Court of Oyer and Terminer

OF THE CITY AND COUNTY OF NEW YORK.

THE PEOPLE OF THE STATE OF NEW YORK

against

Frederick Ringuette,
William H. Rooney,
Charles W. Hanna,
Michael J. Cannon,
Henry Berlinghoff

The Grand Jury of the City and County of New York, by this Indictment accuse *Frederick Ringuette, William H. Rooney, Charles W. Hanna, Michael J. Cannon, Henry Berlinghoff* of the crime of intentionally making a false statement of the result of a canvass of the ballots cast at an election, committed as follows:

Heretofore, to wit: on Tuesday, the seventh day of November, in the year of our Lord one thousand eight hundred and ninety-three (the same being the Tuesday succeeding the first Monday in the said month of November), there was held a general election throughout the State of New York, and in and throughout the said City and County of New York, and in and for the ~~SIX~~ Election District of the ~~Seventh~~ Assembly District of the said City and County, at which said election divers persons were voted for, and divers ballots cast, for such persons in the said election district, by the electors thereof, for the following offices, to wit: the office of Secretary of State of the State of New York, the office of Comptroller of the State of New York, the office of Treasurer of the State of New York, the office of Attorney General of the State of New York, the office of State Engineer and Surveyor of the State of New York, the office of Associate Judge of the Court of Appeals of the State of New York, the office of Delegate-at-Large to the Constitutional Convention of the State of New York, the office of Delegate to the said Constitutional Convention for the ~~Ninth~~ Senate District of the said State, the office of Senator of the State of New York for the said Senate District, the office of Member of Assembly of the State of New York for the said Assembly District, the office of Judge of the Court of Common Pleas for the said City and County, the office of Justice of the City Court of the said City, the office of Surrogate of the said County, the office of Comptroller of the said City, the office of Sheriff of the said County, the office of District Attorney of the said County, the office of Coroner of the said City and County, and the office of Justice of the District Court of the said City for the ~~Second~~ Judicial District thereof.

And on the day and in the year aforesaid, and at the said election, the said *Frederick, William and Charles,* all late of the City and County aforesaid, were Inspectors of Election of the said Election District, duly appointed, qualified and then and there acting as such, and the said *Michael*

and Henry, both late of the same place, were Poll Clerks, of the same election district, likewise duly appointed, qualified and then and there acting as such.

And on the day and in the year aforesaid, at the City and County aforesaid, the polls of the said election, in and for the said election district having been closed, and the canvass and estimate of the ballots so cast at the said election, in the said election district by the electors thereof, having been ~~duly~~ made and completed, the said *Frederick, William, Charles, Michael and Henry*

feloniously did wilfully and intentionally make a certain false statement of the result of the said canvass and estimate of the ballots so cast at the said election in the said election district, by the electors thereof, as aforesaid, to wit: a certain statement, partly written and partly printed, then and there purporting to be in the form prescribed by the statute in such case made and provided, and to contain a statement showing the whole number of votes given for each person voted for at the said election in the said election district by the electors thereof, and at the end thereof being a certificate that such statement was correct in all respects, the same being then and there made up and composed of divers, to wit: eight sheets of paper and each sheet of which, as well as the said certificate, being then and there subscribed by the said *Frederick, William, Charles, Michael and Henry,* and each of them, as such inspectors of election and poll clerks, respectively, which said false statement is as follows, that is to say:

which said statement was then and there false, in this, to wit: that it did not then and there contain a statement showing the whole number of votes given for each person voted for at the said election in the said election district by the electors thereof, and was also then and there false in divers other respects, and among them in this, to wit: that whereas the said statement purported to set forth and indicate and did in substance and effect signify and declare that at the said election the whole number of votes given in the said election district by the electors thereof for the said office of Associate Judge of the Court of Appeals was *two hundred and sixteen*, —

that of the votes so given, Isaac H. Maynard received *one hundred and twenty six*, and Edward T. Bartlett received *twenty nine*, — and that the said canvass and estimate of the ballots so cast at the said election in the said election district by the electors thereof had so shown; *that at the said election the number of votes given in the said election district for the said office of Justice of the District Court of the said City for the Second Judicial District thereof was two hundred and sixteen, that of the votes so given Herman Balle received one hundred and twenty eight, and Antonio Ascarita received but thirty eight, and that the said canvass and estimate of the ballots had so shown; —* in truth and in fact of the votes given at the said election in the said election district by the electors thereof the said Isaac H. Maynard did not receive *one hundred and twenty six*, and the said Edward T. Bartlett received *more than twenty nine*, —

and the said canvass and estimate of the ballots so cast at the said election in the said election district by the electors thereof had so shown; *and of the votes given at the said election in the said election district for the electors thereof for the said office of Justice of the District Court aforesaid, the said Herman Balle did not receive one hundred and twenty eight, and the said Antonio Ascarita received more than thirty eight, and the said canvass and estimate of the ballots had so shown; —*

all of which they, the said *Fredenda, William, Charles, Michael and Henry* —

then and there well knew.

