Injury & Property

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. I have known the Defendant for a long time - he has been in the habit of coming in to my place, where I keep a liquor store, - He was drunk & under the influence of liquor and was set on to commit the offense by other people - I am satisfied the Defendant would do nothing wrong if he had not been led and advised to do so - I hope the utmost leniency will be extended to him
