Dear Mr. Meloney:

I beg to submit to you enclosed a brief statement on seven of the list of ten of the agencies concerning which I suggested the Bureau might make inquiry for you.

The Bethesda Lutheran Mission at 5 Water Street, Permit 1700, is, I am reasonably sure, a perfectly worthy applicant. The other two,

Permit 1666, held by J. Graham, and,

Permit 1750, held by Rev. H. M. Tyndall,

we shall look up during the week and report to you promptly the facts which we may secure.

I take pleasure in handing you herewith also the list of names, alphabetically arranged, of applicants concerning which we have no information.

Sincerely yours

Executive Secretary to the Mayor,
City Hall, Manhattan.

Dear Sir:-

In regard to the two Licensees concerning whom we promised to make some inquiry, we beg to report the following:-

James Graham, to whom the license was issued, lives at 850 Freeman Avenue, the Bronx. At this address we were informed by Mrs. Graham that her husband is employed in District Attorney Whitman's office. Mr. Graham is not particularly active in Mission work. He and his wife are members of a small group - Plymouth Brethren - which meets Friday and Sunday nights at eight o'clock and Sunday A.M. at eleven, at Gospel Hall, a room in an office building at 41 West 125th Street. During the summer months meetings are held out of doors. The Brethren have no officers. It was stated that no collections are solicited from outsiders.

Re Rev. H. M. Tyndall, People's Tabernacle.

The work of the People's Tabernacle was started on October 2nd, 1892, by Rev. H. M. Tyndall, a member of the New York Presbytery. The rapid growth of its Sunday School,

THIS IS A CONFIDENTIAL AND PRIVILEGED COMMUNICATION, INTENDED FOR THE EXCLUSIVE USE OF MEMBERS OF THIS SOCIETY

church services and missionary work necessitated several removals, and resulted finally in the erection of the present substantial church and parsonage at 52-56 East 102nd Street. At No. 58 is the Emeline York-Tyndall, a six story fire-proof hotel for self-supporting women, erected some three or four years ago, with pleasant accommodations at from $2.50 to $5. a week for 100 working girls. All this property - worth some $150,000 - is owned by the People's Tabernacle of New York City, incorporated in December 1898. Ownership and supervision are vested in a Board of seven Trustees.

The activities of the Tabernacle include the usual church services, Sabbath School, prayer meeting and Christian Endeavor. A sewing class, mothers' meeting and boys' club are also held. Extensive missionary work, both for the sake of religious propaganda and social welfare is carried on. Employment is often found and some relief given. During the summer open air meetings are held on Fifth Avenue. No collections are made at these.

The cost of its property has been contributed by local members, but largely by those outside interested in its work. A little weekly paper makes known the current needs. About half of the annual support, $2500 to $3000, comes from the people themselves - there is a church membership of about 400 - and the remainder from outside.

Mr. Tyndall is a man past middle age, earnest,

THIS IS A CONFIDENTIAL AND PRIVILEGED COMMUNICATION, INTENDED FOR THE EXCLUSIVE USE OF MEMBERS OF THIS SOCIETY

sincere and responsible. The work in which he exercises so large an influence and which he has been responsible in building up, represents a progressive effort to meet some of the social functions which,in the light of the new spirit of human welfare, the modern church is beginning to assume.

Referring to Rev. Christian Westermore of the Bethesda Lutheran Mission, address given 5 Water Street, we learn upon inquiry at that address, which is the Swedish Lutheran Immigrants Home, that neither the Bethesda Mission nor the Rev. Westermore are known to the people in charge. An address, 1410 Vyse Avenue, was given at which it was thought we might find him, but as yet we have failed to connect with him. Two letters - one by registered mail - sent to that address brought no response.

We shall be glad to notify you of any information which we may secure.

Yours respectfully,

Dear Sir:

Belated information enables us to submit to you the following facts regarding the Betesda Mission.

The Betesda Scandinavian Lutheran Mission, which is affiliated with the United Norwegian Lutheran Church, was organized about ten years ago. About four and a half years ago a large and suitable building with a capacity for seating five to six hundred people was erected at 22-24 Woodhull Street, Brooklyn. Here under the superintendencyof J.Haldorsen the mission work is carried on. Meetings are held three times on Sunday and three evenings during the week. A Young People's Society of about 300 members assists in the work. Norwegian is the language spoken and the effort is through the gospel and sympathetic treatment to reach some of the thousands of unfortunate and fallen Scandinavians living in the district.

Very sincerely yours,

DISTRICT ATTORNEY

March 30th, 1911.

UNOFFICIAL.

Hon. William J. Gaynor,

Mayor, New York City.

City Hall, N. Y. City.

Honorable Sir:-

I have had filled out and herewith enclose an application for a permit to hold public gospel meetings in the vicinity of 125th Street and Fifth Avenue. We have enjoyed this privilege for many years in this locality and trust you will grant us this privilege this Summer.

All the people identified with our Assembly are working men and women who devote one or two evenings aweek and Sunday evenings to the spread of the Gospel, endeavoring to fulfill the command, "Gc ye into all the world and preach the Gospel to every creature". No collections of any kind or under any pretense are taken up at these meetings, and they are undenominational, conducting their work along missionary lines.

If possible, we should appreciate a permit permitting us to change the location as the work necessitates, commonly called a "roving permit". We make it a point to

keep our gospel meetings orderly so that they are not an annoyance to anyone, and endeavor to show our appreciation of the privilege accorded us, rather than abuse it, and I might add that we endeavor to also to obey the injunction of Holy Scripture to "Pray for those that are in authority x x x that we may lead a peaceable life".

The writer is engaged as stenographer in the District Attorney's Office and has served for the past two years as stenographer to the Grand Jury of this County.

I cite these facts to assure you that we are not irresponsible, and trust that you will continue to us this long enjoyed privilege.

With great respect, I am, honorable sir,

Yours most respectfully,

Jane Graham
