Indict ent filed July 15th 1890.

Indicted for Abduction.

N e w Y o r k , August 6th 1890.

APPEARANCES: For the People Asst. Dist. Atty. Parker

For the defendant Mr. J. I. GREEN.

DELIA GREENE, a witness for the People, sworn, testified:

I live at No. 349 West 38th Street in this city . I
 I am a widow going on eight years. I have three children
 now; Julia Greene is my oldest child; she is fourteen
 years of age . She was born in 1876 on the first day of
 June . Julia Greene left my house on the morning of the
 9th day of July . I did not see her from that time, un-
 til the time she was arrested .

CROSS EXAMINATION:

I was married on the fifteenth day of August I
 dont know the year --it is about fifteen years ago . . My
 daughter Julia was employed as a nurse girl. She left
 school about two years; she was twelve years of age when
 she left school. My daughter did not tell me where she
 was going when she went out, nor did she tell me where sh
 had been when she came back .

MARY BEERES, a witness for the People, sworn, testified:

I live at No. 350 West 37th Street in this city . My parents are living . I am acquainted with Julia Greene; I have known her for a year . I am acquainted with the defendant Frank Moran since the 9th day of July . I also saw Julia Greene upon that day . Julia Greene and I took a walk to Central Park and we met the defendant Frank Moran at about ten minutes of twelve near the 72nd Street gate . A man named Charles Roof was present. I had known the man Roof before . We made a date with those two men for that night . Julia Greene was present when the engagement was made . I heard Julia Greene make a date with Moran . Our engagement was to meet these two men in the park at seven o'clock in the same evening, at 72nd Street and Eighth Avenue. There was no arrangement made at that time as to what we were to do . We stayed around the park for the rest of the afternoon. During the afternoon the defendant took us out in a boat to have a row . He is employed as a boatman in the park lake . At seven o'clock that night we went to the gate at 8th Avenue and 72nd Street. Julia Greene and I met Moran and Roof and the four of us together went to a liquor store on 8th Avenue. Julia and I drank sarsaparilla while the two men drank beer . We stayed in that saloon from seven o'clock until half past eight . From the saloon the four of us went along Eighth Avenue and then down into some lots near 78th Street . In those lots the two men had connection with us . Frank Moran had connection with Julia Greene . I saw it . Frank Moran also had connection with me . We came up out of those lots at about nine

o'clock and went back to the liquor store . The men then left us . We walked around the best part of the night; we did not go to bed at all that night . We walked the streets and early in the morning we went into the Park again. We were sitting on a bench in the park in the morning at about half past six o'clock when the officer came up and arrested us . From the station house we were taken to the Society of the Prevention of Cruelty to Children in 23rd Street . I am now an inmate of the House of Mercy . I have been there since I was arrested .

Cross Examination:

I met the defendant for the first time on the 9th day of July . I am positive that an engagement was made by the defendant to meet us at seven o'clock that evening . I had ~~not~~^a been with ~~any~~ man the evening previous to meeting this defendant . Julia Greene was with me and the man took us to a house in the Bowery and there he had connection with the both of us . I know the man we were with on that night for four years . I knew Roof quite well, and it was me who went up and spoke to him . I did not drink any whiskey in the saloon on Eighth Avenue . Julia Greene and I both drank four glasses of beer as well as some sarsaparilla . . I understand the obligation of an oath. It was dark in the lot into which the defendant and Roof took this Julia Greene and I. Julia Greene ^{and} ~~or~~ I were very close together when these men were having connection with us in the lot . I do not know what became of the defendant and the man Roof after they left us at the liquor store . I did not have any

conversation with any strange man while in the liquor store after we got through in the lot or before . This man Roof was employed in the same business as Moran attending to the row boats in the park .

JULIA GREENE, a witness for the People, sworn, testified:

I live at No. 349 West 38th Street in this city. I lived there on the 9th day of July last . The lady who first testified on the stand was my mother . I left home on the Monday before I was arrested in the morning . I met Mary Beere after I left my home . On Wednesday the 9th at about twelve o'clock Mary Beere and I went to Central Park . While in the Central Park we met this man now at the bar Frank Moran near 72nd Street and 8th Ave . A man named Charles Roof was with him . I had not known either of the men before . I made a date with Moran for that evening and Mary Beere made a date with Roof . We engaged to meet them at the same place at about seven o'clock in the evening . We stayed around the park in the afternoon, and for a time were out on the lake with the defendant and Roof in a row boat . We met the defendant and Roof and at seven o'clock in the evening at the place agreed upon; after we met them the four of us went to a liquor store on Eighth Avenue and I had, along with the others, four glasses of beer . We came out of the saloon at about half past eight and the four of us went up to a lot on Eighth Avenue near 77th St. This man Frank Moran had connection with me in that lot. The other

man had connection with Mary Beere and afterwards had connection with me also . Then Frank Moran had connection with Mary Beere . We were not lying very far apart when this was going on . We were down in this lot amongst the bushes about half an hour . . We then came up out of the lot, went back to the liquor store and there the two men left us . All that night Mary Beere and I walked around the Streets . We had no breakfast . I was arrested at about six o'clock in the morning in Central Park where Mary Beere and I were sitting on a bench . We were taken to the station house, and from there to the Society headquarters in 23rd Street . . I am now in the House of Good Shepherd . I have been there ever since I was arrested .

Cross Examination:

I am fourteen years of age . I know what an oath is . An oath is swearing solemnly to tell nothing but the truth . I learned that in school . I never met the defendant Frank Moran before the 9th day of July . He asked me to meet him at such and such time in the evening and I said Yes . He never told me to get away from his boat . He took me out rowing in the boat on that afternoon . Four glasses of beer is all I drank on that day . It is true that I told the defendant I was hungry . He bought me some sandwiches . I found out the name of the defendant from his friend Roof . I am perfectly healthy . I have never suffered from any venereal disease . I I am sick . I don't know when I got sick that way . It was after I was with this man Moran . I have been

treated for this disease up where I am / I dont know how many times I had sexual intercourse before I went with this man . I had intercourse with a man the night before . I have committed these sins about fifteen times . I do not know what kind of a disease I have got .

