The youth is about nineteen years of age and the father is very desirous of having him sent to the "Elmira Reformatory" in preference to the vile associates that he may encounter if sent to the Penitentiary.

Mr. Rosenbaum has requested me to appear before the Court and plead for mercy, and ask that the young man be sent to some Reformatory School, but being otherwise extremely busy and having a very important case on before Judge Van Doesen, I feel that simply
