: Before Hon. RAN-

 : and a Jury.
 :

Indicted for burglary in the 3rd degree.

APPEARANCES : For the People Assistant District At-
torney Vernon M. Davis.

TIMOTHY J. McGAREY, a witness for the People, sworn, testified:

I live at 155th street and the Southern Boulevard .
I am employed by Mr. Zerzog. He has a stable at that place
in the 23rd ward two stories high. On the 26th of September
1892 the stable was properly locked up and closed
for the night. The following morning a small door was found
broken open and a set of harness belonging to Mr. Zer-
zog was gone.

GUSTAVE ZERZOG, a witness for the People, sworn, testified:

I left a set of harness in the care of the last witness. They were missed from my stable. On the 27th of September I saw this defendant. I also saw my harness in the Police Court and identified it. I do not know the defendant and never saw him in possession of the harness.

EDWARD WOOD, a witness for the People, sworn, testified:

I am a police officer attached to the 33rd precinct. I arrested this defendant on the 27th of September about half past ten o'clock. at 149th street and the Southern Boulevard. A woman gave me some information in relation to him. I saw the harness lying in the area way of this woman's house. At the time I discovered the harness there was nobody around. I waited at the place an hour and a half. I saw the defendant come and go where the harness was. I then arrested him. He did not speak to anybody. He was right close to the harness at the time I arrested him, but I did not see him touch it. I asked the defendant where he got the harness and he said a milkman gave it to him to mind for him /. I asked him if he knew there had been a burglary committed in that neighborhood and that set of harness had been stolen; he said he did not. He said he did not steal this harness.

CROSS EXAMINATION:

There was another officer present. The defendant did not manifest any disposition to resist me at all when I arrested him. He told me he was a Frenchman and did not speak much English. I could understand him.

JOHN GIBSON, a witness for the People, sworn, testified:

I live at 149th street and the Southern Boulevard. On the 26th of September I saw this defendant near my house in the morning between five and six o'clock. He came to see me in reference to purchasing a horse. He agreed to buy the horse for \$125. He offered me a check and I would not take it. The defendant had a set of double harness with him at the time. He went away.

DELIA GIBSON, a witness for the People, sworn, testified:

I saw the defendant about the 27th of September. He came and made inquiries if our house was for sale. I showed him the house. Then he wanted to know if we had a horse for sale. I took him out to the stable and showed him a horse that my husband had for sale. He offered to buy it but I told him to wait until my husband came home. The following morning I saw him in our yard about five o'clock in the morning with some harness. He had it in our butcher cart in the yard. I then saw him go with the harness and put it in the area way. I then informed Officer Wood of what I had seen this man do. The officer waited until the man came back to get the harness and then arrested him.

CROSS EXAMINATION:

It was on the morning of the 26th that the man came to ask to see our house. There was a bill on the house that it was for sale. I am positive that it was in our wagon that I saw this man with the harness. He went next door where a French family live and put it in the area way. I have two sons. They were in bed at the time I saw this man in the wagon in the yard.

FERDINAND SUSTRAE, a witness for the People, sworn, testified:

I live at 159th street and Southern Boulevard. I saw the defendant on the morning of the 26th. He said "I bought some harness from Mrs. Gibson and took the liberty of leaving it in your area way". The officer then arrived and arrested him. It was a double set of harness.

D E F E N C E .

HOHN STONE, a ~~xx~~ the defendant, sworn, testified:

I am 58 years of age. I am in this country since 1876. I live at Stony Point on the Hudson. I am a coachman by profession. In September I was in the produce business at Stony Point. I came down to New York on the boat with soeme of my stock to the market. I am a farmer. I started and walked up from down town to the Southern Boulevard. I wanted to try and find a place to buy up there; I have plenty of money. The harness which I had with me I carried all the way from the boat up to 135th street and the Boule vard . I thought I could buy a horse up there and I wanted the harness to drive him with.

I bought that harness in Rhode Island two years ago. I did not steal it. I do not know anything about any burglary at all. I never was arrested for anything . I am an honest man. I slept in a wagon up there the night before my arrest. I put the harness in the house of Mr. Sustrae for safe keeping.

CROSS EXAMINATION:

I did not have a cent of money on me when I was arrested . I expected my daughter to send me some. My money was stolen from me in a hotel where I went with a woman for my own pleasure. I did not have any checks with me and did not offer any to anybody. I wanted to buy a house and that is whwy I spoke to Mrs. Gibson. I am not insane.

The jury returned a verdict of guilty of burglary in the third degree.

Indicted for robbery in the first degree.

