Frank McGuckern (jointly indicted with Thomas
Herning and John Dowd for burglary in the third degree
Bernard Levy, sworn and examined, testified.
I am a tailor and am 28 years old. I live No. 9
Albany street; on the 11th of April last I worked
for Mr. Cohen 73 West st; he is a tailor. I was
in charge of the store; it was Saturday. I closed
up the store about four o'clock. I locked the back
windows and the front door. I left nobody in
the store; there was goods and cloth in the
store. I went back to the store that same day
about five o'clock. I examined the back win-
dow and found it was broken, there was
a big hole in the glass and the pane
entirely out. There were three officers in the
room when I got there. The window was
open when I got there. I examined the stock
of goods in the store and missed thirty
five pairs of pants and cloth; the cloth was
worth forty dollars and the pantaloons fifty,
making ninety dollars in all. It was Mr.
Cohen's property.

Cross examined. I had a key of the store. Mr. Cohen
did not have a key; there was only one key.
Mr. Cohen was sick three weeks. There were no
employees in the place but myself and no-
body else had access to the place but me.

I counted and found there were thirty five pairs of pants missing; they were delivered in the store two days before. I don't know who took the goods.

Charles Williams, sworn and examined, testified. I live 72 West street in this city, which is next door to the house where the burglary was committed. I know the defendant and have seen him frequently before the 11th of February about the neighborhood. I saw him on Saturday the 11th of April about three o'clock in the afternoon on the corner, about fifty yards from No 73. What was he doing when you saw him? Walking up and down the street. He had two companions with him, I know one of them. Fleming was one I saw them after I saw them this time on the corner about half past four o'clock - I saw McGucken and Dowd. I saw Levy locking his door and at that time McGucken was standing at the liquor store on the corner. I saw Levy going away and then I saw McGucken, Fleming and Dowd walk together into the hallway of No. 73 West st. I stood watching ten or fifteen minutes. I had a suspicion there was something wrong. I did not know whether they were going home or where they were going. I live next door. I told Mr. Buck to stay there to see if they would come out. I went

10 15

to see if I could find an officer. I found officer Sheridan at the ferry and had a conversation with him. Then we came back towards Carlyle across West street. I saw the defendant running away from the officer down Carlyle from Washington st.; he went into the hall of No. 74 West street without a hat. I did not go across the street, and I did not examine the premises. I saw Mr. Buck when I came back. I am familiar with the premises No. 73 West st. There is no hall way on the first floor leading to the back yard - no entrance from the street to the back yard. There are two windows opening in the yard.

Cross Examined. I am a watchman on pier No. 11. How far is that from No. 73 West street? About fifty feet I suppose, not more, on the opposite side of the street. I am positive it was three o'clock when I first saw the defendant. I did not see him again till I saw him go into the store a few minutes before four o'clock. There were not many trucks passing up and down the street that time, for it was a wet day. There is a cigar store adjoining the entrance to 73 West st. and there is a tailor shop on the other side of the hall. The three doors are exactly together and there is a partition between the places.

10 16

4

I am positive that the three men went in the hall door and did not go into the cigar store. I could not be mistaken about that. I was about fifty feet away; it was about half past four o'clock; it was raining a little at the time; it might have been after five o'clock. I was watching McGucken; he went in first. I was watching them all. I am positive McGucken went in first. I did not see him again until I saw him running down the street and the officer after him!

Alden Buck, sworn and examined, testified. I live at No. 74 West Ninety seventh street in this city and was in the neighborhood of 73 West Street on the afternoon of April 11th. I had a conversation with the last witness about half past four or five o'clock that day, and in consequence of that conversation I paid particular attention to the entrance 73 West st. I saw coming out of that place McGucken, Fleming and Dowd. I saw McGucken hold the door open; he held it back while Dowd came out. What did Dowd have with him? He had a bundle on his back. I could see brass buttons sticking out of it. Fleming came out first and was ahead McGucken held the door while Dowd went out with a bundle upon his back. What direction did these three

men take? They went up West street and turned into Carlyle st. Did you follow them? No sir. They all three went up Carlyle street together. I should think they went three quarters of the way up Washington street. I know Officer Sheridan. I saw him chasing off Gucken; he came down Carlyle and went into No. 74 West street. When Officer Sheridan came he reversed the way he was going and ran south and ran into the hallway of 74 West st.

