the alleged residence of *Abraham Meyers* the complainant herein, to serve him with the annexed subpoena, and was informed by *his mother*

and father and several other persons in their rooms who could not speak English and German but very poorly. I understood from his father that he had received a postal card that called his son away, and his mother said her son had come from Court and a number of young men called for him and he went with them. I thereupon requested his father to take the subpoena and deliver it to his son which he refused to do and said he did not know when his son would return. I then left the subpoena with Officer Bradshaw who has that post and requested him if possible to serve said Meyers which the Officer agreed to do. On March 30th I saw Officer Bradshaw again who said he had failed to see said Meyers and could not find out any thing about him. On March 31st I again called at No. 19 Ludlow St. and was informed by his mother that he, said Abraham Meyers had not yet returned, and she could not tell where he was employed. I inquired of the attendant in the saloon who said he had not seen him all the day before.

The People v. Court of General Sessions. Part I
 George Gilroy. Before Judge Gibblersleeve. Oct. 13. 1882
 Indictment for petty larceny from the person
 Frank J. Horner, sworn and examined
 testified. I live 320 Thirty sixth st. I am
 a tailor; on the first of Oct. I lost a gold
 plated watch of the value of fifteen dollars.
 I know the prisoner; he came to my door
 when I was going in off the Second Ave.
 cars; he said, "Give me a smoke." I did
 not give him a smoke. I opened the door
 and he came and took my watch; I tried
 to run after him and another one stop-
 ped me from running after him and
 tripped me, and the one who tripped me
 was arrested. The prisoner is the one who
 took my watch; he was arrested the Tues-
 day following and the watch was not
 found on him. I gave a description of the
 prisoner to detective Mularky and he
 arrested him. I did not get my watch
 back. That is all I know about it. Cross
 Examined. This happened at half past twelve
 o'clock at night, Sunday, a fortnight ago.
 That was on the 1st of October. I knew the
 prisoner by sight. I saw him several
 times in the street. I never spoke to him
 before. This evening I was with my brother

0965

in law in Christie St. Had he been drinking that evening? No sir. How many men were there attempting to take your watch, or did take your watch? Three men. Charles McCann was present at the time the prisoner was there and a young small fellow; the prisoner was the one who took the watch. One of them tripped me up and the other one asked me for a cigar and ran away. Did you ever get your property back? No sir. Bernard Mularchy sworn and examined testified. I am a detective in the Twenty first precinct. Do you know Gilroy here? Yes sir. How did you come to arrest him? From the description I got of Gilroy from the complainant. I told the men on post to bring him in if they seen him and one of the officers brought him and left him at the station house for me. Did you find the property on him? No sir. You do not know anything about it further than that? No sir. How long after this robbery? It was on the Wednesday following. Bernard Mularchy recalled by counsel. When the prisoner was arrested I sent for the complainant. And when you brought the complainant to the station house did

You put this young man in amongst a number of young men and ask him to pick him out? No, I took him out of the prison and brought him into the office, and the man said, "That is him."

You brought him in alone? I brought him in along with me. The man knew you were a policeman? He did, I suppose. You did not put this young man in to be picked out? No, we did not have time.

Albert W. McDonald sworn and examined. All I know about the case is I was at the desk when he was brought into the station house (Gibroy) and turned him over to Officer Mularchy. I saw him (the prisoner) twice that night. Bernard Mularchy recalled I did not arrest McCann, he was arrested by Officer Hall. I believe in connection with this larceny, he was brought to the bar this morning and pleaded guilty and was sentenced to the penitentiary for six months.

Jane Gibroy, sworn and examined testified. I am a widow; the prisoner is my son. I live at 332 East Thirty first St. On the Sunday night when this complainant says he lost his property I saw him at half past ten; he knocked at the door. I opened it and he came in. I was sitting up reading

a little volume. He undressed himself and went to bed at half past ten. I had a little child who was sick and was up and down giving medicine. He took off his clothes and hung them up by the side of the door between the sitting room and bed room. He never went out until the next day between one and two o'clock. I was surprised when I heard of his arrest; he had been around the neighborhood from Sunday night up to Wednesday night; he did not run away. They knew where he lived; they could take him out of the house at any time. Cross Examined. I have four rooms on the second floor front. The prisoner was in business with his father up to his death. He had a liquor store and I gave it up. At this time he was not doing any work; he was looking at the paper every morning. Albert W. McDonald recalled I know Gilroy; on this Sunday night I saw him at the corner of 37th St. and First Ave. talking with two ladies between 10 1/2 and 11 o'clock. I saw him again at 2 1/2 corner of 36th St. and First Ave. Charles Lott sworn. I am a detective of the 21st precinct. I saw Gilroy on Sunday the first of October in thirty seventh St.

0968

off the first Avenue talking to two girls
I did not see him again.

Jane Gilroy recalled. It is false what
the Sergeant of Police swears to when
he says that he saw the defendant
at 2 1/2 o'clock Monday morning. He
could not go out of his room without
going through mine.

