## New York General Sessions.

PEOPLE ON MY COMPLAINT,  
VERSUS

Thomas M. Odenack

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

When defendant took my pin, the subject of the larceny from my room, I do not think he intended to steal it. His family and my family are all friends together, and he has always borne a good name as far as I know. I would ask that the matter be dismissed.
