My dear Sir:

The bearer, Mr. ^{Jr.} Beach, of Water-

the case of Frank Beach, a distant
relative of his, who is a prisoner in
the Tombs. This prisoner is locked up
on a charge of violating the hotel act,
in running up a bill of some \$13 at

I am credibly informed that
F. Beach is crazy, & is now in a
"straight - jacket." Years ago he was
something of a man, inventive &
smart, but dissipation did its work,
& he is ~~now~~ a wreck mentally. If you

The People (Court of General Sessions. Part I
 James^{vs} Brady Before Judge Gilchrist. Oct. 13. 1897.
 Indictment for unlawfully entering a building.
 Wolf Linpert, sworn and examined. I
 reside in this city at 257 West Thirty eighth St
 and I was in the house on the 19th of Sept.
 About midnight my brother left the house on
 an errand; when he went out he saw the
 defendant standing at the gate, and he
 walked down and looked back, he seemed
 very still and when he (my brother) had
 returned he (the defendant) was gone; he came
 into the house and asked if any one had
 seen a man come in and they said, no.
 So we decided we would search; I went
 out and stood at the gate and within
 two or three minutes I saw the defendant
 coming down the stairs, he was coming
 down from the second story. I did not know
 him. I did not authorize him to enter my
 house; he was a perfect stranger to me;
 this was about twelve o'clock at night; nothing
 was stolen. Cross Examined. There were
 light of us in the dining room at this
 time in the back; the room was lighted
 and three jets were burning, and there
 was a light in the hall; we were sitting
 in the dining room eating lunch. The first

0085

time I saw the defendant was when I caught him at the foot of the stairs. I came running out of the dining room. I asked him what he was doing there? He said a gentleman asked him in to have a drink. I said, "This is no saloon." I asked him where the other man was? He said he did not know where he went to. The defendant came from the top of the stairs; he was all the way up stairs. I could not see that the defendant had been drinking because he spoke as if he were perfectly sober; I could not smell any liquor on him. It is impossible to swear that he had not been drinking. There were three lamps lit that night in the street. This is a private house; my father was a physician, and he died in June. I was taking care of my father's property. There was surgical instruments and furniture and about seven hundred dollars in money in the house.

Jacob W. Feiss, sworn. I am an officer of the 20th Precinct and was on special duty the night in question. I saw the defendant and another man on that night about half past ten o'clock upon the opposite side of the street. I did not see the defendant again until after I made the arrest. I stood on the corner of Fortieth St. and 8th

0087

avenue; a young man came running up and said, "There is a man in our house". I ran down with him and Limpert had hold of the defendant and I arrested him. Cross Examined. I saw the defendant first that night nearly opposite the house of the complainant about half past ten with another man; when I arrested him after twelve o'clock I asked him what business he had in that house? He said he came in to have a drink. He spoke as if he were perfectly sober; he might have had a couple of drinks, but the man walked as straight as I did and I do not think he was intoxicated; he was perfectly able to take care of himself. I arrested him and brought him to the station house. I asked him who the other party was, and he told me it was a fellow of the name of Smith who lived in Sixteenth St; the other man ran away when the defendant was collared in the house; he ran up Eighth Avenue down to Thirty ninth St. The defendant was arrested about twelve o'clock at night. The back part of this house was all lit up and there was a light in the hall. I don't know anything about the lights in the street. I did not observe them.

0000

James Brady, sworn and examined in his own behalf testified. I live at 126 Charles St. and remember the night of the 19th of Sept. I spent the evening in Jersey city and New York. I left New York to see friends off on the Erie road who were going West and returned to New York about half past nine. I crossed the Twenty third St. ferry and took a belt car to 38th St. and went into 345 West Thirty eighth St. Before I left my house I had several glasses of lager. I had been drinking pretty much all day. I started up Seventh Ave. with the intention of going home. I had been drinking a good deal that day. I saw a party sitting in the back drinking beer, the gas was lit. I thought it was a bar room. I got up about a dozen steps when I saw my mistake. I walked down again and was on the bottom stairway when the complainant caught me. I tried to excuse myself and told him I had been drinking. I never saw the complainant before that. I had no intention of stealing anything in that house. I was arrested once for disorderly conduct and fined ten dollars. I worked last summer painting on the Manhattan Beach Railroad. M. Stiers was the foreman. The jury rendered a verdict of guilty.

Mr. A.D. Parker,

Dear Sir:-

I am one of
the witnesses in the case of the People
vs Thomas Brady, for assault, being
the physician who removed the bullet
from the chin of Conrisky, the
man whom Brady shot. I was at
court today and when it was
decided to put the case off until
Thursday, I spoke to the assistant
District Attorney, and explained to
him that I was the surgeon in charge
of this Hospital and that I had a
very large number of dispensary
cases to attend to each morning,
and he told me that he would
get along very well without
my testimony, but I find that
I have been subpoenaed again.

0137

It will be almost impossible for me to leave the hospital twice in one week, but of course if I am ordered to court I will have to go; but if there is any way of getting out of it I should be pleased to do so. My whole testimony consists in saying that I extracted a bullet from the man's chin, and showing the bullet.

As the assistant District Attorney informed me that he would not need me this last subpoena must be a mistake.

By informing me what I shall do in the matter you will greatly oblige
