Indictment filed November 11, 1892

Indicted for Assault in the Second Degree.

New York, November 17, 1892

APPEARANCES:

For the People,
 Assistant District Attorney B. S. Weeks,

For the Defendant,
 Mr C. F. Hyman.

J O H N H. K R A M E R, a witness for the People, sworn,
 testified:

I am a gate-keeper at Bellevue Hospital. On the
 6th of November I had charge of the gate. At half past
 3 in the afternoon this defendant came to the gate in a
 state of intoxication. I refused to let him in. He had an
 open clasp knife in his hand, and he cut me on the thumb
 with it. I told him he could not get in because it was
 against the rules of the hospital to allow anybody inside
 the gates who was under the influence of liquor. He cut me
 twice on the thumb.

CROSS EXAMINATION.

The defendant is engaged as one of the keepers in
 Bellevue Hospital. He had a right to enter the hospital
 grounds provided he was sober. I would not allow anybody

through that gate who was under the influence of liquor. That has always been the rule of the hospital since I have been there. After the defendant cut me I got a club and struck him with it. The knife which is shown me looks like the knife which the defendant had in his hand at the time.

J E F F E R S O N M O R R I S L L, a witness for the People, sworn, testified:

I am a police officer attached to the 21st Precinct. I arrested this defendant on the 6th of November at 20 minutes past four. The complainant told me that he had cut him with a knife. I searched him and found upon his person the knife which I now produce. The defendant told me that the cutting was accidental.

CROSS EXAMINATION.

I took the defendant to the stationhouse on a horse-car, because he has a wooden leg. The defendant gave his name, age and place of residence to the sergeant. He was slightly under the influence of liquor.

D E F E N S E .

P A T R I C K E V A N S, the defendant, sworn, testified:

I am employed as an orderly in Ward 33, Bellevue Hospital. On the 6th of November I was in the employ of the hospital and had a right to enter through the gate at which Mr Kramer was the keeper. About 4 o'clock in the afternoon I went out to get a drink. When I returned to the gate I had my knife in my hand cutting some tobacco. The gate keeper caught hold of me, pulled two buttons out

of my coat and struck me with a stick. I did not deliberately cut him, but it may be that his thumb was cut by the knife which I held in my hand. I had no intention whatever of cutting the man. I never had any trouble with him.

CROSS EXAMINATION.

I have been employed in the hospital off and on for about six years. I had not taken more than two drinks on that day. When I came to the gate the keeper would not admit me saying "You must go out and get sober." I do not remember being at the gate more than once on that afternoon. When I reached the stationhouse my pedigree was taken by the sergeant, and I told him everything about myself. I was not under the influence of liquor.

The jury returned a verdict of guilty of
Assault in the Second Degree.
