As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

The prisoner was in my employ and he was a hard working young man. He got the harness in question from my stable man to undertake a moving job personally as I am infirmed. In doing this job there was a break down near Williamsbridge and in his extremity the prisoner gave the harness to a neighboring farmer for \$500 with which to get back to New York and have my assistance. The harness has since been restored to me and in view of these facts and as the defendant is respectable connected I desire to withdraw my