Cross Examined. I don't know that I ever spoke to the defendant. I saw him before that day around the neighborhood for the last five years; he lives in the neighborhood, and I have seen him frequently. It was nothing unusual to see him at any time in the day. My attention was called to him by the other witness who was on the stand. The defendant did not have anything with him when I saw him at the door; he held the door open while Dowd came out carrying a bundle; it was a large bundle tied with a piece of bagging. I don't think I said in the Police Court that it was a bag. I might have said it was a piece of packing, it was open two or three inches. I was sixty feet away at the time I saw it. I am sure I saw brass buttons, I am positive of that. The opening in the bag was big enough for me to see it across the street?

Robert Sheridan, sworn and examined.
What precinct are you attached to, officer? The
Second. Where are you detailed for duty? I
was detailed that afternoon on Liberty street
crossing West and Liberty street; that was
on the 11th of February. Do you remember what
time it was that you saw Mr. Williams on
that day, where he first came to you? About
the neighborhood of half past four I believe.
In consequence of a conversation you had
with Mr. Williams did you do anything? Yes.
I called officer Hanley, and we ran down
to Carlyle along West street, and he pointed
and said, "There goes McGucken". I pursued
the prisoner. He was going up Carlyle towards
Washington street. I ran, and it being wet
that afternoon, I had rubber clothes and
rubber boots. I grabbed him by the top of the
head or the back of the neck, I forget which,
and he swung under my arm and
ran back towards West street. There was
Hanley in the mean time close behind
me, so close that the force of him
almost knocked officer Hanley down. We
chased him down as far as West st.
and by that time he disappeared.
Did you find him afterwards? No sir,
we searched all the buildings top and

10 19

bottom and could not find him. Did you search No. 74 West street, top and bottom? Yes sir.

You could not find him? No sir. Did you visit the premises No. 73 West street? Yes sir, afterwards, I went to the rear and found the window had been broke, the top sash, middle pane, just enough to get a hand in to shove the catch back. In what condition was the window, was the catch on or off? No, the catch was off. Was the window up or down? The window was down. There were outside shutters; the blinds were closed on the outside. This was as near as I can judge about half past four o'clock. I got to the window before Long. I left the officers there afterwards. I went on the cross-
ing. Then next after this afternoon of the 11th of April did you see this man McCracken? I never seen him until I seen him in Court here. I did not see him till yesterday.

Cross Examined. The defendant did not see you until you grabbed him by the head did he? No. I do not think he did. He was walking pretty fast along the street. You ran down along behind him? I ran on the opposite side of the street. You crossed over and grabbed him by the head? Yes. He twisted himself away. I know him well and he knows me pretty well also.

8

I was in uniform and had my uniform hat on. There was no possibility of his mistaking me. Officer Brady was on post at the time. Arthur J. Casey, sworn and examined, testified. I am a detective in the ~~First~~^{Second} precinct. I arrested the defendant on the 16th of April about 7.45 in the evening in a saloon at West Broadway. I arrested him on a description given by Mr. Buck and Williams, the witnesses who have been upon the stand. McGucken wanted to know what I arrested him for? I told him he was under arrest on suspicion of having committed a burglary at 73 West St. the following morning in the station house. What did he say about that at that time? He said he knew nothing about it at all. Did you have any conversation with him after that the next day in the Police Court or in the station house? I had no conversation; the only thing I went out of the station house into the street. I got six citizens and brought them into the rear room of the station house and stood McGucken and Fleming in the centre of them and then sent for the witnesses, Buck and Williams. Buck picked McGucken and Fleming out of a crowd of men in the station house. That was the following

morning. He was remanded in the Police Court by the Magistrate until the afternoon session. You had no conversation since then? No sir.

