BRIEF FOR THE PEOPLE.

JOSIAH WALKER.

STATEMENT OF CASE.

Josiah Walker, aged 61 years, is charged with the crime of Rape, in having on the 11th of December, 1891, in the loft over his premises, Nos. 511, 513 and 515 West 35th St. perpetrated an act of sexual intercourse with a female child, not his wife, and under the age of 16 years, - to wit, with one Rosa Waltenberg then and there of the age of 11 years.

Rosa, who lives at 533 West 35th Street, has known Walker by sight for about 3 years. He began to talk to her about a year ago, giving her pennies and asking her to come and see him. At first, he acted well and kindly towards her. Then he tried to feel her privates, and finally laid her down in the loft and attempted intercourse by putting his penis between her legs.

On December 11th, 1891, defendant succeeded in having actual sexual intercourse with Rosa in his loft in the presence of two other children, named Kate Buckley and Maggie Gledhill, who will testify to what they saw.

WITNESSES:

- 1 Rosa Waltenberg,
- 2 Kate Buckley,
- 3 Maggie Gledhill,
- 4 Mrs. Kate Waltenberg,
- 5 Dr. W. Travis Gibb.

ROSIE (or ROSA) WALTENBERG, aged 11 years, living with parents, Philip and Katie, at 533 West 35th Street, will testify:

"That she has known Mr. Walker the defendant for about three years, having seen him standing around his office but that she did not know him to speak to until about one years ago, when he met her on the street, gave her a penny and asked her to call and see him. That she went to see him twice and that he behaved well. That on the third occasion she called on him, he put his hand under her clothes but did not touch her privates because she wore drawers buttoned on the side. That the fourth time she called there, he again put his hand under her clothes, and then laid her down and had sexual intercourse with her, -- or at least, laid her down, lay on top of her and put his privates between her legs so as to touch her private parts. That at this time he lay on top of her for about five minutes, and that when he got up she was wet between her legs. That she did not desire to do this, but that defendant said he would not hurt her. That sometime after this he again met her on 35th Street and 10th Avenue, induced her to go with him to his stable, laid her down in the hay loft there, lifted up her clothes and had sexual intercourse with her. That after this, she went to Walker's place regularly, being sometimes alone and sometimes with Kate Buckley. That before she made her "first confession", eight weeks ago, she had had sexual intercourse with Walker

LIFE BECAME

at different times.

That on December 11th, 1891, witness was standing across the street from Walker's office with Kate Buckley, when defendant who was standing by his office window beckoned to her to come over. That they went over and into Walker's office. That there was no one else in his office. That when they entered he said "I want you to go upstairs and give me a little piece". That they then went upstairs into the loft, where the hay is, and that he followed closely. That after they had entered the loft, defendant locked the "large brown door" by which they had come in. That he then went over to her (Rosa) and said: "Now give me a little piece, or I will not let you go out". That Rosa then lay down. That defendant lifted up her dress, unbuttoned her drawers, opened his pants and had sexual intercourse with her. That after he got through with witness, he went over to Kate Buckley, who was laying down, lifted up her dress and had sexual intercourse with her. That just as defendant was through with Kate, Maggie Gledhill came upstairs; and that defendant then said: "Come here Maggie". That Maggie went over to him, and that he tried to put his hands under her clothes and asked her to give him "a piece"; but Maggie would not. That he then gave Maggie five cents; and, upon her asking for 10 cents more, he gave her 10 more cents. That defendant then went over close to Kate Buckley. That after this all went downstairs, where Kate Buckley told witness that Walker had given her a dollar and she would give her 50 cents of it. That witness and Kate then went and got a pound of sausages and change for the dollar and then went home. That Maggie went with them to the corner, got a couple of oranges and then left.

WITNESS admits having had sexual intercourse about a year ago with one James Kiernan, a boy 12 years old, living in the same house also with another boy, one Thomas Green, residence unknown, about two years ago; and as well with her two brothers, John and George, at home one Sunday, about a year ago, when her parents were out. Witness states, however, that no one of them ever hurt her or "had come into her" in any way.

WITNESS further states: That, on one occasion, when she and Kate Buckley went into Mr. Walker's office, ^{Kate} her sister, ¹² Nora, 12 years of age, saw them go in and came after them and made them come out again.

KATE BUCKLEY, aged 9 years, living with parents, Daniel and Katie, at 534 West 35th Street, will testify:

That on Dec. 11th, 1891, she stood with Rosa Waltenberg across the street from Walker's office; that defendant was standing near the window; that he winked to them to come over to him; that they went over and that he said: "Come up, - I want ^{you} to give ~~me~~ a little piece." That they went upstairs and that he followed them closely; that after they had entered the hayloft, he (defendant) locked the door, "a large brown door"; and that defendant then said to Rosa: "Lay down and give me a little piece, or I will not let you go out!" That Rosa lay down; that she saw Mr. Walker lift up Rosa's dress; and that he then unbuttoned her drawers and had sexual intercourse with her. That when defendant had done with Rosa, - he came over to Witness; that she lay down; that he lifted up her clothes, unbuttoned her drawers and had sexual intercourse with her. That when defendant was through with her, Maggie Gledhill came upstairs. That defendant went over to Maggie, put his hands under her clothes and asked her if she wanted a penny. That she said "Yes" and that

... of December 11th, 1891, ...
at ...

defendant gave her five cents, and that then Maggie drew away from him. That defendant thereupon asked Maggie to give him a piece. That she refused and asked him for 10 cents more. That defendant gave Maggie 10 cents more. That defendant gave Witness a dollar bill. That they all went downstairs, and that Maggie bought some oranges. That Rosa got a pound of sausages and she (witness) got change for the dollar and gave Rosa 50 cents. That they then went home.

WITNESS further states: That she knows Mr. Walker about as long as Rosa does; that previously to Dec. 11th, 1891, she had been in Walker's office many times and had sexual intercourse with him but cannot remember the dates. Also that defendant, Walker, is the only man, or person, she ever had sexual intercourse with.

MAGGIE GLEDHILL, 11 years old, living with parents, Josiah and Lilitia, at 529 West 35th Street, will testify:

That on Dec. 11th, 1891, while passing Walker's stables, she went upstairs and entering the hayloft saw Rosa Waltenberg, Kate Buckley and Mr. Walker there. That the top button of defendant's trousers was unfastened, and that defendant tried to button it. That he then came over to her, put his hands under her clothes and asked her to give him a piece. That she refused and asked him for a penny. She then saw him go over close to Katie, previous to which he had given her (witness) 15 cents. That then they all went downstairs. That she went over to 10th Avenue, bought 15 cents worth of oranges and then went home.

Mrs. KATE WALTEBERG, mother of Rosa, will testify to the age of the latter.

DR. W. TRAVIS GIBB will testify to making a physical examination of the girl, Rosa Waltenberg.

To His Honor

Judge Fitzgerald:

During the two months I have been in the Tombs I have formed a resolution to change my way of living; to be honest and industrious for the balance of my days, and while I have enough sin left to do something for myself.

Every day I pass in prison only helps to enfeeble me, and does not add one bit to the consciousness of my own stupidity in not having made this resolution earlier. My trade is boot and shoe laster, and this is the time of year that lasters are in great demand, and I would have no trouble finding work in any of the shoe towns of New England.

I appeal to your Honor for clemency on the above grounds, and if, hereafter, I should show my face in any of these courts, I shall consider myself entitled to all the honor might call for.

Very Respectfully
Chas. H. Walsh.

Your Honor, I plead guilty to petit larceny on Tuesday 26th, and for sentence on Friday 29th.
