Robert H. Strange

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The defendant was in my employ for two and a half years - up to the time of the commission of the offense I had no reason to doubt his honesty. He has expressed great contrition and I believe he is sincere - He has a wife and four children, who will be entirely destitute if he is punished - Defendant also has an aged Mother who, I am satisfied will die if her son is punished - The defendant is trying now. I believe to lead an honest life and be a good Son, Husband, Father and Citizen, and I am extremely earnest in my request that leniency may be extended to him, in view of all the facts I have above enumerated -
