S i r:-

Re-The Mayor forwarding anonymous
letter complaining about sidewalk
incumbrance at E. 4th St., and
Lafayette Street.

I have the honor to report the following in reference
TO ANONYMOUS COMMUNICATION, FORWARDED BY HIS HONOR THE MAYOR,
COMPLAINING ABOUT SIDEWALK INCUMBRANCE AT EAST 4th STREET AND
LAFAYETTE STREET:

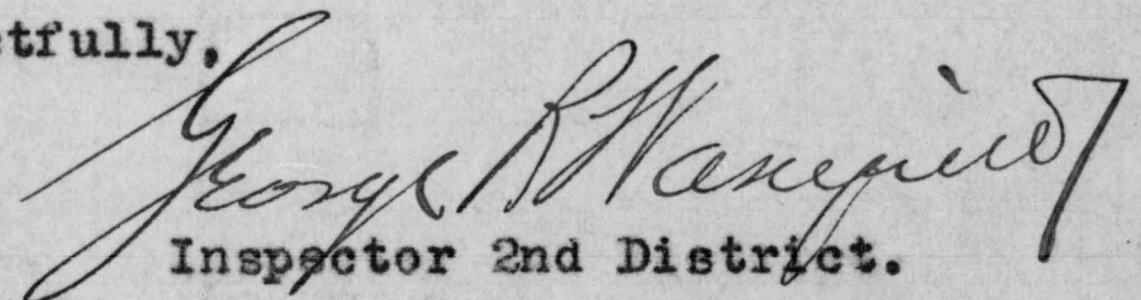

Location is within the 16th Precinct.

Commanding Officer of said precinct reports having
directed the Section Chiefs and Patrolmen on post to give the
matter of this complaint their especial attention, with the result
that there has been no cause for police action to date, however,
the matter will receive continued attention.

The writer could not be located.

I assume responsibility for the accuracy of the above
report.

Respectfully,

Inspector 2nd District.

Hon. Mayor Klumberg
City Hall N.Y.

Dear Sir,

I kindly wish to inform you that East fourth Street on the corner of Lafayette St. is used as a paper warehouse by the City rented the entire side walk to this party they could hardly use more space, and leave less for the people to walk past. for a distance of about 150 feet along 4th St. this party uses the side walk and there is hardly ten feet of space for any one

2
to walk, between 5 & 6 P.M. when
every one goes home, there must
be about 500 people walk through
E. 4th. as there is no street running
East or West between 4 & 8 St. so that
E 4 St. is used by thousands of
people, and then this party the
name is Hubbs & Co. use the side
walk to pile up papers, Rolls
Bundles, and use the heavy
hand trucks on the walk back &
forth.

They run into your feet, make
your clothes all greasy and
muddy.

I spoke to one of the men last
night, asking why they used so

much of the side walk and he said
he could use as much as he liked
and if I did not have room
enough to use the middle of
the street.

To use the middle of the street
is many times impossible as
4th St. is too narrow and the wagons
that pass through is very many
It is only a short time that
many of our city streets were
made wider so people could
walk and here is a firm that
transacts almost all its shipping
right out in the side walk so
people can hardly pass.

As I am employed by a firm
I am sorry I can not sign my
name, as I would not be able
to appear as witness, but I
write it as a citizen, and truly
ask you to investigate the
matter, and you will find it as
I state.

I think we ought to be allowed
at least $\frac{1}{2}$ the side walk to
walk on

Thanking you in advance
for the kindness

DEC 22 12 26 PM 1913

Sir:-

In answer to attached letter from Mr. Thomas O'Brien of #140 West 69th Street Manhattan, relative to having his pocket picked on a Flushing Avenue car on the evening of December 6th, 1913 I respectfully submit the following report.

At 9.30 P.M. December 12th, 1913 interviewed the complainant at his residence #140 West 69th Street Manhattan and obtained from him the following facts.

