The situation in which the  
Complainant found himself  
in a body of men's myth  
will be one in which he  
could be mistaken both  
as to the motive & identity  
of the assailant. He says now

I recommend the deft's

Nathan Zunder and  
Abraham Vertig defendants

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself.

There had been a strike among the bakers for three days at corner of Essex and Hester streets a crowd of over a thousand people had congregated about said corner and I was struck on the back of the head I caused the arrest of the defendants but I cannot swear positively that they were the persons who struck me.
