To The Governor of The State of New York:

INASMUCH as the Health and other authorities of the City of New York have known for a long time that the smoke laws have not been enforced, in spite of the many protests made, aud

As this smoke evil threateus to extend its influence still further, we, the men and women affected by this condition of affairs, ask and

DEMAND of the Governor of the State of New York to take immediate and effective steps to remove, or have removed from office those public servants who are entrusted with the enforcement of said smoke laws, and to replace, or have them replaced with such public servants, who will honestly and equably enforce the laws against the smoke nuisance, which is daily becoming a greater menace to the life, health, comfort, business and family interests of the average resident living in the so-called smoke districts of the City of New York.

[Harlem] Domestic Industrial School

9.

2148 Fifth Avenue,

New York City.

Hon. William J. Gaynor,

Mayor of New York City.

Honored Sir:-

We the citizens of this City and constituents of yours do pray your honor, for the good of the people of New York to give us your indorsement in order to raise funds for our domestic industrial school. Our success or failure depends upon your signature or acknowledgement, to show that we are not inspostors. We have in Harlem alone more than 50000 half grown boys and girls that can be made good citizens if they are looked after in an institution of this kind: This is done in connection with our church work. Any favor granted will be highly appreciated, and not abused. Again praying your help, that you may help ~~some~~ save the young Negroes of this City.

Thanking you in advance,

Yours,

Rev. P.C. James, Pres.

" E. Sandford (white) Dean

J. L. Smith, Sect.

" J.H. Adams, F.A. & G.

P.S. Our property 2148-5th Ave. is open for investigation by any one at any time.
