PEOPLE ON MY COMPLAINT,

VERSUS

James Macklin

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself and for the further reason that since the arrest of the defendant above named I have satisfied myself that the defendant did ~~not~~ intend to steal the watch and chain the taking of which he has been arrested for from the fact that I have known the defendant Macklin for the past 5 or 6 years, that upon the evening in question I was sitting down on the cellar door of premises No 402 East 17th Street in this city with the defendant, when, as I now believe in a joke he took my watch & chain and ran home with it showed it to his parents and asked his ~~parents~~ father to loan him a key to wind his watch with, saying at the same time that this watch he took from Francis E Flynn in a joke and was going to carry it back to him, that while he was on his way back with said watch the defendant was arrested. I do not now believe he intended to steal my watch - and think he has been punished enough. I have my watch & chain.

One box containing jewelry consisting:

and that this deponent
 has a probable cause to suspect, and does suspect, that the said property was feloniously taken, stolen,
 and carried away by Edward W. Andrews and

 the fact that on the above mentioned

 Deponent had reason to suspect that the

 Deponent is informed by Officer George Logan

and the defendants, Lawrence Kane had taken said property. And he Mr. Anderson informed him the Officer that he had sold a pawn ticket representing the chain aforesaid to a Mr. Scott on 7th Avenue, when he the Officer went to the said Mr. Scott and there recovered said chain.

Deponent is further informed by Officer John Carey that he found a number of pawn tickets in the possession of the defendants Kane, and that the Kane admitted and confessed to him that said pawn tickets so found in his possession represented a portion of the property aforesaid and that he Kane had pawned the aforesaid cake basket in Blane pawn office in his own name.

Deponent further says that she has since seen said chain so recovered by the Officer and fully identifies it as her property.

Wherefore Deponent charges the said defendants with being together and acting in concert with each other and feloniously taking, stealing and carrying away said property.
