to alleged gambling at 59 E. 4th Street
& 11 E. 7th St. Forwarded by His Honor,

Immediately upon receipt of this communication it was referred to the members of the Force assigned to duty in this district for investigation.

Patrolman Lazarus Benjamin, Shield No. 256, 1st District, reports as follows:

PREMISES NO. 59 E. 4th ST.

The premises complained of is located on the ground floor of a five story and basement brick tenement house, and is conducted by one Charles F. Hoelzer as a licensed pool parlor, operating under license No. 3044, issued May 24th, 1913 to one August Dietz. This place was kept under surveillance since receipt of communication, but to date, no violations of law have been observed thereat. Re--two different lines of business are conducted at this place, a pool parlor and an employment agency--this place is not licensed as an employment agency, nor has any violations of law relating to the employment of persons been observed thereat. Re--the place is also run for other unlawful purposes--this allegation could not be verified.

PREMISES NO. 11 E. 7TH ST.

Report rel. to complaint of
alleged gambling at 59 E. 4th
St & 11 E. 7th Street.

New York, Nov. 7th 1913.

Sir.

Mr. Adolph L. Klum
Mayor of New York City.

Dear Sir!

A pool parlor conducted by Chas. F. Koelzer at No. 59 E. 4th St. is being run as a gambling house, games of chance being allowed by the proprietor contrary to the law.

As an instance of many of the violations of the law tickets are given free of charge to every person who plays pool on the premises, and a surrender of five of such tickets entitles the holder to play

2

one game free without charge.

This method is employed to encourage the patrons to spend their money freely and many of them frequent this place - as an added inducement to procure work for them without it. In effect two businesses, a pool parlor and an employment agency are operated on the premises and fees charged contrary to the law.

Other games of chance are openly played on the premises - rigged & raffled off for the tickets - issued after each game without any fear of detection and an abundance of proof can always be obtained by a member of the detective force using

his discretion as to dress
and appearance. Incidentally
the place is run for other
unlawful purposes.

I hope this matter will be
thoroughly investigated by your
office and the information given
will prevent the obtaining
of money from those who
can least afford it, relying
upon the proprietor to fur-
nish them work.

Also another place is run
by the same man at No. 11
East 7th St.

Yours very respectfully

Jac. Hamilton

Immediately upon receipt of this communication it was referred to the Commanding Officer of the 5th Precinct for investigation.

He reports that the locations above mentioned are well policed, both day and night, there being a fixed post at South St & Catherine Slip and another at James Slip and Water Street.

Re--two men held up and robbed on November 12th, 1913-- On November 12th, 1913, one Joseph Dell of #66 Catherine Street was arrested by Ptl. Prisoner was arraigned before Magistrate Freschi in the 1st District Court A. M., November 13th 1913, and held for examination. When arraigned on the 17th Inst. before Magistrate Campbell in the 1st District Court, he was discharged, complainant failing to appear to prosecute. Dear Sir:-

I feel it my duty and within my rights as a citizen, to inform you of the conditions that exist in the neighborhood of 161 Street and Union Avenue, Borough of Bronx, N.Y.

Any time after 6 A.M. until 8 P.M. the neighborhood is over-run with Peddlers selling their ware from push-carts, baskets, and wagons, and has become a menace to the health of the residents, in that they litter the streets with unsaleable fruits and vegetables.

The Police so far have taken no action in the matter and for that reason I appeal to you that prompt action may be taken to abolish the nuisance for the benefit of the store-keepers and residents of that section.

Trusting this may receive your immediate attention,

WHEN WRITING ALWAYS REFER TO OUR OFFICE FILE NUMBER

Dear Sir:-

Thousands of lots, the property of non-resident owners have been advertised in Suffolk County newspapers to be sold according to law for unpaid taxes.

IF ALL THE TAXES ARE NOT PAID ON THE LOTS RECORDED IN YOUR NAME THEY WILL BE SOLD. This property is No. 55827 our office files.