Frank McQuackin, sworn and examined in his own behalf testified. What is your business? Longherman. Where do you reside? No. 140 Greenwich street. Did you ever reside at 73 West street? Yes, a little over a month ago, before the 11th of April. How long did you reside there? Over three years. You were constantly on that block were you? Yes sir. Where you were not employed at work that was your home? Yes. Do you remember the 11th of April, 1891? Yes. Were you on that block on that day? Yes, I was at half past four or a quarter to five o'clock. Where did you come from? I was after coming up West St. I was taking a walk around the block. I was after leaving the house. I left about half past three or four o'clock. I went down through Greenwich and West sts. I had a cigarette; it was raining hard. I dropped into 73 West st; it is a cigar store where I have always bought cigarettes. I lit my cigarette and walked out. I stood at the door a couple of seconds and buttoned my coat and went about my business. I felt a hand grab me, I turned around. I seen it was an officer, and I

morning. He was remanded in the Police Court by the Magistrate until the afternoon session. You had no conversation since then? No sir. Frank McGuckin, sworn and examined in his own behalf, testified. What is your business? Longshoreman. Where do you reside? No. 140 Greenwich street. Did you ever reside at 73 West street? Yes, a little over a month ago, before the 11th of April. How long did you reside there? Over three years. You were constantly on that block were you? Yes sir. Where you were not employed at work that was your home? Yes. Do you remember the 11th of April, 1891? Yes. Were you on that block on that day? I stood at the door a couple of seconds and buttoned my coat and went about my business. I felt a hand grab me, I turned around I seen it was an officer, and I

ran down Carlyle St. Did you see the
officer before he grabbed you? No sir.
Did you see Fleming that day? No sir.
Did you see this other defendant Dewd.
who is jointly indicted with you? No sir.
I do not know him. There was the first
intimation that you had been charged
with burglary? The night I was arrested
by this officer here. Why did you run
away from the officer when he grabbed
you by the head? It is nothing common
for me to run away from the officer
because I am not allowed to stand
any place. This man often chased
me along and gave me a slap in the
face and told me to go away. I did
not know what that officer was going
to do. I did not know whether he was
going to hit me on the head with a
stick or not. You did not know it
was an officer grabbed you? When I
turned around I seen who it was.
You were not aware that any burglary
was committed? No sir, I was not.

Cross Examined. What reason do you suppose
the officers have for slapping you in
the face and driving you up the street.
No sir, as I know of. None at all? No sir.

Last Thanksgiving day the officer knocked me down and kicked me around the street. The man that witnessed the assault had him up on charges. I did not interfere with him because I did not want to have anything to do with the officers. I was arrested in January 1886 and sent to the penitentiary for three months by Judge Smith for an assault with attempt to steal. I was not convicted on the 25th of September 1886 of burglary. I was honorably discharged. I was not convicted in March 1887 of larceny from the person. I was never convicted in my life but once and that was the time I was sent to the penitentiary for three months. I was never sent to the State prison. I was never convicted of stealing from a weapon on the 28th of January 1888. I never spoke to Fleming but once in my life. I only know him by sight. I used to see him around because I used to live in the building right on the corner.

Thomas Fleming sworn and examined. I remember the 11th of April. I did not see this defendant that day. I am jointly indicted with him John F. J. Hammon sworn. I am a dealer in cigars at 73 West st. I remember the 11th of April. I heard of a burglary being committed in the same building where

12

I reside. I saw the defendant that day about four or a quarter past four o'clock. A policeman told me of the burglary about five o'clock. There is a hall door between my store and the Cohens store.

Elizabeth Hunter sworn. I live at 140 Greenwich St. and am a sister of the defendant. I remember the 11th of April. He came to his dinner about one o'clock and remained in the house till between three and four o'clock. I left the house to go to my work at 96 Broadway. I go there about 4 o'clock on Saturday to clean the building. I am quite positive he could not have been out of the house at about half past two; he laid down on the bed; it was raining, and he was reading. Thomas Fleming recalled by Counsel.

I was in the house 72 West St. on the afternoon of April 11th. I saw some one going out of the hall way of 73 with a bundle in his arms. I went to the water closet. I did not know the man. He asked me to hold the door open for him and I did so.

Officer Lacey recalled. I went to Harman's cigar store four or five days after the burglary. I asked him what time McGucken went into his store and he said it was about 2 or 3 o'clock. The jury rendered a verdict of guilty of burglary in the third degree with recommendation to mercy.

DR. M. J. B. MESSEMER,
150 SECOND AVE.