New York, Oct. 13, 1892.

A P P E A R A N C E S:

For the People,

Asst. District Atty. Vernon M. Davis:

For the Defendant,

Frank V. Olliver, Esq.

JOHN IRWIN, a witness for the People, sworn, testified:

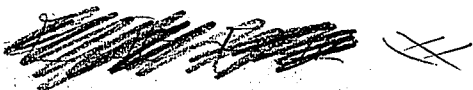

I live at 423 West 16th. Street in this city.
the 17th. of
I am a carman by occupation. On the night of September 1
saw these two defendants in my stable at 404 West 16th.
Street. I was carrying in a bag of oats when Andrew Bar-
clay knocked me down and kicked me. I hollered out. Then
Sullivan came with his full force or power and kicked me.
They attempted to take my money. I said: "You won't get
that money". I was in the stall and I was struggling to
hold my money and defend myself. While I was struggling
the horse got frightened and he jumped and got his feet on
my thigh close to my stomach. I hollered out: "I am mur-
dered". The horse put his whole force on me. I caught

2.

hold of Sullivan's hand in my pocket. He took \$27 out of my pocket. I said to him: "Sullivan, you have got the money but you won't have it long". He took his hand out of my pocket when the horse got on to me. I reported the case in the Station House. I searched around the best part of the night for those two men, but was unable to find them. Sullivan was arrested the following day about one o'clock on Ninth Avenue between 15th. and 16th. Streets. The officer asked him if he had anything to do with this, and he denied it. I didn't see him searched. At the time Sullivan put his hand in my pocket Barclay was a short distance away from him. He had previously knocked me down and kicked me. I am certain it was Sullivan who put his hand in my pocket. There was no light in the stable but there was a clear light coming from the street.

Cross-examination:

I was carrying in oats on this night. The defendants were not assisting me in that work. I had three glasses of beer to drink on that evening, but I was not under the influence of liquor at the time of this occurrence. I have known these men for some time because they live in the same neighborhood with me. I have even seen them hanging around my stable-door. They were acquainted with the young man named Turley who has been employed by me. I did not go to Barclay's house on Sunday. He lives opposite the stable. I was not present at the time Barclay was arrested and I do not know what conversation the officer had with him. Neither of these defendants

3.

offered to assist me in carrying in the oats. A bag of oats was on my shoulder at the time Barclay came behind me, knocked me down and kicked me. In the struggle I rolled over into the stall and it was then that the horse put his feet on me. Just before the horse stepped on me Sullivan put his hand in my pocket and stole the \$27. I struggled to keep my money, but he secured it and went away. This occurrence only took three or four minutes altogether. Barclay walked out ahead of Sullivan. Sullivan ran out. Barclay was close to me at the time Sullivan put his hand in my pocket. I could not say whether either of the men were drunk on that night. As soon as I got up I went to the Police Station and reported the case. They told me that any officer on the post would arrest these two defendants at any time I saw them. I walked round the neighborhood all that night endeavoring to find them. Barclay was arrested in a liquor store on the following afternoon. I am positive I had this money in my pocket. I did not tell a man named Turley who was employed by me that I had no money with which to pay him. I did not owe him any money.

JOHN TYRRELL, a witness for the People, sworn, testified:

I am a police officer attached to the 16th. Precinct. I arrested Sullivan on Sunday afternoon, the 18th. of September, between half past two and three o'clock. I found him on 9th. Avenue between 15th. and 16th. Streets.

4.

I went up to him and I told him he was charged with robbing Mr. Irwin, and he said: "This is all a farce. Irwin hadnot any money". I told him that Irwin charged him with taking \$27 in money out of his pocket on Saturday night. He said: "Why, Irwin didn't have any money. He didn't want to pay his drivers last night. He couldn't have any money". I brought him to the Station House and he was locked up. Irwin made the complaint in the Station House. I arrested Barclay on Sunday evening between half past eight and nine o'clock on the corner of 16th. Street and 9th. Avenue in the liquor store. I told Barclay he was charged by Irwin with stealing \$27. He said: "I don't know anything about that. The only trouble I had with Irwin was that he was carrying in some oats last night and I went to look into the stable and he struck me with a stick and I struck him back." I searched Barclay but found nothing on him.

DEFENSE.

WILLIAM BECK, a witness for the defendant, sworn, testified:

I am 21 years of age and live at 436 West 16th. Street. That is the same house in which the complainant lives. I have lived there about six weeks. I have been employed by Mr. Irwin. I worked for him the day before this occurrence. On the night of this occurrence at about eleven o'clock I was in front of Mr. Irwin's stable in company with him, Turley, Sullivan and Barclay. I saw Mr.

