The People } Court of General Sessions, Part I.
John Fitzgerald } Before Recorder Smythe.

November 7, 1884.

Indictment for assault in the first degree.

Francis Carlin sworn. I am an officer of the first precinct and was on duty on the 13th of October, I met the prisoner that night between twenty minutes past seven and twenty minutes of eight in front of 25 Bowery, I had my uniform on. There is a saloon on the first floor and a Chinese laundry in the basement; the defendant was sitting on a Chinese laundry sign leading in the hallway, I was afraid he would fall down the cellar and I went and woke him up, I went to shake him, I could not wake him and so I got hold of his ears and rubbed them, as soon as I did he hit me and I hit him back with my fist. A man standing at the door, halloed, look out for the knife, I jumped out of the way, he made a lunge of the knife, he hit me nearly across my buttons and I struck him with my club. This is the knife. (Producing it.) I do not know where he got it from, it must have come out of his pocket, I did not see any knife in his hand when I first saw him; he jumped up and ran and as he was running across the street, I followed him, he turned around on me again and as he did, I went to make a strike at him, he fell across the tracks of the Avenue car and while he was down I grabbed him by the neck and arm and I holloed to one of the witnesses to take the knife out of his hand. I took him to the Station House, he said he did not know what he did, he was intoxicated.

Cross Examined.

I am fourteen years and nine months on the police, I was afraid the man would fall down the cellar. I thought the

0171

man was in danger, I thought it was my duty to wake him up, he was making no noise or disturbance, I did not put my hand in his pocket when he was asleep, I swear positively I never laid my hands near the man until I got to the Station House, it was after he woke up that he had the knife, I did not ask him what he had in his pocket and he did not in response to my question take the knife out of his pocket; he was sober enough to run, in my judgment he was under the influence of liquor, I suppose he would have stabbed me only the man hollered to me that he had a knife. I did not tell the defendant to say to the Police Magistrate that he was intoxicated, I do not know the man at all and never saw him before. It looks like a sailor knife, the cut grazed my coat but left no mark upon it.

Charles Byrne sworn. I live at 409 East 16th Street and am working at 25 Bowery. I was there on the night of the 13th of last month and saw the officer wake up the defendant, I thought he was going to get away and he kind of made a little scuffle, that is motions to fight and during the time, I saw something glittering in his hand, I hollered to the officer, look out, there is a knife, that is all I seen of it, I saw the defendant asleep before the officer came sitting on a Chinese laundry sign, I saw no blows struck but I halloed to the officer, look out there is a knife.

Cross Examined.

I do not suppose the defendant knew what he was doing, it was after he stood up that he did this, the officer tried to ask him to go away and he kind of wanted to go for the officer like, the defendant looked as if he was bewildered, I did not see him strike the officer.

0172

Jacob Strake sworn. I live 25 Bowery, I saw the occurrence between Garlin and the prisoner on the night of the 13th of October, I saw the officer was running after a man and the man fell down, I think it was the second or Third Avenue cars were just comin from up town and the officer told me to take the knife off him, I wrenched the knife out of his hand and took the knife away from him and I kept it and the officer came back in a few minutes and I gave him the knife, I didn't see the man when he was sitting down and did not see the officer wake him.

John Fitzgerald sworn and examined in his own behalf. I live 320 Cherry Street and lived there two or three months, I am a sailor and shipped last on the William M. Beach. On the night of the 13th of October, I was sitting as that officer says, on that sign, with my hand on my face, he came along and shoved my shoulders and the next thing I felt was somebody going down my vest pocket, I kn d of shoved around and he went down to get at my pants pocket, I got up and looked at him and caught his hand and he hit me with a club, I turned round and did not say anything and he hit me in the face and gave me a shove with the club. So I started to go across the street and he started after me and caught me and asked me what I had in my pocket, he took hold of me by the shoulders, I put my hand and I took out the knife, the knife was open at the time, I was carrying the knife open, we always do it, it is liable to wash over the deck, I made no attempt whatev to stab the officer with that knife, if I had the least intention to stab the officer I could have done it very easily, I was never arrested in my life and am twenty-three years old, I had a little beer in and I went around to see a couple of

0173

friends. The officer said to me as we were going to the Magistrates , if I was you I would merely tell him that I don't know anything about it.

The jury rendered a verdict of guilty of assault in the third degree.
