I respectfully case the attention of the Court to statement filed herewith from the complainant & also to letter from Rev. W. P. Henry, Church of Holy Innocents, of 2nd that free restitution has been made. Clearly this defendant who is but a boy, was the creature of a sudden temptation to which he yielded, and he is now sincerely repentant. His Employer (the complainant) informs me that the boy has collected hundreds of dollars & has not failed here in this one case to act with the utmost integrity. As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. out of regard to the family of the defendant which are to all accounts a very respectable one and taking in consideration his age (which is only twenty years) this being his first offense I feel as though Justice ~~impaired~~ would not be impaired by using mercy & leniency in this case and allow the young man one more chance to become a respectable citizen I cheerfully withdraw the charge that I have made against him (namely Grand Larceny)