This Bureau is for non-residents, so do not overlook your taxes - they must be paid. By having your property registered with this Bureau's statistics you are protected from extra costs, penalties and possible loss. Recent disclosures show that many Land Companies are collecting from lot owners the 1910-11-12 taxes and yet the OFFICIAL RECORDS show these taxes unpaid.

Remember that under the New York State Law, the collector is not required to notify the owner when taxes are due. His information, taken from the certified Tax-Roll, is restricted to the itemized details of lot and block numbers, map description, etc., and as the owners' names rarely appear, the collector is unable to notify them, even if he wanted to; whereas, our exclusive facilities enable us to notify owners direct. Therefore, this Final Notice is of the utmost importance, AND AT THIS TIME, ---- IT IS URGENT THAT YOUR REPLY SHOULD REACH THIS BUREAU NOT LATER THAN SEP 18 1913

Unless you hold OFFICIAL RECEIPTS for all tax items, such as State, County, Town and School taxes, return the Blue Memorandum with \$1.50 to this Bureau immediately, so we can make a thorough tax office investigation AND INFORM YOU THE RESULT WITHOUT DELAY.

If your taxes have NOT been paid, return the Yellow Memorandum with remittance for \$2.86 and we will adjust all unpaid taxes, AND YOU THEREBY PREVENT THE SALE OF YOUR LOTS.

On receipt of the Blue or Yellow Memorandum your lots will be registered with this Bureau, which is of extreme importance to you, as this service safe-guards you from the loss of your property on account of ignorance of the law, carelessness, or any trifling neglect to comply with requirements.

Do not send your original deeds or any tax bills to us.

Very respectfully,

TAX ADJUSTMENT BUREAU,

P. S. -

IMPORTANT INFORMATION FOR TAX PAYERS.

This Bureau does not develop property, buy or sell land, loan money, or build houses. Its business is to protect the tax interests of non-residents. However, for the information of our clients and to answer the many inquiries from owners about the property they have never seen, and improvements (?) charged for by Land Companies, WHICH ARE NOT ALWAYS MADE, co-operating with a Leading Bank, (a million dollar concern) we have arranged to furnish reports giving the actual cash value of Long Island lots, and ascertain the real value of the so-called improvements owners have been called upon to pay for.

For this service send \$3.00 with the enclosed White Valuation Memorandum blank properly filled out from your deed and Bank Appraisal will reach you promptly.

To His Honor the Mayor,

My husband who was born in Schmalkalden on October 23^d 1879, and who established himself as a tin-smith in Schmalkalden after his marriage to me which took place October 25^d 1902, has deserted me May 9^d 1904.

After his flight, due also to the suspicion of bankruptcy, and since that I have heard nothing about his whereabouts. I am of the opinion that he ran away to America.

To the end that I might proceed with a suit for divorce against him, I addressed myself to the Imperial German Consulate General who informed me, under date Oct. 1. 1913 as follows:

"By means of 'Personal' advertisements I came into possession of an anonymous writing in accordance with which a certain Ernst Funk is said to live at 438 Bleeker St., Brooklyn. As the Postmaster has informed me, a certain Ernst Funk lives actually in 439 Bleeker St., Brooklyn.

An inquiry from him whether he is identical with the one for whom a search is made remained unanswered. As the police of this country does not keep a control of persons I am unable to take further steps in the matter without incurring expenses.

I have not the means to pay for further searching

Berlin-Schöneberg, den 22. Oktober 1913
Grünewalderstr. 50.

Hochwohlgeborener Herr,

Hochgeehrter Herr Bürgermeister!

