Testimony in Case

John Ryan

filed Sept.

1883.

121  
 The People } Court of General Sessions. Part I  
 John Ryan } Before Recorder Smyth. Sept. 24. 1885.  
 Jointly indicted with Henry Wilson for burglary  
 in the third degree.

Moses Van Brink sworn. I live 263  
 First Ave; my place of business is 422 East  
 Fourteenth St. I am in the furniture business.  
 On the 14<sup>th</sup> of Sept. my place was entered,  
 the back door from the hall was entered; the  
 police called me out of bed between three and  
 four o'clock Sunday morning I went down to the  
 store; the bar on the door was raised out  
 of its socket, and the mattresses that lay up  
 against the door were pushed away. I left the  
 store at half past ten in the evening and I  
 was called by the police between two and three  
 o'clock morning. There were five carpets taken  
 worth \$95. That property was mine. I did not  
 see anybody break in. Cross Examined.  
 When I closed up the store my two sons and  
 a man were there. Everything was in first  
 class condition. I saw the carpets that same  
 night in the police station I recovered the  
 carpets in Fourteenth St. Through the police;  
 I saw them in a hand cart in Fourteenth  
 Street behind my store. I don't know whose  
 handcart it was. My store has a yard, it is  
 432 Fourteenth St; the cart was behind my store.

0687

Garnett Redmond Brown. You are a police officer? Yes sir. Of what precinct? The Seventeenth. Did you arrest the prisoner Ryan in this case? No sir. Officer Bingham arrested him. Did you see the prisoner that night between three and four o'clock? Yes sir. I saw him enter this place. This place 422 East Fourteenth Street? Yes sir. When did you see them there? I saw him enter this place from 7 to ten minutes to three o'clock in the morning. at 422 East Fourteenth Street how did he get in? By the side door, the family entrance to the store. Did he just open the door and walk right in? As far as I could see, I was not close enough to see him. He shut the door after him, after he got in. I was sure that it was a key he took out of his pocket. What did you do then? Then I waited for a few minutes and I crossed over to the Eighteenth precinct and told the officer on the opposite side that I had seen this man go in. We crossed over and we listened at the door 422 East Fourteenth St. We were not there over five minutes when we heard a noise of breaking or forcing a door with a jimmy. We tried to get an entrance but the door was barred and we could not get an entrance. Then we heard them on

0588

the inside of this door; we were placed in position we could not move away without being seen; there is an electric light which makes it very light, so you cannot stir without being seen. I saw an officer on First Avenue, Officer Leon, and he went around Thirteenth St. to keep a watch on the rear of this building; so they came that way and they started to run; there was some dog made a bark. I remained on Fourteenth St. at the door of this building. There is a rear as well as a store door on Fourteenth Street; the upper part of that building is used for tenements and the hall door is used by the tenants; and it was the hall door that I could see the men through and not the store door; when they entered the hall door the door was shut because I tied it. Officer Benham made the arrest. When I saw these men I was within ten feet of them behind the truck. I saw them before I went in on my post; this is in the Seventeenth ward between First Avenue and Avenue St. Cross Examined. I left the station house about ten minutes after 12 and reached my post  $\frac{1}{4}$  or 20 minutes after twelve. I was walking from Avenue St to First Avenue when I first saw the men. I stood at the corner

0689

of First Avenue when I noticed them. Did you follow them? No, I watched them; they stood in front of this building and they sat on the truck for a few minutes that is near this building. Did they pass close to you on the other side? No sir; they passed close to me at one time. At any other time did they? No they did not. I paid particular attention to them. They passed me and went down towards Avenue A. along Fourteenth Street. I saw them go to this place and open the door, I could not swear it was a key, but they took something out of the pocket. I was, at first ave. at the time. I watched them, I went across ~~on~~ the Eighteenth street side and told the other officer, I was behind the truck within ten feet of this building as near as I could judge, I did not measure it. I now know who was the owner of the store. I saw Ryan once before in 13<sup>th</sup> st. and heard of his character. Officer Kelly found the property Arthur E. Benhara sworn. I am an officer of the 17<sup>th</sup> precinct and arrested the prisoner between 12<sup>th</sup> and 13<sup>th</sup> sts. on First Avenue I saw Officer Skalis running after some men and afterwards Officer Redmond identified him as one of the men. The prisoner pleaded guilty to burglary in the third degree.