5.

Irwin carrying in these oats. I went over to him and asked him to let me have some money, and he said he hadn't any. He told me he thought he could get some down the street later on in the evening. He didn't give me any money on that night.

Cross-examination:

Turley, Sullivan, Barclay and myself were all standing together in front of the stable on that night. I did not help Mr. Irwin in with the oats. I didn't see any of this difficulty. I have been working for Mr. Irwin for about eight months. I heard Mr. Irwin shout once after he went into the stable carrying the bag of oats. I walked away down the street. I didn't see where Sullivan and Barclay went to. I walked away as soon as I had asked Mr. Irwin for the money and he refused to give it to me. Mr. Irwin told me the following morning that he had been robbed but I didn't believe it.

JOHN TURLEY, a witness for the defendant, sworn, testified:

I live at 329 West 17th. Street. I am twenty years of age. I know Mr. Irwin. I was present on the Saturday night of this difficulty. I carried in a bag of oats for Mr. Irwin and, as I got halfway into the stable, the string on the bag burst and the oats spilled on the floor. Mr. Irwin then chased me out of the stable. I went right off to the corner and Barclay and Sullivan remained at the stable.

6.

Cross-examination:

I have been working in a liquor store for the past month doing odd jobs. I get an average of about \$8 a week.

JOHN H. VESHLAGE, a witness for the defendant, sworn, testified:

I live at 72 North Moore Street. I am in the coal business. I know the defendant Barclay for eight or nine years. His character for honesty is good.

ANDREW BARCLAY, one of the defendants, being duly sworn, testified:

I am 30 years of age. I am a driver of a coal-cart by occupation. I live at 425 West 16th. Street. I know Mr. Irwin and have known him for about ten years. On the night of this trouble I was after coming from Harry Miner's Eighth Avenue Theatre. I started to have a smoke in front of Irwin's stable. I met John Turley, William Beck and Sullivan there. I started to fool with Irwin and when he saw me laughing he wanted to know what I was laughing at. He then fired a stick into the stable at me which struck me in the back of the neck. As soon as he did that I ran in and I struck him with my fist. Sullivan came in and pushed me out. He told me not to be fighting. Irwin was very much intoxicated. I had nothing to do with robbing the complainant.

Cross-examination:

I have never been convicted of any crime. I

7.

was standing right outside of the stable when Irwin threw the stick out at me. I said in the Police Court that I was not guilty of the charge. All I did was to strike Irwin after he had struck me. I live on the same block with Mr. Irwin and was around that neighborhood all the time until my arrest.

EDWARD SULLIVAN, one of the defendants, sworn, testified:

I am 33 years of age. I live at 400 West 16th. Street. I remember the difficulty with Mr. Irwin. On that night I saw Barclay, Turley and Beck in front of the stable as I was walking down the street. I saw Barclay run into the stable. I heard Mr. Irwin say: "Don't hit me". I went in and I pushed Barclay out. I came outside and I stayed there for twenty minutes or half an hour. I did not put my hand in Mr. Irwin's pocket. I had nothing to do with robbing him at all.

Cross-examination:

I have been convicted for fighting previous to this and got three months on the Island. All I did on the night in question was to separate these two men.

JOHN IRWIN, recalled:

The stories told by the two defendants are absolutely false. I did not throw any stick at the defendant Barclay. I repeat what I said before, that Sullivan came

8.

into the stable, put his hand in my pocket and took \$27 of my money.

JAMES H. MARTIN, a witness for the People, sworn, testified:

I am a police officer attached to the 16th. Precinct. I have known Mr. Irwin for about three years. On the early morning of September 17th. last I saw Mr. Irwin on the corner of 8th. Avenue and 16th. Street. He came up to me and made complaint of having been robbed. I noticed his appearance. I saw the pocket of his trousers. It was torn.

The jury returned a verdict convicting both defendants of robbery in the first degree.

New York, Oct. 4th, 1892.

Hon. Judge Cewing.

Dear Sir:-

In the case of Patrick Sullivan, who is charged with assault, and which will come before you to-day, I understand the prisoner will plead guilty.

If you think the ends of justice would be fully satisfied by sending him to the Penitentiary instead of Sing Sing you would greatly oblige me.

I am given to understand that he recently lost by death both his father and mother, and in grieving over his loss he took to drink. He states that he has no recollection of having committed the crime, with which he is charged and to which he will plead guilty. Sullivan is ready to stand sentence at once

I am, Very truly yours,

James R. Shirley

Court of General Sessions of the Peace