Mein Mann, der am 22. Oktober 1879 in Schmalkalden
geboren und nach seiner am 25. Oktober 1902 mit mir erfolg-
ten Eheschließung sich als Klempnermeister in Schmalkalden
niederließ, hat mich am 9. Mai 1904 verlassen. Nach seiner
Flucht, die auch wegen Verdacht des Konkursvergehens erfolgte,
habe ich nichts von seinem Aufenthalt gehört. Nach meinen
Vermutungen ist er nach Amerika geflüchtet. Um die Ehe-
scheidungsklage einzuleiten, wandte ich mich an den
Kaiserlich Deutschen Generalkonsul. Dieser teilte mir am
am 1. Oktober 1913 folgendes mit:

Auf die Leitungsauffrage hin ist mir eine anonyme
Zuschrift zugegangen, nach der ein Ernst Funk
in 438 Bleeker Str., Brooklyn, N.Y. wohnen soll.
Wie mir der Postmeister mitgeteilt hat, wohnt ein
Ernst Funk tatsächlich in 439 Bleeker Str. daselbst.
Eine Anfrage bei diesem, ob er mit dem Gesuchten
identisch ist, wurde unberücksichtigt gelassen. Da
eine polizeiliche Personenkontrolle hierzulande nicht
besteht, vermag ich weitere Feststellungen ohne Auf-
wendung von Kosten nicht zu treffen.

Ich habe nun nicht die Mittel, um Nachforschungen
anzustellen.

aufzustellen. Deswegen würde ich mich an Euer Hochwohlgeboren mit der gehorsamen Bitte, unauffällig und secreta Ermittlungen dahin anzustellen, ob der p. Funk, gemeldet in Brooklyn N.Y. 439 Bleecker Str. identisch ist mit meinem Ehemann. Für Charakteristik bemerke ich folgendes: Mein Mann ist gross und schlank, hat braune Augen, rötlich braunes Haar, gute Zähne. Sein Vater, Heinrich Funk, war der Striegelmacher-Meister, geboren und verstorben zu Schmalkalden. Die Mutter meines Mannes, Wilhelmine Funk, geb. Büchner, wurde in Asbach bei Schmalkalden geboren und starb gleichfalls in Schmalkalden. Geschwister meines Mannes sind: August Funk, Bernhard Funk, Marie Lesser geb. Funk sämtlich in Schmalkalden, Mathilde Völker geb. Funk in Amerika. Zwei Stiefgeschwister leben gleichfalls in Schmalkalden. Aus unserer Ehe ist ein Kind, Käthe geboren am 9. Dezember 1903, hervorgegangen.

Ich wiederhole nun nochmals ergebenst meine Bitte und danke Euer Hochwohlgeboren im Voraus.

Ergabenst
Lina Funk geb. Weiss.

I have the honor to submit herewith,
copy of the report made by the Chief Inspec-
tor, relative to communication signed "A Heart
Broken Mother," forwarded from your office
with letter of November 13th, alleging that
her husband is being forced to make payments
to a police lieutenant named Michael W. Collins.

Original letter of complaint is returned
herewith.

Very respectfully,

Police Commissioner.

November 10 1913

My dear Mayor

I am writing you this letter to see if you would be so kind as to help me and my child get along. My husband who was once a character of the Tenderloin but who is now working at an honest occupation is being constantly kept in fear of arrest on a false charge by a Lieutenant named Michael W Collins who has charge of the detectives in a station downtown unless money is most weekly given this detective. I know from the amount of money he gives me and from what he tells me of the threats of this man that he has to give him money very often also that he knows other people have to give money to this detective who seems to be doing nothing only collecting money under threats of arrest

I appeal to you dear Mayor for the sake of our little home which we are trying to keep together to stop this lieutenant from bothering my husband whom I will give you my word of honor as a mother is making an honest living. I would give you my name and address but am afraid it would get to my husband's ears and start troubles as he is very much afraid of this lieutenant not that he is doing anything but of being framed up on a false charge on account of his former life.

Thanking you for whatever you can do for me I remain

A Heartbroken Mother

November 29, 1913.

The Police Commissioner,
(Through Official Channels.)

