City and County of New York, ss:

I, H a t t i e A d a m s, being duly sworn, depose and say; that I was born in Newburg in the State of New York and will be forty years of age in July next. My parents were highly respectable people. My father, a well known Police Officer, died of a cold contracted in the discharge of his duty at a fire, where his heroic conduct was highly commended.

I was a mere child when he died. At seventeen years of age I made what was considered at the time a most fortunate marriage, but which turned out otherwise. My husband, after a few years of our married life, commenced to treat me in the most brutal manner, and after a life of suffering and misery which I endured in patience for the sake of my mother and my husband's family connections, I obtained a divorce from him about twelve years ago on the ground of his adultery. Since that time I have had to earn my living and I have maintained my mother, an aged lady, now seventy-nine years of age whose only child and sole support I am. My said mother is very feeble and has no source of support whatever other than that she receives from me.

I most respectfully direct the attention of this Honorable Court to the fact that I have never been convicted

USA POLK COUNTY, FLORIDA.

I am to-day a poor woman. I have given up the premises Nos. 31 & 33 East 27th Street and removed therefrom all my belongings which consist merely of two trunks of wearing apparel. All the furniture in said two houses was bought on the instalment plan, and the furniture has been seized by the furniture dealers from whom I leased it. Although I have occupied the premises complained of upwards of three years no neighbor or resident in the neighborhood or passer by has ever complained of my premises as having been disorderly. I frankly admit the fairness of my trial, and have suffered great anguish of body and of mind, and as the result of the proceedings instituted against me.

I respectfully implore this Court to take into consideration the recommendation of the Jury which convicted me and extend towards me mercy and leniency. I have but one desire left, namely, to leave this City and go to my mother's home in Newburg, and there endeavor, by the labor of my hands to support myself and my aged mother, whose great age and feebleness foretell her approaching dissolution. I feel certain that the knowledge of my imprisonment would cause my aged mother's death, and that under the circumstances would be to me a more terrible punishment than any the law prescribes.
