MIRIAM DELISOR  
OFFICIAL STENOGRAPHER

J O H N J. K E E L E Y, called as a witness,  
being duly sworn, testified as follows:

BY MR. STERN:

Q Give your name, shield and assignment,  
officer.

A Detective John J. Keeley, Shield 1568, Manhattan  
North Homicide Squad.

Q Detective Keeley, did there come a time on  
March 3, 1965 when you interviewed a man who identified  
himself to you as Thomas 15X Johnson, at the 24th Precinct  
Station House?

A Yes, sir, there was.

Q Now I direct your attention to the four  
photographs which are on the table before you, marked  
Grand Jury Exhibits, 1, 2, 3 and 4, and I ask you whether  
or not you see any photographs of the man who identified  
himself to you as Thomas 15X Johnson on that table?

A Yes, there are two.

Q Which exhibits are they? You are indicating  
Grand Jury Exhibits 1 and 4, is that correct?

A Yes, sir.

Q At that time did you ask Thomas 15X Johnson

Keeley-9

whether or not he was a member of the Muslims?

A Yes, sir, I did.

Q And what did he say?

A He said he had been a member for several years.

Q Did you ask him his opinion on Malcolm X?

A He said when Malcolm was in the Mosque 7, which is on Lenox Avenue, that he admired Malcolm, he thought highly of him, but after Malcolm left Mosque 7 and started his own group, as he put it, defected from Mosque 7, he didn't care for him any more, he thought he was a traitor to the cause of Elijah, and in general he just didn't have any opinion whatsoever of Malcolm any more, he had vanished from the mind.

Q Now, did you ask him if he knew a man named Norman 3X Butler?

A Yes, sir.

Q What did he say?

A He said he knew him for ~~approx~~ approximately two years from the Mosque 7.

Q And among other questions that you asked him, did you ask him where he had been on February 21, 1965?

A He said he had spent that day, that Sunday, home alone

in his house, with his wife and his four children, and he listed their names and addresses, which I have on my notes. Names and ages, excuse me.

Q I am sorry?

A Names and ages, I meant to say.

Q Did you ask him whether anybody else was present in his house that day?

A He said no, it was just he and his family, and they were watching television.

MR. STERN: Thank you very much, officer.

THE FOREMAN: Thank you, officer.

# WHY HAVEN'T Brother Malcolm's Accused Killers been brought to trial ?

BROTHER MALCOLM WAS KILLED NINE MONTHS AGO BEFORE A CROWD OF SEVERAL HUNDRED PEOPLE AND THE NEW YORK CITY UNDERCOVER POLICE—YET THE DISTRICT ATTORNEY AND THE NEW YORK CITY POLICE DEPARTMENT, AFTER QUESTIONING HUNDREDS OF WITNESSES AND GOT AN INDICTMENT OF THE ACCUSED FROM THE GRAND JURY, STILL HAVE NOT SET A DATE FOR TRIAL.

AMSTERDAM NEWS

# HARLEM WANTS TO KNOW!

It was reported by the New York World Telegram and Sun on March 3rd that the Police Department stated:

"They had solved the case" of Malcolm X's Murder. Why, after six months, has there been no trial and only official silence by the District Attorney and the Police Department? On August 11th it was reported by the New York World Telegram and Sun: "Five months ago the three men accused of killing Malcolm X were arrested. Today they are still in the Tombs waiting for a murder trial—a trial one defense lawyer believes may never take place." If the case is "Solved", as stated by the Police Dept. on March 3rd, Why is it that now the trial "may never take place"? What are the District Attorney and the Police Department up to? It was further reported by the Herald Tribune that the Police Department had several "Under Cover Agents" on the scene when Malcolm X was murdered. Now it is reported that the Police Department claims that its informer is "Dead". We find this inexplicable and wonder if there is more to the case than meets the eye. For example: Would an open trial of Malcolm's alleged killers prove internationally embarrassing to the United States? Does Malcolm's murder have international implications? Is the District Attorney trying to wait until the public has lost interest and his evidence is no longer admissible? In cases where Negroes are involved, the Police Department always exercises extreme pressures and diligence to bring the accused before the bar of Justice.

Why have they not acted with equal dispatch in the case of Malcolm X?

# HARLEM WANTS TO KNOW!

Whoever killed Malcolm must be brought to Justice! Now!

It is of such concern that the citizens of Harlem are demanding an inquiry. It is of such concern that the Malcolm X Inquiry Committee was organized, to raise the questions and demand answers.
