My dear Sir,

I address you at the
request of the family of John
Hawley, whom you are to sentence
for assault. His father has
worked for me nineteen years,
a steady sober man - his
son, I know, but have not
employed him continuously.

I ask in the name of his family
to have you be as lenient with
him as law permits, feeling
the minimum of the penalty
will satisfy justice, & he ~~will~~
a lesson as to ^{his} future conduct.
I am very respectfully, John D. Crimmins

 The People vs John Battle } Court of General Sessions, Part I
 Indictment for burglary in the third degree.
 Joel Pike sworn and examined testified.
 You are the complainant. A Yes sir. Do you re-
 member car 1512 of the New York Central and Hud-
 son River Railroad being broken open on the 6th of
 July? Yes sir. Where was it at the time? Coming
 in Seventy second St. On the way in was it.
 It was just in motion, that was all. Did you
 see the car before it was broken open? Yes sir
 it passed me at Eighty sixth St. Was it then se-
 cured? How? With a seal and cleet, cleeted and
 sealed. It was all right then? Yes sir. About
 what time did it pass you, morning or afternoon.
 About 5.30 in the morning. When was your
 attention directed to it after that? I stood on the
 Conductor's caboose, I stood on the hind platform.
 I happened to step down on the step and I
 saw this prisoner and another one at work
 at the car. You saw this prisoner and the other
 one? Yes sir. Who was the other one? Henry
 Booch. How were they at work at it? This Booch
 had an iron in his hand knocking the cleet
 off. What was this one doing while Booch was
 knocking the cleet off? He was alongside of him
 aiding him. One of the brakemen happened
 to run over the top of the train; they got

frightened, I jumped off the car to get around them. When they saw me they took to the hill. I thought I could bring them too and fired two shots at them. They got on the top of the hill before I got up to them and they got out of my sight. Both of them ran away? Yes sir. Were they arrested then? No sir, I was on a passenger train going out a morning or two afterwards. I saw them at work at another car. The same two fellows, the prisoner and another one? Yes sir; the passenger train was going too fast for me, I could not get off. About the same neighborhood? Yes sir, the same neighborhood. That was in this car that was broken? It was Troy freight coming from Laurens up there, shirts. Freight that was in process of being carried by the Hudson River and Central Railroad? Did they open it? They got the car open but did not get the goods. They did open the car? Yes sir, they opened the car about that much (showing) Did they get into it? No sir, they did not get into it. That is about all that I know about it. Officer Cottrell caught them. Did you see them after they were caught? Yes sir. Did they make any statement? Yes sir. I mean this battle - the other one was not caught? No sir. What did the prisoner say? He said he did not do it. It

was Booch done it; he said he was there with him.
 You saw him there both times helping him and
 running away with him? Yes sir. Cross Exam-
 ined. This car belonged to the New York Central
 and Hudson River Railroad; it was in their care
 and charge as common carriers to the best of my
 knowledge and belief. I only know this from
 information. This car was on the track of the
 New York Central and Hudson River Railroad;
 that is what they call it. There is no other Rail-
 road running down there. I could not say how
 many years it has been running - a good
 many years. I am familiar with the neigh-
 borhood. I have been in the employ of the Company
 five years. Do you get your pay from them
 for taking care of the cars? They employ me
 to take care of the cars. There are other cars
 beside the Hudson River cars that go down
 there, the Merchant Despatch and different
 lines. All lines come in upon that track.
 I will swear positively that the prisoner
 was there and that he said he was with
 Booch. John Cottrell sworn. I am an
 officer and arrested the prisoner on the
 26th of August. I arrested him as an habitual
 thief and vagrant. I told him he was wanted
 for a burglary at the Hudson River Railroad Co.
 He admitted to me he was in company

0077

with Booch, he was committing burglaries on the New York and Central and Hudson River track, on the cars, and he told me where I could get stolen property in Sixty eighth St. that was stolen Sunday, a week previous to his arrest. I went there and recovered the property. Cross Examined. I was not certain the parties wanted him for this complaint until they came to the station house; so I sent word to the office. I made no threats or promises to the prisoner to induce him to confess. He said he was tired of stealing and he was willing to go to the Island. John Rattle sworn and examined in his own behalf testified. I live in 109th St. and Third Avenue. Do you live with your parents? Yes sir. I drive a horse and cart. You have heard what Mr. Pike said that he saw you break into a car with a man by the name of Booch? He did not see me break into any car, I did not break in any car. He said you told him in open Court you did not commit the burglary but Booch did it and that you were with him? I was drunk when I told him that. I did not tell the officer that I was a thief and that I was tired of stealing. The jury rendered a verdict of guilty of an attempt at burglary in the third degree.
