Mayor Gaynor: —  
City Hall. N.Y.

Your Honor: —

In reference to the proposition of assessing half the cost on the tax-payers of the Borough of Queens for East River Park in Astoria I hereby make an earnest protest against this proposition. I think the entire City should pay for this Park as it has for other parks in other sections of the city.

Respectfully;

Mayor Baynor,

Dear Sir:

Having read article  
in Daily Star this even-  
ing informing the Tax  
Payers of Queens of the  
proposition now before the  
Board of Estimate provid-  
ing for the acquisition  
of East River Park in  
Astoria, on the basis of  
assessing half the cost

on the Borough of Queens, -  
I beg to express my  
utmost protest against  
such a proposition, as  
it would be very un-  
fair, in view of the  
fact that the City has  
in the past paid the  
full amount for parles  
in other sections of the  
City. Tax Payers should  
not stand any of the  
expense whatever.

Trusting this pro-  
position will not be  
favored, I am

Yours truly  
Joseph Plante.

Borough of Queens Nov 12 1912

To the Honorable Mayor  
Dear Sir

As an old time resident  
and Tax payer of Astoria B of Co  
I wish to add my protest against  
The City acquiring The East River Park  
as I consider it a waste of money  
especially since said park will  
be of no benefit to the small property  
owners who live in its vicinity as  
it has already become the dumping  
ground for the people on the east  
side of Manhattan who come over  
here every Sunday and holiday  
in the summer time and monopolize it  
and furthermore I think it  
very unjust to us small home

owners over here who are  
overtaxed already to have to  
shoulder fifty per cent of its  
purchase.

Trusting your honor as chairman  
will do all you can to prevent  
us from being saddled with  
this unnecessary expense.

I remain yours

Respt.

Dear Sir ;

As a land owner and tax payer I desire to enter my protest against the levying of a tax solely in the Borough of Queens for the proposed East River ~~BRIDGE~~ Park. It is self evident that a park is not a local institution, it is a benefit to the entire city. It is for the enjoyment and benefit of all. and not destined solely for the residents of Queens. The chances are that the residents of Manhattan will visit and enjoy the privileges of the park to a greater extent than the residents of Flushing, Far Rockaway etc. all in Queens.

The imposition of such a tax on a fraction of the city and not on the whole city would be an injustice to many.

Very Respectfully Yours,

Dr. Gustave M Meyer!

November 13th, 1912.

Hon. William J. Gaynor,  
New York City.

My dear Sir:-

At a recent meeting of this Association particular attention was paid to the proposition before the Board of Estimate and Apportionment providing for the acquisition of East River Park in Astoria; and more particularly, to the fact that it is proposed to assess one-half of the cost of same on the Borough of Queens.

This Association desires to go on record as protesting against the levying of an assessment of one-half of the cost of same upon the Borough of Queens and we feel that you, as Chairman of the Board of Estimate and Apportionment, will seriously consider a proposition which will be an advantage only to certain sections of the Boroughs Queens and Manhattan and at the same time affect the pocketbooks of many poor over-burdened tax payers throughout the entire Borough.

We believe the money that is proposed to be used in the acquisition of a river front park would be of more material advantage if it were used to purchase property for other public purposes.

We again beg to voice our protest against the acquisition of said East River Park and against an assessment of one-half the cost upon the Borough of Queens, where in other cases the assessment for improvement has been borne by the city at large.

I am,

Yours respectfully,

Secretary.

Hon. Wm. J. Gaynor;

City Hall, New York City;

Dear Sir,

We , as taxpayers, of Queens Borough, desire  
to protest against placing the burden of 50% of the cost  
of the proposed East River Park on the Borough of Queens

We believe that the City of New York as a whole should  
assume that burden, as the people of Manhattan will be as  
much benefited by said park as we will.

Yours Respectfully,

Gentleman:—

In reference to the proposition of assessing half the cost on the tax payers of the Borough of Queens for East River Park in Astoria, I hereby make an earnest protest against this proposition.

Dear Sir:—

I protest against the increase of <sup>this</sup> ~~taxes~~ for we do not need any more parks. This park would never do us any good. And Queens Borough should not be taxed for a park in Manhattan. This is an outrage to tax us for that park and I do not think they have any right to put such a tax on us. Yours Truly,

Dear Sir:

Referring to the proposition to establish the East River Park, in Astoria, in Queens, on the basis of that Borough paying 50% of the cost, the citizens of Winfield most emphatically enter protest against such departure which is a discrimination against the Borough of Queens. This park is available only to a small portion of the inhabitants of the Borough of Queens by reason of its location, and when it is considered that the expense of establishing parks in other Boroughs was borne by the City at large, the injustice of such proceeding is apparent.