Sir:-

I have the honor to report that I have made an investigation of the annexed anonymous communication signed "A Heart-broken Mother".

Lieutenant Michael W. Collins is in command of the detectives assigned to the 1st Precinct during the past two and one-half years, and has been attached to the Detective Division since 1900, with the exception of one year, when he was in command of the 4th District City Magistrate Court Squad, and one year assigned to desk duty in the 5th Precinct.

His superior officers speak in the highest terms of his integrity, and I have been unable to substantiate the charge contained in the annexed anonymous communication, for the reason that the writer of the same cannot be located and more specific statements obtained.

Respectfully,

Wm. J. Schmitt
Chief Inspector.

Rosie Hirschman, 211 East 103rd. Street reports larceny of some clothes from wash line last winter.

Julius M. Cohen could not be located, is unknown in vicinity.

Bernard Sicherman, custom pants maker 211-213 East 103rd. Street

No.(2)

reports that about two months ago while in the rear yard some unknown person entered his shop and stole a pair of pants valued at \$2.00

The petitioners interviewed stated that they had not reported the larcenies mentioned above to the 39th.Precinct Station House but several had complained of the disorderly boys breaking windows etc.etc.

A copy of the petition has been given to the Commanding Officer of the 39th.Precinct with the view of having the uniformed force handle the Disorderly element in the location named.

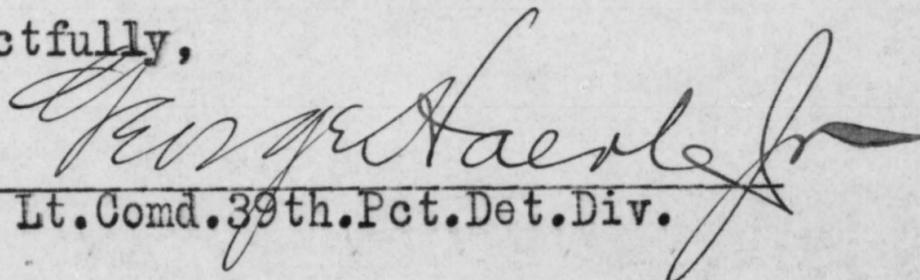

Have also instructed the members of the Detective Division assigned to the 39th.Pct.to pay particular attention to the places in question, to prevent Larcenies etc.and arrest the perpetrators.

Very few complaints have been received at the 39th.Pct.Det. Division from the vicinity mentioned during the current year and these have been promptly investigated.

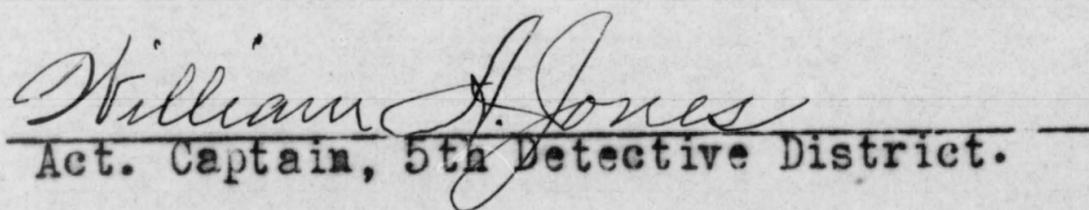

Shall give this matter my personal attention and have the Detectives assigned to the 39th.Precinct co-operate with the members of the Uniformed Force to abate the nuisance and I anticipate no cause for furthur complaint as the persons interviewed seemed satisfied with the action to be taken.

I assume responsibility for the accuracy of the above.

Respectfully,

To The Mayor of New York, - - -

Dear Sir:-

The undersigned citizens offer this to you as a complaint and sincerely trust that you will forward this to the Commissioner of Police for his immediate attention and investigation.