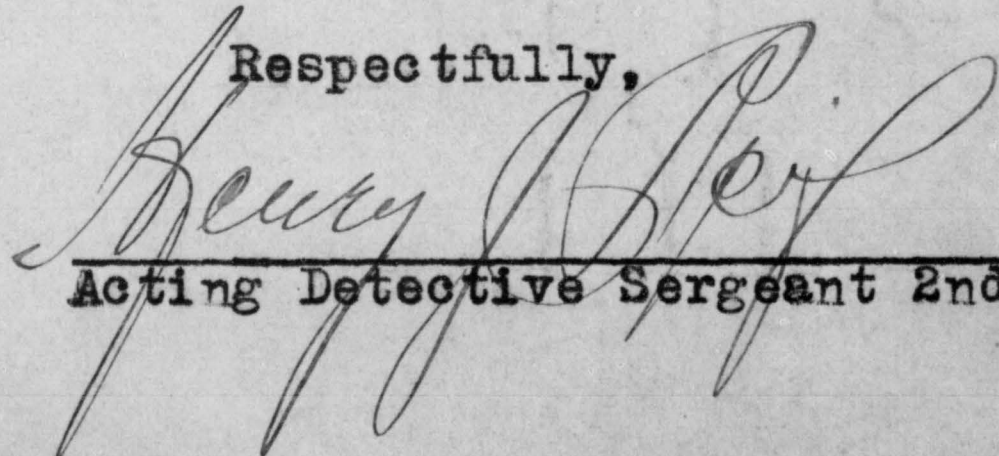

At about 5.30 P.M. December 6th, 1913 boarded a Flushing +Graham Avenue car at the New York end of the Brooklyn Bridge to go Flushing Ave. and Franklin Avenue, and while alighting from car one block before the desired street that I was to get off at, being told by the conductor that it was the right street, I was pushed and Jostled at the rear end of car, by three unknown men, and the sum of \$17.00 stolen from my right side trousers pocket.

I suggested to Mr. O'Brien that he meet me at 10.30 A.M. December 13th 1913 at the New York Police Headquarters which he did and after looking through the pictures in the Rogues Gallery failed to recognize any of the pictures as that of any of the men that had pushed and Jostled him on the evening of December 6th, 1913.

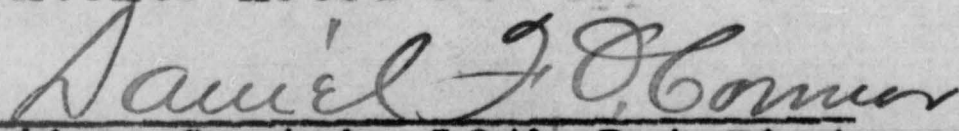

I informed the complainant that the cars of the Flushing Avenue line would be covered by the Detectives of the 157th and 159th Precincts with the purpose of apprehending persons found attempting to pick pockets, and if any persons are arrested for such an offense answering the description given by Mr. O'Brien, he will be notified, so that he will be given an opportunity to identify them.

Mr. O'Brien expressed himself as being well pleased with the attention and action taken by the Police, and stated that he wrote the letter to the Mayor in behalf of the Community.

Respectfully,

Dear Mr. Mayor,

About 5 30 p. m. on the sixth inst. with my wife and sister, I boarded a Flushing Av. car at Brooklyn Bridge. When we tried to get off at Wythe Av. four men took part in violently crushing and jostling all of us. One of them got \$17 from my trousers pocket. The conductor moved to the front of the car while we went out at the rear. I could identify the dark complexioned, forty-year old, derby-hatted fellow who signalled to the others. One of them is a very stout, florid man of about thirty years, (low-sized) Resistance under the circumstances would have been futile.

Respectfully yours

The POLICE COMMISSIONER,

S i r:-

In reply to attached PETITION signed LOUISE A. CALLAHAN, 660 Knickerbocker Avenue, ET AL, received from the office of HIS HONOR THE MAYOR, in which complaint is made of a DISORDERLY GANG IN THAT NEIGHBORHOOD, the following is respectfully submitted:

The location mentioned is within the 164th Precinct. The Commanding Officer of said precinct reports that immediately upon receipt of said communication, the Sergeants on patrol as well as the Patrolmen on post were instructed to give the matter special attention and to take immediate and proper police action if any violations of the law were observed thereat with the result that at 5.40 P.M. December 10th, 1913, two arrests were made at said location on the complaint of George Leiz, of 663 Knickerbocker Avenue, one of the signees, by Patrolman John J. Fox, #4444, of said precinct. Both prisoners were charged with Juvenile Delinquency, to wit, throwing stones, making noise and disturbing the peace, and the said prisoners were arraigned at the Children's Court and the case is still pending.