NEW YORK

Jan. 2^d, 1894

Hon. DeLancey Nicol,
District Attorney
My Dear Sir:

You will no doubt remember that I spoke to you in the Pulitzer Building day before yesterday about the case of Michael J. Gallivan who shot and killed James Cummings and also shot James Hurley who is now in the cells in Bellevue Hospital. Both were former employees of mine. The Inquest has been adjourned by me from last Tuesday afternoon 9^o till Tuesday next, January 6th at 10 A.M. and will be held in the Coroner's office 124 Second Ave. I adjourned this case so as to enable you to favor me by kindly assigning one of your assistants to the case. Mr. William F. Howe of Howe & Hummell makes a claim of justifiable homicide with he claims acted in self-defense having been struck with a bale-stick. I have been to Bellevue Hospital three times to see Hurley, who states that Gallivan was not attacked by himself or Cummings and that the shooting was not

POOR QUALITY
ORIGINAL

done in self defence and was not justifiable. Dr. Banks of Bellevue Hosp. told me that Prof. Fred. J. Dennis M.D. and he (Dr. Banks) were treating Hurley and could not permit Hurley to leave Bellevue Hospital to testify before the coroner's jury at the inquest on James Cummings for several weeks to come because they feared meningitis might endanger his life as there was an inequality of the pupil &c. Under the circumstances the case will either have to be adjourned again or the jury and counsel will have to be asked to hear Hurley's evidence in Bellevue Hospital. I have his sworn statement in writing but I presume as it was not made in presence of the prisoner Sullivan it cannot be admitted it not be made in extremis and not therefore really an Ante-Mortem Statement.

The press and particularly the Evening World seem to think in judging from newspaper articles that Mr. Howe is rather coloring the injuries his client is said by him to have received. He ordered his client to strip before the jury and exhibit his nude body which showed some discolored spots on arms and legs which appear signing himself John Cleveland claims were probably artificially produced by a painter and that Sullivan is not injured at all. The Evening World claims that Police Captain Killelea is a friend of Sullivan and is endeavoring to shield him. Under the circumstances I respectfully that you will please look into this case most thoroughly and send a level headed assistant of yours to assist me. Very truly, Dr. J. J. McGuire

To the

Hon. Rufus B. Conning

I hereby testify that
Frank Lee Manning has been
known to me as one of my
pandhimers for more than
ten years. To the best of my
knowledge he has always borne
an upright character. In his
relations to his parents & his
wife he has been dutiful.

If he be sent to the State
Reformatory, I believe he
can be saved from the ranks
of the professed Criminal
Classes. I shall certainly

Continue my interest in him,
especially when he is dis-
charged, so that he may
regain an honorable place
in the community.

PEOPLE ON MY COMPLAINT,
VERSUS

Isaac M. Pakulske.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. And for the further reason that I have not suffered any loss by reason of the act of the above named defendant with which he now stands charged. that I have made inquiries about his character and I have known the Father and Uncle of defendant who are both men of eminent respectability and further that the Father has guaranteed to send his boy the defendant on a long sea voyage where he will be kept from bad associations and evil influences.

For the above reasons I respectfully ask this Honorable Court to use extreme clemency and discharge the defendant.

Indicted for assault in the first degree.

A P P E A R A N C E S.

Asst. District Attorney Robert Townsend;

Mr. August P. Wagner.

I live at No. 600 East 16th. Street in this city and am by occupation a boatman. I left off work on the evening of the 24th. of April and went to visit friends at No. 474 Third Avenue . I went to that house for the purpose of seeing a lady by the name of Miss Dorney. I remained at that house until about half past eleven o'clock in a room next to the one occupied by Miss Dorney. At half past eleven o'clock I was coming from the rear part of the hall to the front door when I heard the front door open. I saw the defendant come into the hall and strike a match. As the defendant did this I went to go towards the door and the defendant passed some

2

remark. I could not at this time say exactly what the remark was. I walked towards him. The defendant had something open in his hand. He stabbed me once in the shoulder and once in the wrist. It was some sharp instrument. The defendant then ran towards 31st. Street on Third Avenue and I ran after him. He ran around a peddling wagon which was in the street and I followed him. As he was running around the wagon he pulled a revolver out of his pocket and fired four shots at me. He then ran to 28th. St. and the Officer caught him. The Officer saw him throw the revolver away. I had a quarrel with the defendant about a year ago, but it was only a slight spat. I had known Miss Dorney about five years. I am positive that no word of any kind passed between myself and the defendant at the door on that evening. I was treated at Bellevue Hospital for the two wounds inflicted upon me by this defendant.