There is a gang of young boys that "hang around" in the district of 203 to 229 E. 103 St and raise numerous disturbances. They threaten passersby and all those that intend mixing in their affairs, they have robbed every store along that line as well as many dwellings, they have broken locks that were intended to keep them out of the yards and robbed the cellars and made them their hiding places, they have robbed engine rooms, broken windows, torn clothes lines and played crap in the backyards, they have thrown missiles from the roofs and in fact made all kind of trouble that individuals were afraid to attack them.

This was reported to sergeant at police station on 104th St and the only remedy he is able to give is to ask for the name and address of the boys and he will issue warrants and of course nobody is able to do as he requests. At other times when com -

plaints were made to him, he sent around a uniformed policeman instead of a plain-clothes-man and for the time being the boys dispersed.

Your attention to the above will oblige the citizens of the community.

S i r :-

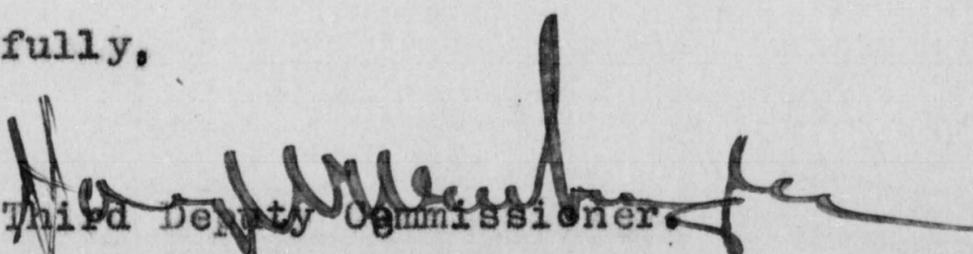

With reference to attached communication, dated Nov. 30, 1913, and addressed to his Honor, the Mayor, regarding the re-opening of the hotel on the southeast corner of 124th Street and Lexington Avenue, I have the honor to submit the following report:

Members of Special Squad No. 4 assigned to my office and working under my direction obtained the necessary evidence against these premises for violation of Section 1146 of the Penal Law as amended, and on the 25th day of October 1913, Morris Klein, Alexander Smith and Joseph Gorman were arrested at the said premises, charged with violation of Section 1146 of the Penal Law (keeping a disorderly house). Joseph Gorman was arrested on the additional charge of having concealed weapons in his possession. They were arraigned before Magistrate Appleton on October 29, 1913, and Klein and Smith were each held in \$500 bail and Gorman held in \$1000 bail to answer.

For some reason unknown to this Department, and without notice to this Department, the charges against the defendants for violation of Section 1146 of the Penal Law were transferred from the Court of Special Sessions to the Court of General Sessions and these charges came on before the Grand Jury on the 21st day of November, 1913, and the Grand Jury refused to indict the defendants on the charge of violation of Section 1146 of the Penal Law and dismissed the information.

The charge against Joseph Gorman for carrying concealed weapons comes on for trial on December 5, 1913.

The POLICE COMMISSIONER,
(Through Official Channels).

Sir:--

With reference to communication of Palmieri & Wechsler of Nos. 61-63 Park Row, addressed to His Honor The Mayor, complaining of the action of Sergeant Weiner in shooting and killing a number of goats owned by the following persons:

Mr. Raphael Belotti, 3548 Holland Ave. near 212th St., N. Y.
Mrs. Maria Bracatella, 771 E. 213th Street, New York
Mrs. Vincenza Camelli, 3527 Barnes Ave. Bronx
Mrs. Jennie Salerno, 3529 Barnes Ave., Bronx (near 210th St.)

I have the honor to report as follows:

At an investigation held at this office on November 28th 1913 on complaint of Lily Raia of No. 771 East 213th street, and others, (see communication serial No. 252,499, reported on under date of December 2nd 1913) regarding the action of Sergeant Isaac H. Weiner, shield No. 564 of the 69th Precinct, statements were obtained from the above named persons, all of whom appeared on that date as complainants against Sergeant Weiner.