He further reports that no definite information could be obtained of the breaking of window glass with the exception that some windows had been broken some time in the past, dates unknown, supposed to have been done by some unknown boys. He further reports that all previous complaints received have received immediate attention with the result that the nuisance was abated, but was resumed at the time the attached complaint was made and that at no time have patrolmen been temporarily detailed to the vicinity with the exception of covering regular post.

He further reports that the signers of said petition were interviewed by himself, and also by Sergeants Herbert Perigo, #392, and Richard S. Quigley, #103, of said precinct and informed that their complaint was receiving proper attention with the result that they expressed themselves satisfied with the action taken and that the nuisance had abated.

Re.to disorderly gang in the

November 29th 1913.

The Honorable Ardolph Kline,
City Hall, New York.

Sir:-

We, the undersigned, respectfully petition you to direct the Police Commissioner to assign additional patrolmen to the vicinity of CORNELIA STREET AND KNICKERBOCKER AVENUE, Brooklyn, in order that our property situated in that neighborhood will be protected from the depredation of small boys of the vicinity who are in the habit of breaking the window-glass in our and other premises.

So annoying has this nuisance become that Insurance Companies, in several instances, have cancelled their policies covering the windows in our property.

We call your attention to the facts that previous complaints by us have resulted in temporary detail of patrolmen to the district, with a consequence cessation of the activity of these small boys while the policemen remained on duty, but upon the withdrawal of the detail, conditions became as bad as before so that we are now compelled to appeal to you for permanent police protection for our property.

December 23rd 1913, I interviewed the writer at his office #215 Rockaway Road, Jamaica, and he informed me that on December 5th 1913, his wife saw five unknown young men of whom she could not give any description acting in a suspicious manner in the vicinity of the Brierwood Estates, Jamaica.

The POLICE COMMISSIONER,

(Through Official Channels.)

S i r : -

In compliance with the first endorsement of attached communication of Warren Smadbeck to his Honor the Mayor, complaining of objectionable moving pictures at the Park Theatre, Columbus Circle, the following is respectfully submitted.

On December 12th 1913, Patrolmen Oscar A. J. Hague, Shield No. 8008 and Frank J. Oberle, Shield No. 1920 of the 4th Inspection District, visited the Park Theatre and witnessed the performance of the moving pictures exhibited therein. The patrolmen then appeared before Magistrate Ten Eyck, 7th District Court, and applied for a warrant for the arrest of the Manager of said exhibition. The Magistrate issued a summons for one Alfred T. Hamburg, manager, which was returnable December 15th 1913. On said date the case was adjourned until December 16th 1913, in order to give the Magistrate and others interested therein an opportunity to witness the moving pictures complained of, which was done on December 16th 1913.

The Magistrate after viewing the pictures, heard the statement of the officers and the defendant, and dismissed the case without a complaint being drawn.

The writer was interviewed by Captain John D. Ormsby, commanding the 26th Precinct, and informed of the action taken.

I assume the responsibility for the accuracy of the above.

City Hall - City -

Hear Sir. May I call your attention to what I feel is quite an unfair arrangement. For some time there has been running an all night entertainment near us. The patrons of this have their automobiles remain in 58th St between 8th & 9th Aves. These automobiles have their horns in frequent action & their engines running with mufflers open & the talking & laughing of the drivers, all these put together make a very serious disturbance to the householders & others who wish to put in nights sleeping. I have no objection to any kind of orgies these people may indulge in nor how long they keep it up, but I do think it is quite unfair to prevent me from sleeping. It is usually about 4 A.M. before the entertainment breaks up & the automobiles leave. Could you not somehow compel these people to make some other disposition of their automobiles during the night, say have them put in some garage or around Columbus monument or some place where their attendant noises will not disturb people who are trying to put in the night sleeping. It seems to me this is only fair. That they should not disturb the neighborhood while they are enjoying themselves. While they are doing so, they ought to allow us the privilege of enjoying ourselves even if we prefer sleeping to the kind of orgies that are carried on at these all night places. Hoping you will give this matter your prompt attention I am
Yours truly
David E. Sayre.
