ASSAULT IN THE FIRST DEGREE, Etc.  
(Sections 217 and 218, Penal Code).

0573

The People

vs.

Michael Corese.

Court of General Sessions, Part I.

Before Judge Cowing.

Thursday, February 13, 1966

Indictment for assault in the first degree.

Frank Marrino sworn and examined. I live 113 Mulberry Street in this city, on the 2nd day of February I saw the prisoner, he stabbed me twice, one stab here in the groin and the other in the leg, it was in the evening, about half past six when he stabbed me; the instrument now shows me, a butcher's steel is the instrument with which he stabbed me, the instrument went about an inch into the groin and about two inches in the leg, I did not do any harm to him, the prisoner is the man who did it.

Cross Examined. There were four men fighting but nobody was beating the defendant, I carry this cane because I cannot walk now without it, I went to the Tom's the next day after the stabbing and I came to this court every day the case was on the calendar, I see the gash in the defendant's forehead but I did not do it with a razor, I see the wound now in the back of his head but I did not see it then, I did not see him bleeding for I remained on the floor, I swear positively that I did not strike or cut this man before he stabbed me, I only got hold of him and told him to go out of the room.

Rosa Simona sworn. I live 113 Mulberry Street, the same room where the other man lives, in the same room where the complainant lives, I was in the premises 113 Mulberry Street on the 2nd of February when the complainant was stabbed; the one that was stabbed did not do anything to

0574

this man, only took his arm and told him to leave the room he was about to lead him out, to push him out and told him that he did not want any noise or any disturbance in the house, then the prisoner drew a knife and stabbed him. (The interpreter said, She calls it a knife.) The steel was shown her and the witness identified it as the instrument with which the stabbing was done.)

Micheal Simona sworn. I live at 113 Mulberry Street and remember the 2nd of February, I was just coming from work then, my brother-in-law, this man that got stabbed in the leg was lying on the bed, he got up and said, don't make any trouble and then the defendant pulled out a dagger and hit him. (The steel was shown and the witness identified it.) I did not see my brother-in-law have a razor or knife in his hand cutting the prisoner, if he had I should have seen it.

Andrea Beatrice sworn. I live at 113 Mulberry Street was there on the 2nd of February. I saw the trouble between the complainant and the prisoner, the complainant did not do anything to him only told him to leave the room took him by the arm to push him out of the room and the prisoner stabbed him with the steel, I live in the same house with the complainant, I occupy the same room with that lady who was on the stand, I am not married to her, I was home the whole of the day, there were four men in the room, six persons in all, we had about nine or ten pints of beer, but we were not much intoxicated, the steel does not belong to me, I did not see the complainant cut the

0575

defendant across the forehead with a razor, I did not do it, I did not throw the defendant down stairs, he went down stairs to call the police and intended to have us arrested.

John L. Kraneb sworn. I am an officer and made the arrest on February 2. I saw the complainant up in the room, he was sober and in his stocking feet, he was stabbed in the calf of the left leg and in the left groin, I saw the prisoner that day, he was intoxicated and had a gash in his forehead; he was standing at the corner of Mulberry and Canal Street and he came up to me and told me that he had been assaulted, I went to 113 Mulberry Street with the prisoner where he said this was committed and I asked him to pick out the man that struck him, he looked around the room and he could not tell me, then I saw the complainant lying on the floor and the people told me in broken English that the prisoner had stabbed this man and so I arrested him, the complainant could not tell me who had stabbed him, the prisoner could not tell me who stabbed him, he was pretty drunk.

Michael Corese sworn and examined in his own behalf, testified: I live 31 Front Street, Brooklyn, and am a laborer, I was invited by a man who lived at 113 Mulberry Street to go there and I went, I remained there half a day and we were drinking and playing some games. We had a dispute about the games and all at once they assaulted me and commenced to beat me with knives and razors and thrown down stairs. I swear that this steel is not mine, I got it from the hands of one of the witnesses

0576

I did not stab the complainant, I was beating him with a club, I tried to get away and I was cut in the forehead with a razor and received a wound in the back of the head, I tried to defend myself with the club.

Frank Farretta sworn. I live in 21st Street Brooklyn and know the defendant all his life time, he never had any difficulty with anyone that I know of.

The Jury rendered a verdict of guilty of assault in the third degree.
