I was at the Audubon Ballroom on February 21, 1965, to hear Brother Malcolm X speak. When Brother Malcolm X started to speak I heard a commotion of chairs falling and noises like rockets going off. I did not see anyone with a gun and I did not see anyone shooting.

I heard Malcolm X speak some occasions.
On 2-21-65 I went to the Audubon Ballroom
to hear Malcolm X speak. I sat above I sat
in the seats on the right side. about 6 rows
from the front. Malcolm X got up & said Salamu
Alaihu, then I heard a connection of chains
falling & I heard noise like firecrackers. I saw
no one shooting at the minister. I saw no one with
guns, I got down on the floor & crawled on my
knees to get out.
