

3/24/65 J. Jacqueline Bulloupe of 3120
Blissway Apt. #155, arrived at
the Audubon Ballroom on 2/21/65 at about
2²⁵ PM alone. I sat down at a table with
Susan Bodger, assisting her in the collection
of membership dues. This table was located
in the anteroom, just outside the main
ballroom. The stage could not be seen from where
J.B. I was sitting.
~~the location~~. Benjamin was speaking and
I did not see Malcolm enter or speak. Suddenly shots
rang out from within the ballroom itself & Susan
Bodger & I ran into the Mens Room & while therein
heard more shots. After the shooting ceased, ~~we~~^{I & S}
came out to the same anteroom & remained there
until Malcolm was ~~sub~~ carried out on a stretcher
by police. A few minutes later I left the ballroom
through the main entrance. I did not see
any of the perpetrators nor did I see any
guns or weapons.
