The District Attorney is of opinion that it is a case for clemency, & I personally think that if defendant be leniently treated, he will become a useful member of society.

PEOPLE ON MY COMPLAINT,
VERSUS

Harry M. Jones

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself, but solely for the purpose of trying to save him to himself and to his family. The defendant prior to coming to my employ, as near as I can learn, always bore a good name & character. He is of excellent family & has a young wife & child and an aged mother (his father being dead) dependent on him for support. From all I can learn, the defendant has been sorely punished already & I fully believe justice will be served by granting the leniency here asked by me, and by so doing I trust this young man may be saved from ruin.
