City Hall  
Renovation

6

Jan. 30, 1911. k

Dear Mrs. Sage:

As Mayor I beg to thank you most heartily for your generous offer to do the restoration work in the City Hall. Mr. DeForest spoke to me about it some time ago, and I am rejoiced that you are now ready to proceed to do the thing. It will be money well spent, and the result will live long to delight those who can appreciate good architecture.

Sincerely yours,

*W. H. Hayes*
