PEOPLE ON MY COMPLAINT,  
VERSUS

Joseph Schwartz.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. My reason for doing this is because I am informed and verily believe that said Joseph Schwartz did not commit the crime charged in the indictment. I have known the defendant for upwards of ten years and I have always found him to be a reputable & honest man.

To my knowledge he has never been committed charged or imprisoned on any charge and I believe that he is a person of good moral character and I could not positively swear that he committed the crime charged in the indictment, and respectfully ask that I may be allowed to withdraw my complaint heretofore made herein.