WALTER H. SNOW? a witness for the People, sworn, testified:

I am a practicing physician in this city, and havee been for a number of years . I examined the complainant Julia Greene since the 9th day of July last . I examined her vagina and he. organs generally on the 15th day of July and I found that there had been penetration . I am not prepared to say on what date the penetration occurred .

By MR/ GREENE:

Q You dont know with whom this connecti on was had ?

A. No sir .

CHARLES W. GARDNER, a witness for the People, sworn, testified :

I am an officer attached to the Society for the Prevention of Cruelty to Children . I arrested the deefendant on the 11th day of July at the boat house on the lake in Central Park. I says "I have a warrant for you# for the abduction of one Julia Greene, under the age of 16"; he says "I have been expecting this, just wait until I get my pants on and I will go with you ". I said to him also "How did you happen to go with girls as young as this" and he says "You ought to get the other fellow Roßf, he is the fellow that put me on to that, he is as guilty as I am ". I saw him putting

on his pantaloons and I saw that he had a piece of medicated cotton on the end of his parts and he took it off .

I then arrested him and took him to the station house .

I did not have any further talk with him .

Cross EXAMINATION:

I went with the defendant at the time he took off his pantaloons . I am certain that he told me that Charley Roof was as guilty as he was .

D E F E N C E .

F^rANK MORAN, the defendant, sworn, testified :

I am employed in the Central Park as a boat man. On the 9th day of July after coming from dinner I met Charley Roof. He stopped to talk to me as he was not working that day, and I told him that I had not time I had to get back to work . Then these two girls ran up and spoke to us. I went off to the boat house and just got there in time as the proprietor is very particular about our time . . I took my boat to the landing and waited until I got some passengers. While going around the lake I saw these girls and they were hollering at me . I saw them around the boat house for about two hours that afternoon . I did not see them again until about half past seven in the evening when Charles Roof came to me and said "Are you going to work to night". I says "No". I went over to Eighth Avenue with him . I went into the salo on there in company with another man and in a short time Roof came in and took the two girls into the summer garden . He says "Those girls want something to eat ". I bought the girls two sandwiches and then

they asked me to treat and I treated. Then the two girls and Charles Roof and myself took a walk to 82nd St. to the Museum of Natural History and then came back and Charles Roof and I left the two girls in front of the saloon. Charles Roof left me and in a short time I met him in the saloon and he said the two girls were made because I did not go up there with them, and I told him that I did not want them. I saw the girls after that at the saloon and I told them to go home and the little girl Julia Greene said "The hell with home#". I refused to go down town with Charles Roof and these two girls and I went to my home. In the mornings papers I saw an account of two girls being arrested in the park. I was arrested on Thursday or Friday afternoon by an officer. I did not say to the officer that Charles Roof is as guilty as I am. I deny that I had sexual intercourse on that night with Mary Beere or with Julia Greene.

CROSS EXAMINATION:

- Q You did see those girls on that day some time near the middle of the day? A. Yes sir; coming from dinner.
- Q You did not say anything to the girls at all?
- AA No sir.
- Q You did not make any engagement at all? A. No sir.
- Q You have heard their testimony? A. Yes sir.
- Q And in that respect their testimony is not true?
- A No sir.
- Q You did not meet them at seven o'clock, did you?
- A No sir; not at seven o'clock.

Where do you live ? A. I live at 238 E. 109th Street .

Q What time do you get through your work ? A. Some nights we are there until eleven o'clock . We are usually through at ten minutes after seven in the evening .

Q You walked as far as 82nd Street with these girls ?

A Yes sir .

Q Is there any open lot with bushes on it near 78th St. on the west side ? A. Yes sir .

Q And when you passed there, did you not stop there before going to 82nd Street ? A. No sir .

Q You walked right straight up there ? A. Yes sir .

When I was buttoning my trousers the officer said "You are in a pretty bad state "; and I says "Yes, it is all nonsense to accuse me that way ". I did not tell the officer that I expected to be arrested . I have tried to secure the attendance of this man Roof but have been unable to do so . He only works around the boats occasionally .

MYER KALLMAN DAVID HINTZ, and AUGUST J. Wenck each testified to the previous good character of the accused .

The jury returned a verdict of Guilty of abduction .

BRIEF FOR THE PEOPLE.

STATEMENT OF THE CASE.

The defendant is indicted for the crime of abduction in taking on the 9th of July, in the evening, one Julia Green aged 14 years, to a vacant lot on 8th Ave., near 78th St., and then and there having sexual intercourse with her.

Julia Green aged 14 years will testify to meeting the defendant, who was a boatman, in Central Park, by appointment in company of one Mary Beers aged 16 years, the defendant having another man with him named Charles Ruff, also a Central Park boatman, and who escaped; that all four went to 8th Ave. and 78th St., where they had beer and sandwiches in a saloon, and later they all went to a nearby vacant lot, where the men had sexual intercourse with the both girls, the defendant using the witness, while Ruff had the aforesaid Mary Beers. They were so close together while doing the act that they could both see and hear all that was transpiring.

Mary Beers age 16 years will corroborate the foregoing statement of Julia Green.

Mrs. Delia Green, of 349 West 38th St., will testify that

0182

Julia Green is her daughter, and that the said Julia is 14 years of age.

Officers Wilson and Gardner of Society had charge of case in court and made arrest, and investigation.