Raphael Belotti did not see Sergeant Weiner shoot or kill his goats, and was unable to produce any witnesses who did. Mrs. Jennie Salerno stated that an unknown boy had informed her that Sergeant Weiner had shot and injured one of her goats, but was unable to produce the boy as a witness. Maria Bracatella and Vincenza Camelli both stated that they had witnessed Sergeant Weiner killing their goats on certain dates. Antonio De Paola of No. 3610 Barnes avenue, whose name does not appear in communication of Palmieri & Wechsler, also stated at the investigation held on the above mentioned date that he witnessed Sergeant Weiner shoot and kill one of his goats.

As a result of the statements of the last three named charges were preferred against Sergeant Weiner and forwarded on December 2nd 1913, a notice of which has been served on Sergeant Weiner, and the witnesses in the case have also been subpoenaed to appear at the trial room, Borough of Manhattan on the 11th inst.

The Commanding Officer of the 79th Precinct informs me that none of the persons mentioned in communication made any complaint at the station house regarding the action of Sergeant Weiner in destroying their animals.

Sergeant Weiner resides in the 79th Precinct, in the locality where these alleged offenses occurred.

Respectfully,

Honorable Sir:-

Having met with an accident Saturday evening at Park Ave. and 38th St., I was informed by unidentified citizens in the neighborhood that it is a general practice with some of the Express Co.'s wagons and trucks, stabling in that vicinity, to return to the stables after their days work, about that time in the evening, driving without precaution and in a reckless way, hurrying back to the stables, also not showing the proper lights on their vehicles. Having been badly hurt myself, I feel it my duty to notify you of this condition, so that you may put the matter in the hands of the proper authority and correct this carelessness, which is endangering the lives of citizens. The particular truck which caused my trouble is the property of the American Express Co.

Respectfully yours,

Dear Sir:-

Following your advice given at the dinner of the Merchants' Association last Saturday night, I am writing you about the fact that my son, ten years old, has been held up and searched on the streets twice lately, and three or four times in the last several years. On one occasion he and another friend were held up on Riverside Drive, and the other boy's father and myself reported the matter in person to the police station. These holdups are matters of frequent occurrence, and several of my son's school-mates have also been held up, and I am sure that a few arrests by the police department would quickly stamp the matter out. I reside at #150 W. 79th St., and the holdups have taken place in this locality, between 72nd Street and 90th Street and Riverside Drive, and at Amsterdam Ave.

Thanking you for your attention in the matter,

Yours respectfully,

Re-Communication from
J.D. Trobaugh, Box 464-Plainview, Texas, forwarded by "HIS
HONOR THE MAYOR", relative to the Quaker Oil Company, No.131
West 31st Street, failing to send goods prepaid.

I have the honor to report that Patrolmen John Leidig, Shield No.1607 and Joseph L. Hackett, Shield No.8527, were assigned to investigate the attached complaint, who report that from investigation it was found that the Quaker Oil Company of No.131 West 31st Street, is a legitimate concern and has been located at this address for the past three years. Mrs Katharine Morris is proprietor of this concern and does a large mail order business, and upon interviewing her it was learned that they were unable to fill the order of the complainant, as a certain bottle in which the oil is put up, could not be obtained from the glass manufacturer, Whitall, Tatum and Company, 46 Barclay Street, and that she expected the bottles about December 10th 1913, at which time she would immediately fill and forward the order.

Mr. George Stevenson, Chief Inspector, United States Post Office, was interviewed and informed the officers that he had not received any complaints concerning the business methods of the Quaker Oil Company, and as far as he knew said concern is a reputable one. Mr. Charles Mazorie, credit man for Whitall, Tatum and Company, was also interviewed and he verified the statement of Mrs. Morris as to the delay in delivery of the bottles, and stated that delivery would be made early next week.

