James J. Griscoll

Court of General Sessions, Part 2
(Before Judge Cowing. March 13, 1882)
Indictment for rape.

Katie Adams sworn. I will be 12 years old the 2nd of July. I know James Griscoll; when he moved in the house I used to see him down at the door and going up and down stairs I seen him. I recollect the 15th of Nov. last. I was going down stairs and he opened the door and pulled me in and then he locked the door and pulled me into the front room. Then he threw me on the bed and he took down my drawers and he took down his pants and then he done wrong to me. Did he have connection with you? Yes sir I was crying and I was halloving and I tried to push him away, and he said if I did not keep still he would put a handkerchief over my mouth. So then afterwards he done that wrong; so then he let me go through the back room; then he opened the door and he offered me a ring and I said I did not want the ring. So then I ran up stairs and I told my mamma; then my mamma put on her clothes and she went right to the Madison St. station house; and then we went there and told them

about it. Then they sent for the doctor and he came and examined me. Then the officers were looking for the prisoner; he went away. He pulled me in quickly and locked the door. I halloed for my mamma and Mrs. Kelly. I continued to halloo where I was in his room. I was kicking him and tried to push him away with my hands and feet. Tried to bite him but he pulled his hands away. I did all I could to resist him. Cross Examined. I felt his private person inside of me; it was about three or four minutes; he lives on the second floor, I live on the top floor. That is the first time a little boy ever did that to me. I did not see any blood on my clothes. My mamma was home all that afternoon; my mother never scolded me for smoking cigarettes with little boys. I know Mrs. McKean the housekeeper; she did not complain to my mamma that I was running with little boys and smoking cigarettes with them; my mamma did not tell me about it. My mamma is not a drinking woman; she drinks a glass of beer once in a while.

John Adams sworn. This was my daughter who was on the stand; she made a complaint to me as soon as I came from work the day when it took place; in consequence of that complaint she was taken to the police station; her mother is not in court; she is sick. John McCauley sworn. I am an officer attached to the 13th precinct, I know this boy the prisoner, I arrested him on the 27th of February. I had been looking for him for about two weeks. I went to his residence and enquired there; he said he did not know what he was getting arrested for; he did not say where he had been, I did not ask him. Cross Examined. I had no warrant for his arrest; the complaint was first made at the 4th precinct station house; he was brought into Court on the first day of March I did not have a warrant for his arrest before.

David Matthews sworn and examined for the defence testified: I am a physician connected with the Police Department pretty near five years, I am practicing for 22 years; on the 15th of Nov. last I undertook to examine Katie Adams, I cannot say that I made a thorough examination of her. I examined her by

gas light and she resisted so that I did not make it thorough. Time enough had not elapsed for inflammation to set in. I did not discover any hemorrhage. I did not discover any blood on her clothing. You see this boy, would it be possible for him to have connection with that little girl and no sign of hemorrhage or inflammation shown after your examination? That is a question I could not answer positively. I think it would be possible I think if there was penetration there would be apt to be some hemorrhage and laceration; she may have reviewed the hemorrhage after it occurred; she might have bathed herself. I would not like to say it would be impossible. Cross Examined. I examined her on the 15th. I stated that the examination was not very thorough or satisfactory; it was external. I tried to introduce my finger I think; she resisted so that I did not push it; the parts appeared to be tender from the resistance she made. You see my evidence is rather negative, I state what I did not discover - not what I did. If I had known that I would be relied on as a witness I would have examined her more thoroughly.

James Driscoll sworn and examined
 I will be 15 years old next April. I
 did not have connection with the girl
 the day she said I did. I did not drive
 her into the room and throw her on the
 bed. I was working all the time at Brooks's
 tin factory in Fulton St. and got the top
 of my finger cut off. I was not keeping
 out of the way. I was arrested at 42
 Attorney St. I know the little girl to live
 in the house. Cross Examined. I was not
 near the house the day she made this
 charge against me. I was up where my
 mother works, at Dr. Hard.

Catherine McLean testified that the
 reputation of the defendant was good.
 I have known the girl to tell a good
 many lies...

Catherine Driscoll, the mother of the
 defendant testified that he was a good
 boy.

The jury rendered a verdict of
 guilty of an assault.
