,

Michael Bright

Assault.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage

to myself. There was a free fight between myself and three men and defendant on one side and myself - I started towards the Dept. to strike him, as I had been struck, and thought he did it.

I cannot now say positively that Defendant discharged the Pistol, although that is my impression - I ask that the Defendant be discharged - There was an old feud between us
