## New York General Sessions.

PEOPLE ON MY COMPLAINT,  
VERSUS

Rocco Albanese.

Assault.

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons

for so doing are not controlled by any advantage to myself.

My reasons for urging the withdrawal of my Complaint in the above case are as follows. I now am not willing to swear that the defendant really intended to stab me or inflict injury on my person with the knife in question. There were a great number of people present engaged in a general row, and I was fighting with another man at the time. I received no injury whatever at the hands of the defendant, whom I understand is a hard working man - and I now believe that defendant should be leniently treated by the Court - and I trust that this Honorable Court may accept the reasons above given by me and permit a withdrawal of my former Complaint and discharge the defendant.

Indictment filed August 2nd., 1892. Tried, August

Grand Larceny in the first degree.

A P P E A R A N C E S :

Asst. Dist. Attorney G. S. Bedford, for the  
people.

Mr. John Kenna, for the defense.

~~S. J. M. O'N. S. O. N. N. W. E. L. L. sworn for the people.~~  
testified: I keep a stand at the corner of Delancy and Orchard  
Streets. I was there on the morning of July 21st. and fell as-  
leep, about four o'clock in the morning. I had been up all night  
at the stand I had a silver watch in my pocket at the time I fell  
asleep. This watch was worth about \$13.00. I was wakened up  
by this fellow grabbing my watch. I felt his hand in my pocket.  
His name is Harry Ames. He took it out and I ran after him and  
hollered "thief", but I did not catch him, but an officer did. I

will swear that this is the man that took my watch. When they caught him they found the watch in his possession. The officer caught and arrested him right away. He had only gone two blocks when the officer arrested him. There were two fellows there together. I didn't tell the officer that I saw Ames take the watch and there were two fellows there together.

M I C H E A L J. H O W A R D, sworn for the people, testified: I am a Police-officer of the 11th. Precinct. I arrested these two men at five minutes to four o'clock in the morning of the 21st. of July. They were running away and the complainant was following them and yelling "Stop thief". And I stopped them and then arrested them and the complainant told me that they were the persons that stole the watch. I took them to the Station House and there they were searched and the watch was found on them. They said they were running was because they were in a hurry to get home.

H A R R Y A M E S, sworn on his own behalf, testified: I live in New York and have been here about 6 days when I was arrested the 21st. of last month. I was in the theatre a while and after I came out of the theatre I went into a pool-room and sat down there. I was to get a job the next day on 6th. Avenue in a bakery. It was a hot night after I came out of the theatre I sat down in this pool-room and went to sleep. The next day at five o'clock in the morning I was to get the job, so I came

out of the pool-room and went to take a walk and while I was taking a walk, I met this man Murphy in Rivington Street. I never knew him before, neither had I ever seen him before. While we were walking down the street, we saw three or four boys running down and this man after them. He had something in his hand and we saw him come and we ran too. I never tried to take his watch out of his pocket. I was nowhere near his stand and I did not place my hands on him. The boys were trying to take his cigarettes and we stood there and saw them. We walked down the street about two blocks. I did not have the watch and I did not throw it away. The officer arrested me and Murphy too. The reason I did not wake the man when I saw the boys trying to take the cigarettes was because I was on the other corner. I saw the boys stealing the cigarettes, but I did not go across the way to wake him. There were four boys running and the man after them and he had something in his hand. That is what made me run away; we were walking first until we saw him coming. I had only 15 cents in my pocket so I did not know whether to go to the lodging house or not, so I was just waiting for morning so I could go after work. The officer was present when the complainant was punching a boy in the middle of the street and a man came by and interfered. He told the officer that this boy did not know anything about it, and the officer let the boy go. I did not tell the officer that I was running because I knew he would get me. There was another

0053

I man who interfered with the man who was clubbing the little boy, and the officer told him he would club him two. That was before any complaint was made against me. Since I have been in New York, I have been stopping at 143, Bowery. I was never arrested before in my life or charged with any crime. I worked five years with with a telegraph Company in Buffalo. The reason I left was because work was slack, and I thought I would come to New York for work. The way I came to this place on the Bowery was that I saw it in the paper the day before; I saw the paper at the boarding-house at 143, Bowery. I never picked a man's pocket in my life and I never touched this man's watch. I met this boy in the street and we were talking about home together, and I told him I was going to get a job on 6th. Avenue. I was nowhere near this man's stand and I don't know anything about his watch as I did not take it.

