Arrested for Narc. 3 days held in jail for about 10 yrs.

— Mosque member 1959 ~ '60. in N.Y.C. Still member.
— no rank

— I knew Malcolm X as minister when I joined mosque &
We & I felt Malcolm was an hypocrite & Allah
would take care of him.

— When I'm right I'm protected by Allah.

— Captain Joseph is over here in the restaurant. He's a captain
I'm not familiar with him.

— Never attempted to leave the mosque.

— Never met Talibah Hayer.

— Shown photo of Butler & Johnson. knows both of them.

— In the lesson, Lt takes order from Capt.

— If a Lt did something on his own he's on his own.

— If a brother gets into trouble he's out of mosque & until he
is proven innocent.

— Our law states that brother in trouble like Butler &
Johnson should not have been still in the mosque &
after being arrested for shooting correction officer Borman.
I can't understand that they could still be members of
the mosque, from what I've been taught it shouldn't be
so. But this comes from higher up I have nothing to do
with policy of the higher up.

— after the shooting in the Bronx I saw Borman 3X & Thomas 15X
in the Shabazz restaurant, after they had been booted out of jail.

2 or 3 days after they made bail (Jan/1965) for Bronx case.

I was daytime. I don't remember of the war with anyone or of Captain Joseph, then at time
