Officer Michael Rooney 10th Precinct being says, On Sept 30 / 83 about 12³⁰ A.M. when near Stanton in 4th St I heard a pistol shot and ran down to 206 Forsyth. I saw deceased under a coat and took him in Lager Bier Saloon. Mathias pointed out to Meagher as the one who did the deed and Meagher ran away. I caught him and when I told him what he was accused of he said the saloon keeper did it. When he said I won't tell you nothing.

Officer Creed 18th Precinct being sworn says, On Sept 30/83 Meyer said the saloon keeper did the shooting. After being instructed to search the apartment of Beck I found the pistol case exhibited to the Jury and the large cartridge in his trunk. The small cartridge was picked up on the floor of the hallway of 206 Forsyth St by the housekeeper on Sunday morning. The pistol case was picked up from the same place.

TESTIMONY.

W^m J. Conway M. D. being sworn says, On Oct. 1st 83 I made an Autopsy on the body of W^m Stamper at 82 Stanton st. An external examination of the body showed a pistol shot wound of the chest about 6 inches below the left nipple and 6 inches from median line. On opening the chest the ball was found to have pierced the seventh rib in an upward direction and to have perforated the apex of the heart and the left lung, flattening itself somewhere on the spinal column. The ball was not found, nothing remaining of it but some flattened pieces of lead. From the size of the bullet hole the pistol must have been of small calibre about 22 inches. The right lung was covered with old adhesions and the apex of both lungs showed evidence of the commencement of tubercular disease. Tubercles were found in both lungs.

The other organs were negative.

The cause of death in my opinion was shock from Haemorrhage from Pistol Shot Wound of the chest through heart and lungs on left side
