The People vs
on the Complaint of
Sophia Lick } Rape
vs
Louis Moller }

City and County
of New York }

vs:-

Sophia Lick being duly
sworn and examined deposes and
says, as follows: -

Q. What is your name, age,
residence and business?

A. My name is Sophia Lick, age 11
years and a half, residence No.
45 Livingston Street and I help my
mother work.

Q. How long has Mr Moller been
living in that house?

A. I think six months.

Q. Where is his room?

A. In the back, top floor.

Q. Where is your mother's room?

A. In the front, on the same floor.
The room Mr Moller occupies is
a hall-room: the door of Moller's
room leads into the hall and so does
the door of my mother's room.

0712

I went to Nollers room on last Monday morning to wake him up. I knocked on the door and the door was locked. ~~As~~ I called that it was time to get up. He then opened the door and came out to the hall and dragged me in. He took me by the arms ^{by both hands}, and took me in the room and shut and locked the door. He let go of me to shut the door. I told him I wanted to go out. He said no. I was crying. He was undressed. He put me on the bed. He had nothing on but an under shirt. I did not scream. I was crying. I ticked him and he told me to shut up and promised me ^{and has not given me anything} everything. He held me on the bed with both hands. He did not put his hands over my mouth. He put up my clothes holding me by one hand. I ticked him down. While I was on the bed he stuck that long thing into me. After he got there I asked him to give me what he promised to me and he would not do it and he told me to go down stairs. I did not go down

0713

Then I went into my mother's room. I did not tell my mother anything I was afraid she would hit me. I went to his room on Thursday and told him to get up and drink coffee. He pulled me in the room from the hall again. He pulled me in the room and put me on the bed. He did ^{not} lock the door - he shut it. He told me I should pull up my clothes and I did so. He told me to take hold of his long thing but I would not do it. He touched my private parts with his hand. He was about putting his thing into me when my mother came into the room. I then stood up on the bed. I got out of bed and my mother gave me a slap; and I went out of that room and into my room. My mother scolded me and told me if Mr. Fuller took me in bed again I would get an awful whipping. I did not tell my mother then that I had done anything before because I was afraid. I told Miss Schilling about what Mr. Fuller

0714

had done to me and she went and
told my mother. I would have told
my mother whether Moller had given
me what he promised or not. I did
intend ^{to tell} my mother but I was afraid
and so I told Miss Schilling so she
would tell my mother. My mother
told me to tell the truth in court.
she did not tell me to say anything.
Mr Moller has a trunk in my
mother's house. He has a great
many furs in his room.

On Monday morning the girl did
not wake me up at all. Her
mother Mrs Luck woke me up.
Mrs Luck came into the room and
said it is very late already.

Five minutes after she left room
I got up and a friend of mine
came and took breakfast with me
in Mrs Luck's room. We both left
the house together. The girl was
not in my room that morning.
My friend's name is Ofor.

On Thursday morning Mrs Luck
came and woke me and I did
not get up because I was very tired
and was half asleep. A little while
after the girl, Sophia, came into my
room and called to me that the
coffee was ready. Sophia asked me
for five cents. She was in the habit
of going to pockets and taking pennies
out. For that reason I had placed my
pocket book under my pillow.

0716

She then jumped on my bed and put her hand under the pillow. I believe she was looking for the pocket book. As she was standing on the bed near the wall her mother came in. When she saw her mother she jumped over me and on to the floor, when her mother pushed her out of the room. I then got up and went to Mrs Luck's room and eat my breakfast and while at breakfast Mrs Luck said I should never allow the girl to be on the bed. I then went to my business and returned in the evening between 9 and 10 o'clock. The next morning Mrs Luck came to my room and told me to get up as there was a policeman there ~~was~~ for me. Mrs Luck owes me five dollars. I have sold furs lately. ~~My~~ ~~business~~. Mrs Luck interfered with individual transactions in selling furs. I have no valuable property. My friend called on me on last Monday morning a few minutes after half past seven

and myself ^{on Monday morning.} eat breakfast together. Nothing was
said to me about any trouble until
Friday morning. On Monday morning
Mrs Luck called at about half past
seven o'clock.