The jury rendered a verdict of guilty

The People
 vs
 Martin Goger } Court of General Sessions Part First.
 Before Judge Gildersleeve. Oct. 30. 1882.
 Indictment for assault and battery.
 Mary Jane Mern, sworn and examined,
 testified. I live 2018 Third Ave. I know Goger,
 he is a neighbor of mine; he hit me in
 the head with a piece of stick on the eye-
 brow. My little girl came into me and
 said, "Mamma, Johnny Goger has got
 sister's shovel." I says, "daughter go out and
 ask him for it." She went out in the place
 asking for it; she is only a little girl four
 years old and he is thirteen; she attempt-
 ed to pick it up and went to pick it up;
 he raised his foot to kick her. I went out
 and said, "Johnny Goger, this is entirely
 too long to put up with it. I shall speak to
 the landlord tomorrow morning." With that
 his mother came to the window with a
 rush of terrible words; he did not do
 anything (the defendant.) I never spoke
 a word to him, it was to his wife. Then
 did he hit you? His wife called me a
 terrible name. I said, "if I am one, you
 must be one; the defendant held the
 board in his hand and struck me with
 it. Cross Examined. I was not in the
 defendant's store about a week before

0999

This, I was there two or three months ago when I went in to speak to him; my clothes was cut on the line; he raised his little board to strike me with that he was cutting his leather with. The trouble was he was jealous because we dealt with somebody else. I did not commence this trouble, I went out to speak to his son. When I was struck I was about a foot from his window in the backyard. I was not reaching inside the window. Mr. and Mrs. Goyer were standing inside of the window. I am certain I saw Mr. Goyer there. I had no quarrel with Mrs. Goyer before Mr. Goyer interfered. I did not grab a stick out of her hand. The stroke I got hurt me; it stunned me. I was unable to attend to my baby seven months old. I never had a word with these people - the only quarrel was in account of the little girl. He is jealous because I do not deal with him; he is a shoe maker. I have a large family. My eye was all black. Your back yard is all in common? Yes sir.

You occupy one side of the house and Mr. Goyer occupies the other? Yes sir.

Rachel Gould sworn. I live next door to these people. I saw this occurrence in July last, he struck Mrs. Merrin with a piece of board in the head; it was black and blue. Mrs. Merrin did not give him any provocation; he was in the room and she was outside. I heard some words. I was in the yard with my baby. Cross Examined. I was near by the fence. I looked in through the fence into the window, the blinds were open; one window was shut and the other was open. I saw Mr. and Mrs. Goyer by the window. I heard a quarrel between Mrs. Goyer and Mrs. Merrin. I did not see Mrs. Merrin have a slate in her hand. I was between five and ten minutes looking through the crack. I have had a quarrel about a year ago with Mr. and Mrs. Goyer.

Paul Smith sworn. I saw the stick going into the window. I did not have time to see it hit, I was attending to the store. I saw the woman have a black eye afterwards. Martin Goyer sworn and examined in his own defence testified. I keep a shoe store. I did not hit Mrs. Merrin with a stick, my hand or anything else. She has been frequently in my store and interfered with my business about her

quarrels; she called me bad names. I was in the store attending to my customers when this accident occurred. I saw her with a black eye in the street afterwards. I was convicted once in the Special Session for assault and battery and fined ten dollars. It was not for striking a woman, but for striking a young loafer. The last time she (the complainant) was in the store she threatened to fix me. That was a week before this happened. Christian Ginter sworn, testified that he was in Goger's place on Third Ave. about a week before the 30th of July and saw the complainant in there; he heard her threaten to fix the complainant, and heard her use abusive language to him.

Barbara Goger sworn. I am the wife of the defendant. My husband was in the store on Sunday between 10 and 11 o'clock. I was in the back room alone. I struck Mrs. Merr. I am positive my husband did not do it. I struck her with a piece of wood.

Louis Jaeger sworn. I am acquainted with Martin Goger and know him for eight years. I know his reputation for peace and quietness is good. I never heard of his being convicted in the Special Session. The jury rendered a verdict of guilty.

People vs }
vs

Hon John McKee
District Attorney

De fci

The Defendant Henry Guy was
arrested about November 1881 upon a
charge of Embezzlement and Grand
Larceny. Against the advice of his
Counsel Mr. Sidney H. Stuart, and
upon the advice of some well meaning
but mistaken friends he pleaded
guilty and sentence was suspended.

The facts of the case were as follows
Guy claimed that he was a partner
in the firm known as the "Comblan"

Wire Works", and that the Complainant Robert M. Murray was the other partner. Guy, urged by necessity and sickness in his family had overdrawn certain sums of money from the firm's assets and Mr Murray discovering this had him arrested upon a charge of Embezzlement and Larceny, with the result I have stated. Guy soon after on December 8, 1881 settled with Mr Murray after an accounting between them, paying him \$600 and obtaining from him a General Release. Guy is now arrested upon a Bench Warrant.

It is respectfully suggested that as Guy was not upon the facts guilty of any offense and as his plea was a mistaken and ill advised one, that he should not be sentenced upon it, and that he should be discharged from custody on the

1060

Bench Warrant.

Mr. Stuart and myself appeared
in the Police Court and know that
Mr. McManay was satisfied that
you should be discharged.

I am Respectfully

Yours &c

A. C. Anderson

I concur in everything
Mr. Anderson has stated.
The plea was taken
against my advice,
and I withdrew from
the case. I now gladly
aid in explaining the
matter to you, and in
this appeal to you.

Respectfully
Sincerely,
27 Chambers St.
