S i r :

I am enclosing a letter from Mr. Hart, who says that the "Titanic" fund is larger than necessary, and inquires whether the overplus may not be devoted to the sufferers by flood in the south. I should be glad to hear from you or the committee on the subject.

Very truly yours,

July 11th, 1912.M

Dear Mr. DeForest:

I have your note of July 6th, and I am this morning sending out the letter you suggested to each member of the committee. Our fund has now gone up to a little over \$70,000., and I suppose the contributions will continue to come in for sometime to come. We still occasionally receive contributions for the "Titanic" fund. As soon as the contributions cease coming in and we can close up the matter, which I think will be about August 1st, I intend to prepare a report for the committee showing briefly what we have done and the expenses incurred. I thank you very much for your suggestion.

Yours truly,

Secretary.