CROSS-EXAMINATION:

Q This occurrence took place at No. 474 Third Avenue ?

A Yes, sir.

Q You didn't live there at that time ? A No, sir; at that time I lived at No. 600 East 16th. St.

Q This young woman Miss Dorney lived there -- it is a tenement house ? A Yes, sir.

Q Did Meyer live in that house then, the defendant ? A Yes; he is supposed to live with that woman.

Q What time in the evening did you go to that house? A At

about seven o'clock.

Q And what time was it when you first saw Meyer ? A Between eleven and twelve o'clock.

Q You remained in that house until half past eleven at night ? A Until between eleven and twelve o'clock.

Q When Meyer came in the front door, he took his key out and opened it ? A I don't know exactly whether he or the woman opened the door.

Q When he entered the hallway you were in this dark hallway ? A Yes, sir.

Q Did you say anything to him ? A Not a word.

Q After he struck a match he took out this weapon and stabbed you ? A That was after he went back into the street.

Q This sharp instrument -- where was that used ? A Right at the door outside.

Q Did you make any motion towards him ? A I did when he expressed something.

Q What motion did you make ? A I only walked towards him to ask him what he had said.

Q Did you have a knife in your hands ? A No, sir.

Q You have used such instruments before ? A Not in my life.

Q You have been in State Prison ? A Yes, sir; I have.

Q How often have you been in State Prison ? A Once.

Q How long had you served there ? A Two and a half years.

- Q And this defendant knew that, didn't he ? A Yes, sir.
- Q And this woman who saw this entire occurrence knew that ?
A Yes, sir.
- Q Meyer had run from 32nd. Street down to 28th. Street before he used this pistol ? A Yes, sir.
- Q And when he used it, was he on the sidewalk or in the middle of the street ? A He was in the middle of the street.
- Q And you were running after him ? A Yes, sir.

JOHN GAFNEY, a witness for the People, sworn, testified as follows:

I am a laborer. I reside at 386 Third Avenue. On the night of the 24th. of April between 11 and 12 o'clock I was walking by the corner of 29th. St. and 3d. Avenue. I saw the defendant and I saw McDonald on that corner. I was behind the wagon that was there, and the first thing I saw was a revolver coming out of the defendant's pocket from which he fired four or five shots. I saw the defendant run down and I saw that the Officer caught him at 28th. Street. At the time the defendant fired the shot he was right alongside of me. He aimed the pistol at Mr. McDonald. I am positive of that fact. I didn't hear any remarks made at that time at all. I know neither the complainant nor the defendant and have never seen them before in my life.

CROSS-EXAMINATION:

- Q Which one of the parties did you see first ? A I saw

the complainant running across the street.

Q Where was he when you first saw him ?

A On the east side of the Avenue.

Q Where was Meyer, in the middle of the street ? A No, sir; on the other side of the street.

Q Going downtown ? A Yes, sir.

Q What did the other man have ? A He didn't have anything in his hands at all.

WILLIAM J. MILLER, a witness for the People, sworn, testified as follows:

I am an Officer of Police attached to the 21st. Precinct in this city. I arrested the defendant on the 24th. of April at the corner of 28th. St. and Third Ave. at 12 o'clock at night. He was running at the time I apprehended him. When he was within fifteen feet of me I saw him throw the pistol away into a door-way. A citizen picked it up and handed it to me. I took him to the Station House. The following day in Court the Clerk examined the pistol and found that there were two loaded

6

cartridges in it which had not been discharged. I asked the defendant why he fired so many shots at the complaining witness and he said he would fire at any man who would follow him up the way he did; that he fired point blank at him and didn't care whether he killed him or not. I asked him why he cut the complainant and he said he didn't cut him at all. I heard the report of the pistol three or four times on that evening.

CROSS-EXAMINATION:

- Q Where did you arrest the defendant ? A At the corner of 28th. St. and Third Avenue.
- Q You saw him coming towards you ? A Yes, sir.
- Q When you first saw him, was he running ? A He was on the run.
- Q Wasn't the complainant running ? A He was following closely after the defendant.

