The People  
vs.  
Thomas Tane.

} Court of General Sessions, Part I  
} Before Recorder Smyth.

October 23 1885.

Indictment for burglary in the second degree.

Margaret Holmes sworn. I live 151 Liberty Street in a tenement house on the first floor of the rear building, my husband occupies the room with me, there is no door to the bed-room, we go through the kitchen door into the street, I know the defendant for the last two years and was in the habit of seeing him often I recollect the night of the 6th of October when he was in the room; we went to bed a quarter past nine o'clock, my husband and I and the doors were locked, we had household furniture and clothes there, the clothing was in the trunk in the bed-room. Between three and four o'clock in the morning I was awakened by a noise, I got up on my knees in bed and grabbed at the prisoner, I caught him by the neck but he was too quick for me, he scratched my husband, I saw him go out of the front door, he had the lock taken off the front door, he went through the door into the hall and got away; he had the trunk open when I saw him and it was shut when I went to bed but not locked; there were quilts on the top and they were moved off, he got in through the window; the next time I saw the prisoner he was brought in by the detective on Tuesday night, I identified him as the man who was in the room; the wearing apparel was worth five dollars but I know he did not want that.

Cross Examined. The door was not broken but the lock was turned. I saw the defendant's face in the room

that night: there was a kerosene lamp on the table which gave light enough for me to see him. I was not drunk that night. I told the detective to arrest Thomas Tane and no other man but him, I said I found a pair of shoes and a hat in the hall under the bed room window but I could not say they were his.

Patrick Holmes sworn. I am the husband of the last witness and live with her at 131 Liberty Street, I remember the night of the 6th of October, I went to bed about nine o'clock; the doors were locked and the windows were down but no bolt on that night, I was awakened by my wife hollering that there was a man in the room, Tom Tane jumped and he got out of the hall, I went after him, he came in through the window lofting it up outside, he unlocked the door inside and came into the room, I did not see him in the room, I saw him going out and followed him the hall was dark and I could see no more of him..

Patrick T. Feeny sworn. I am an officer of the 27th precinct and arrested the defendant about nine o'clock on the 6th of octobr on the complainat of Mrs. Holmes on the charge of entering her room. I brought him in the hallway with another officer and I left him stand outside and she did not see his face at all, I asked who was in there that morning and she said Tom Tane, I asked her if she would know him if she saw him and she said yes. I had him come in and she said that was him. S'e said, you had no right to come in here.

The Case for the Defence.

Thomas Tane sworn and examined in his own behalf.

I live 203 Washington Street. On the night of the 6th of October I was with a party named McMahon, I met him down in Greenwich Street about half past ten, we took a walk up as far as Harrison and West Streets and coming down we went into a beer saloon where they were playing pool, we were waiting to get a chance at the table and we had a few glasses of beer; we came outside and I fell asleep and McMahon staid till morning with me he woke me up about five o'clock and I went away. McMahon was going up home with me, he said he was locked out and I said, it is no use of me going in and waking up my people at this hour of the night, I wont go up to disturb them and we said we would walk around and pass the night away, I was never arrested or convicted of any crime; the testimony given by Mr and Mrs. Holmes is false, I was not in the neighborhood of their house at three o'clock on the morning of the 6th of October.

Cross Examined. I worked three years for George P. Simonson in the wholesale liquor business, McMahon lived in Washington Street, I knew Mr and Mrs. Holmes before, I had been in her house last election night I was arrested the night after the alleged burglary two or three doors from the complainant's house, I am twenty-two years old.