ROBERT MURPHY, sworn on his own behalf, testified: I am 17 years of age. I have lived at 143 Bowery two nights. I was working at a restaurant on 4th. Avenue-- that was about five weeks up to this time. I do not know the man and I had nothing to do with the robbery. I had been up to the theatre that night. I had just left work that night. After the theatre I went into a pool-room and played pool. I then took a walk around and met some friends at the corner of Howard Street and we went and played pool-again. I took a walk around again down to Delancy Street and seen this boy Harry Ames. I had

0054

POOR QUALITY

I never known him before. And I seen three or four fellows there at the stand trying to get a box of cigarettes. I did not see them make any attempt to take the watch. I stood on the opposite corner. I saw this man wake up and club at this fellow and I seen that Harry Ames had something in his hand and I ran. I saw the boy in the middle of the street and I saw a man interfering with him while he was being clubbed by the officer. And the officer threatened to club him. If the man had not interfered the boy would have been clubbed and arrested. I have never been charged with any crime in my life and I have never been convicted. I ran away because the man had something like a long knife in his hand. I did not know what it was, but it looked like a knife. I ran for fear of being clubbed too. When I saw the boys trying to steal the cigarettes, I did not do anything as I did not want to have anything to do with the matter. But I seen the man was punching a little boy; he charged him with trying to steal the watch and the officer was trying to push me against him. I did not see anybody take the watch. When I worked at the hotel I got \$5.00 a week and board.

OFFICER MCWARD, recalled. I did not see the complainant in the street punching any boy and charging him with steal his watch, as stated by these two prisoners. I did not shove this last prisoner against any man in the street. The complainant charged these boys with stealing his watch and no

one else. When they ran and I got them, I asked them why they ran, and they said they were in a hurry to get them home. When I got the boy the complainant accused the boy with stealing his watch--- that was Harry Ames. I had hold of him at the time. No citizen came to me and told me to stop clubbing that boy. There was no crowd there, but a few people; there may have been about twenty.

S I M O N S O N N W E L L, re-called.

I did not see any little boy in the middle of the street. There was no officer there punching him and I did not have any little fellow in the street. I only saw one boy-- that big boy Ames, who took my watch and another boy near the stand. The other boy was this other prisoner. I did not start to run after any other boy but this one boy. I did not lose sight of this boy in the crowd. I did not see any other boy there; there were only two that were running. I did not lose sight of them until they got up to the officer. Then it was that I charged these two men with stealing my watch. I did not charge any other boy with the crime. I saw the watch in his hand when I woke up. I had only been asleep about ten minutes. There is no rail or fence around my stand. They had run two blocks when they were arrested. I was after them all the while. I sell cigarettes on my stand.

Ames went to the Reformatory for 10 days.  
Whitely sent to the City Prison for 5 days.

PEOPLE ON MY COMPLAINT,  
VERSUS

Joseph Argood

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. The defendant and I had a dispute and we came to blows while in the scuffle the defendant ~~gave~~<sup>took</sup> a hammer which was nearby and made a blow at me, which struck me on the head. ~~at the time I made the Complaint I thought~~ I was out very bad, but as it only turned out to be a slight wound and as I now feel that I was a little hasty in making the Complaint ~~and in so doing~~ and I am now satisfied that I was somewhat to blame myself for the trouble. The defendant is a married man and the support of a family. For the above reasons I respectfully request permission to withdraw this Complaint.