And the said *Fredenda, William, Charles, Michael and Henry* —

did then and there make and subscribe the said false statement, in the form and containing the matters hereinbefore set out, in triplicate, and within twenty-four hours after the said several statements had been subscribed, by the act and procurement of the said *Fredenda, William, Charles, Michael and Henry*, —

one of the said statements was duly delivered to the Clerk of the Board of Aldermen of the said City by one of the said Inspectors of Election, another of the said statements was duly delivered to the County Clerk of the said County, by another of the said Inspectors, and the other of the said statements was by the other of the said Inspectors duly delivered to the Chief of the Bureau of Elections of the Police Department of the said City, as and for the statements of the result of the canvass and estimate of the votes cast at the said election in the said election district by the electors thereof, required by the statute in such case made and provided, to be so made in triplicate and to be so delivered to the above named officers respectively in the manner aforesaid.

And so the Grand Jury aforesaid do say, that the said *Fredenda, William, Charles, Michael and Henry*, —

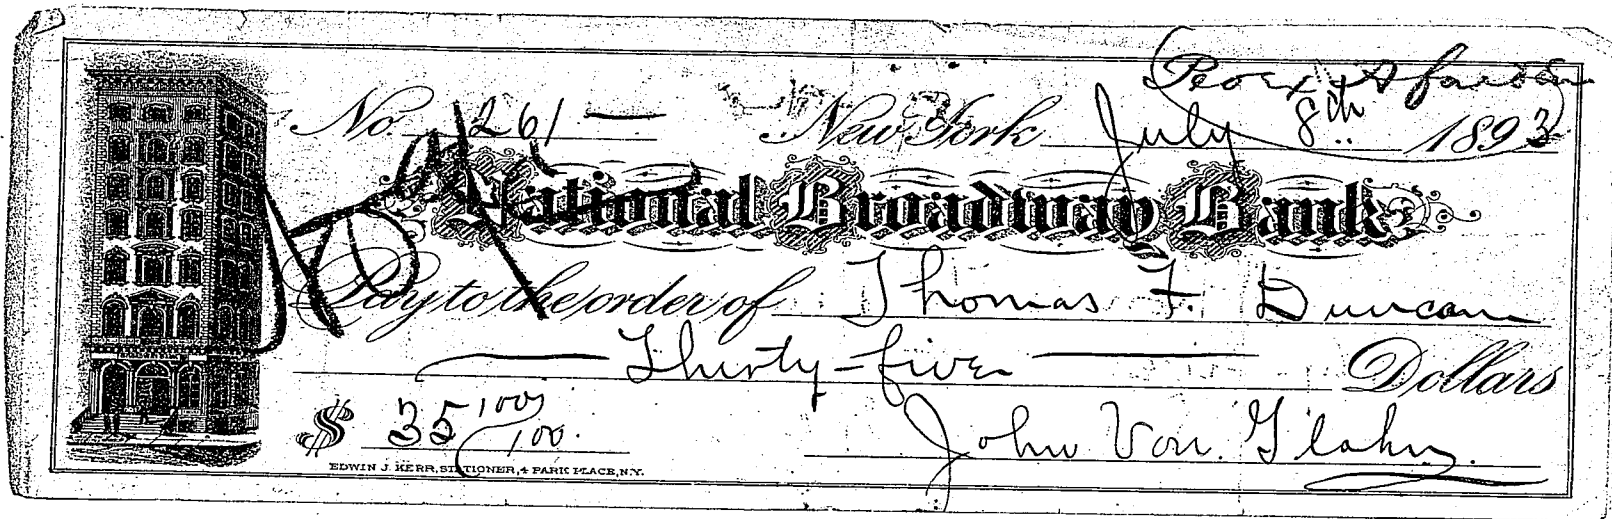

in manner and form aforesaid, feloniously did wilfully and intentionally make a false statement of the result of a canvass of the ballots cast at the said election, against the form of the statute in such case made and provided, and against the peace of the People of the State of New York, and their dignity.

DE LANCEY NICOLL,
District Attorney.