DEFENSE:

MARY DORNEY, a witness for the defendant, sworn, testified as follows:

I reside at No. 474 Third Avenue. I live with the defendant. On the evening of the 24th. of April I went out at about eight o'clock in company with the defendant. We returned at about ten o'clock. At that time we were informed that the complainant was in the house and we left. We rode uptown in a horse car as far as 65th. St. and returned again at about 12 o'clock. The defend-

ant opened the door with his key, and when he got in the hallway struck a match. I saw that the complainant McDonald was concealed behind the cellar door. He came out and, as he came towards the defendant, the defendant ran out into the street. McDonald ran after him and followed him down the Avenue. I also ran. At the corner of 31st. St. and Third Avenue McDonald stood against a lamp-post with a knife in his hand. I called out to the defendant: "Look out. McDonald has a knife". The defendant ran around a wagon which was there and McDonald after him. It was at this time that the defendant Meyer fired three or four shots from a revolver. I was present at the time of the shooting near this wagon. I heard the ^{complainant} ~~defendant~~ make a threat that he would do Meyer up.

CROSS-EXAMINATION:

- Q How long have you known the defendant ? A Three years.
- Q Are you a married woman ? A No, sir.
McDonald
- Q Had you seen ~~Meyer~~ before that night ? A Yes, sir. I see him every night.
- Q You have been on friendly terms with the defendant for some time ? A Yes, sir.

A I was not very far away; about ten feet.
- Q Did you see the witness Gafney there that night ? A No,

sir; I didn't.

Q After the shots were fired what did you do ? A I ran into a little candy store that was there.

Q You say that you saw the ^{complainant} ~~defendant~~ behind the cellar door?

A Yes, sir. We went into the hallway to the foot of the stairs; that is about 14 or 15 feet.

Q This hallway was dark ? A Yes, sir.

Q Where were you going when you left the Hotel at half past ten ? A We intended to go to a hotel and spend the night .

Q You say that the complainant had a knife in his hand ?

A Yes, sir.

Q What became of the knife when the two men clinched ? A I didn't see the knife when they clinched, but I only saw it in his hand when he was standing at the lamp-post.

Q Were you cut ? A No, sir.

Q Was Meyer cut ? A No, sir.

HENRY MEYER, the defendant, sworn, testified as follows:

I live at 474 Third Avenue and have lived there for about two years. I have never been arrested previous to this in my life. I know that the complainant is a rough man. I have known him for two years. On the 24th. of April I left the house in company with Miss Dorney at half past eight or nine o'clock. I went with her to her aunt's house to have a dress fitted. We came back at about half past ten. At that time we heard that

McDonald, the complainant, was upstairs and we didn't go in. At about quarter of twelve we returned. I opened the door and when I entered the hall I lit a match. The complainant came towards me and I ran out in the street. I ran down the Avenue to get away from him. I shouted "Murder" and "Police" but no one came. On the corner of 31st. St. Miss Dorney says that the defendant had a knife. She told me so. I was shouting for help as hard as I could, but no help came, so thinking that I was in danger of my life at the hands of the complainant I pulled out my revolver and fired four times in the air for the purpose of attracting the attention of the police.

CROSS-EXAMINATION:

- A Where were you born ? A In Bohemia, Austria.
- Q What is your business ? A I peddle jewelry.
- Q Did you have any drinks on that evening ? A We went into one liquor store and I had a glass of beer and Miss Dorney had a glass of soda.
- Q Was Miss Dorney with you at the time you got to the wagon? A Yes, sir; we went down 31st. St. together. The policemen were just being relieved at that time and I could get nobody to help me.
- Q When you fired the shot was the woman there ? A Yes, sir; she walked with me all the way down.
- Q You are positive she was there at the time the shot was fired ? A Yes, sir; she was near me at that time.

10

Q Did the complainant have anything in his hand ? A I couldn't see it.

Q You didn't see anything ? A No, sir.

Q Did he say anything to you ? A Not a word.

Q Were you walking or running at the time he came across the street ? A I was walking along the street.

Q Did you turn around and fire four shots at him ? A I fired in the air to attract the attention of the police.

Q Who cut McDonald ? A I don't know; I didn't cut him.

Q You don't know how he got cut ? A No, sir.

LOUIS BLYLE, a juror of No. 44 Columbia Street, and Samson Lucawitz a juror of No. 5 Avenue E. both testified to the good character of the defendant.

The Jury returned a verdict of "Guilty of Assault in the Second Degree".