William E. McMahon sworn. I live 79 Washington Street and re-member the night of the 6th of October, I was with the defendant all night, I met him

STATE OF NEW YORK,

County of New York ss. :

Edmund S. Wilson, being duly sworn, deposes and says :  
That he resides in the 55 Irving Street of the City of Brooklyn in the County of Kings and State of New York, and is 30 years of age,

and is an expert appointed by JOSIAH K. BROWN, New York State Dairy Commissioner ;  
That on the 19th day of September, 1885, in the

of Storo occupied by him, No. 622 Hudson street, in the City of New York in the County of New York and State of New York, one John J. Carlton,

against the form and statutes in such cases made and provided, and in violation thereof, and against the peace of the people of the State of New York, had in his possession, with intent to sell the same for Butter made from unadulterated Milk or Cream, a number of pounds of a substance, product, manufacture and compound, which was not Butter made from unadulterated Milk or Cream, but had been made by manufacturing, mixing and compounding with and adding to a small quantity and proportion of natural Milk, Cream or Butter a large quantity and proportion of animal fats or animal or vegetable oils, and was a manufactured oleaginous substance not produced from Milk or Cream ; that it had been and was colored with some coloring matter whereby the same was made to resemble Butter, the product of the Dairy, and was so colored thereby, in semblance of and resembled Butter, and did resemble Butter

*the product of the Dairy ; that the said Carlton did allow Charles A. Quindell his agent, servant and employee in said premises to offer said substance and said employee agent and servant offered said substance, product, manufacture and compound for sale as and for Butter made from unadulterated Milk or Cream at such time and place, with intent to sell the same as and for Butter made from unadulterated Milk or Cream, and did sell some considerable portion thereof, to wit, 1/2 pounds*

as and for Butter, the product of the Dairy, and represented the same to be Butter at such time and place ; that the said substance, product and compound was not natural Butter produced from pure unadulterated Milk, or Cream of the same, and was not Butter the product of the Dairy, and was not made exclusively from Milk or Cream, or both ; that it contained some substance for the purpose and with the effect of imparting thereto a color resembling that of yellow Butter, and was in imitation and semblance of natural Butter produced from pure unadulterated Milk or Cream of the same, and was colored by some substance to resemble yellow Butter, and was in semblance of natural Butter ; that the same was a substance known as Oleomargarine ; that it had been made, manufactured and rendered after April thirtieth, 1885, out of some animal fat, or animal or vegetable oils not produced from unadulterated Milk, or Cream of the same, in imitation and semblance of natural Butter, produced from pure unadulterated Milk, or Cream of the same, by mixing, compounding with and adding to a small quantity of Milk, Cream or Butter a large quantity and proportion of some animal fats or animal or vegetable oils not produced from Milk or Cream, with design and intent to render, make and produce an article, substance and human food in imitation and semblance of natural Butter. That the same was not manufactured, or in process of manufacture on April thirtieth, 1885, but has been rendered, manufactured, compounded and mixed since April thirtieth, 1885, as deponent is informed and believes

~~That the tubs in which the same was contained did not have the words "Oleomargarine Butter" upon the top or side thereof, and such words were not burned in or painted thereon with permanent black paint, in a straight line not less than one half inch in length, where deponent could see such brand ; that no printed label, bearing the words "Oleomargarine Butter," was delivered therewith to the purchaser thereof.~~

Deponent further says that on said 19th day of September, 1885, he went to the said Storo of said New York in said City and County, and told paid Quindell that he wanted to buy some Butter ; that said Quindell

~~showed deponent a number of pounds of the said Oleomargarine hereinbefore mentioned,~~ offered the same to deponent for sale, and sold the same to deponent ; that he so sold to deponent 1/2 pounds thereof, and deponent then paid to him therefor the agreed price thereof, amounting to the sum of \$ 0.10 ; that, as deponent believes and charges, the said Quindell at the time of so offering and selling the same, well knew that it was Oleomargarine, and had been manufactured and colored as hereinbefore stated ; that he did not tell deponent at any time that the said Oleomargarine so sold to deponent was not Butter, the product of the Dairy ; that deponent saw the tubs in which the said Oleomargarine was contained, and no printed label bearing the words "Oleomargarine Butter," was delivered by said Quindell

to deponent with the Oleomargarine sold to him ; that on the 21st of September, 1885, deponent delivered a sample of such Oleomargarine, so purchased by him as aforesaid, to Charles M. Stillwell a chemist of the city of New York N. Y., and caused the same to be analyzed by such chemist, as shown by the annexed certificate of such chemist.

Wherefore, deponent prays that a warrant may issue for the arrest of the said Edmund S. Wilson and that he may be dealt with as the law directs.