Dear Sir:

There is a
gang of colored prostitutes
and thieves hanging out
on 29th St Bet. 7 & 8 Aves
that is really a disgrace -

The rest of this district
is practically clean,
and this vile spot should
be wiped out

Two colored women especially
work together, either any

can enter a color and
relieve them of whatever

they have, and two
policemen on the block
do not molest them

condemned as boldly.

permitted.

Sir:-

I have the honor to submit the following report, in addition to report forwarded on November 6th, 1913, relative to complaint of Frank Urban, 15 Astor Place, Jersey City, N. J., against Sergeant Daniel F. Marks, shield #115, 15th Precinct.

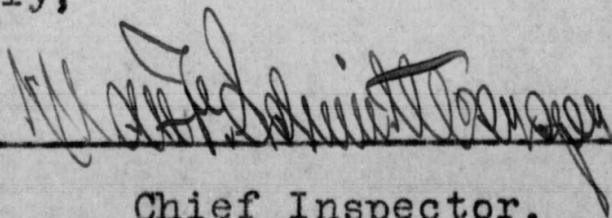

The complainant, who is also known by the name of Urbansky, appeared at this office on the afternoon of December 2nd, 1913, and reiterated the statements contained in his letter of September 2nd, and further stated that the action of Sergeant Marks caused the meeting he was conducting to end in a riot.

It appears that complainant was conducting an anti-socialist meeting at the Franklin Statue on the afternoon of August 30th, 1913, and after some discussion challenged any person present to debate. The challenge was accepted by one Henry Jaeger, whereupon complainant refused to debate and after some discussion called upon Sergeant Marks to remove Jaeger from the crowd. As the sergeant had not witnessed any breach of the peace or disorderly conduct on the part of Jaeger, he refused to remove him as requested by complainant, but informed complainant as to his right in the matter to have an arrest made, but he refused to make any complaint.

A number of witnesses were examined who corroborated the statement of Sergeant Marks, and all testified that the meeting had not broken up in a riot as alleged by complainant, but to the contrary had continued until about 4 P. M.

From my investigation of this case I find no evidence of improper conduct on the part of Sergeant Marks, and I have therefore not entertained any complaint against him.

Respectfully,

Chief Inspector.

S i r : -

Reporting on attached complaint of Mrs. Mitchell Levy of No. 226-230 West 50th Street (The Robspierre Apartments), that said premises are being conducted as a disorderly house, the following is respectfully submitted.

The premises No. 226-230 West 50th Street, is an eight story elevator apartment house known as "The Robspierre". This building has been receiving the attention of this Department for some time past, and from November 20th 1911 to July 3rd 1913, fifteen arrests were made therein for Keeping & Maintaining a Disorderly House or Vio. of the Tenement House Law (prostitution). Four of the prisoners were also charged with Violation of Liquor Tax Law, -- (selling without a license). Of these arrests eight have been convicted, five discharged and two are still pending.

On February 15th 1913, Ernest Tribelhorn of the Tribelhorn Realty Co., owners of said premises, and on February 17th 1913, Charles McPartland, superintendent of said premises, were arrested on warrants issued by the Chief City Magistrate, charged with knowingly permitting said premises to be used for the purpose of prostitution. Tribelhorn was held in \$1,500. bail for trial and his case is still pending in the Court of Special Sessions. McPartland was discharged in the Magistrate's Court on the recommendation of the District Attorney, for the reason that he had assisted in the prosecution of the case, and had testified that he was only acting on the orders of his employer in permitting apartments in said premises to be used for prostitution, and that Tribelhorn had rented apartments with the understanding that they could be used for disorderly house purposes.

Since receipt of attached complaint Patrolmen Oscar A.J. Hague, Shield No. 8008, Thomas B. Lynsky, Shield No. 2335 and Benjamin Bailie, Shield No. 3079 of the 4th Inspection District, have made repeated efforts to obtain legal evidence that apartments therein were being operated as disorderly houses, but without success.

The writer was interviewed by the above named officers and informed of the action taken.

I assume the responsibility for accuracy of the above.
