Wm. Collins the complainant sworn
says on
Cross Examination by - edw. Levy

I am a bird and dog fancier and keep a
dog and bird store. I know the defendant
and have known her some years by sight.
I had \$475 last Tuesday \$405 of which
I got from the sale of a team of
horses. I got the \$405 on Monday and
had about \$75 more. After I got this
Monday I went to my place & several
other places. I drank a little ale
and beer & maybe some liquor. I can't
say how much liquor I drank Monday.
There were a great many people with
me on Monday most of whom I knew.
Some of them I didn't know. I got
this money about 11 or 12 o'clock
Monday. I probably went to a Saloon
called the St. John on Monday after

0357

that - I can't say surely I was there
I was told I was there. I don't recollect
gambling in any shape that day. I
was there, I was drinking at the bar.
I think. I can't say that I was so
intoxicated that I don't remember where
I was. I had my money at the time in
my left hand pants pocket. I had
the \$4.05 and about \$8 more - I put
it all together. I spent a long time Monday
I fell down ~~the~~^a stoop somewhere that
is how my face became cut and bruised -
that was sometime Monday but I can't
not say really where or when it was. I
think it was about 3 P.M. I slept in
Defendants' house Monday night. I
got there about 9 P.M. & left there the
next morning about 8 o'clock. I did
not have my clothes off and my money
was in my pants pocket when I went
there. I don't remember whether I was
drunk when I went there. I know I
was able to walk there. I saw my

(2)

0358

money Tuesday morning - the defendant counted it several times for me. The last time was Tuesday morning. It was between 10 and 11 AM. She counted \$475 - I didn't see the money when she counted it. She couldn't have stole it on Monday night if she wanted to because she didn't want to. I suppose - She didn't get an opportunity. I was asleep and had my money in my left hand pocket - the same pocket I last saw it in. She had the same opportunity to take it on Monday night as on Tuesday night. I left her house about 11 AM Tuesday went to my store - I can't say how long I remained at my store. I was not intoxicated nor was I perfectly sober. I may have drank something Tuesday morning. I did drink in several places on Tuesday morning - liquor. I can't say what time I left my store Tuesday morning and can't say whether the reason I can't give the hour is

(3)

0359

That I was under the influence of liquor. I took a glass of liquor across the way from the Centennial Hotel after leaving my store. I met a person at the Centennial Hotel. I don't know him he knew me - I knew him by eyesight. I don't know what time it was I met him. I remained in the Centennial Hotel about half an hour & from there I went to Niederlander's, a florist. Then I was a little intoxicated. From 8 o'clock that morning until then I had spent about \$3.00. From there I went to the defendant's house and remained until one o'clock Wednesday morning. I didn't go to 110th Street that day (up the road to the Park House). I was there some day last week. I had my senses when I called at the defendant's house Tuesday evening. I went there because she told me to call when I felt like it and I felt like it. I occupied a room much

(4)

0360

to the parlor - next to her front sitting room. I sat there on the side of the bed. I laid down. I didn't count my money then. I brought a man there with me & introduced him to the defendant. I don't know that she knew him before that. My friend was with her in the front room on the sofa. I fell asleep for 15 or 20 minutes in the night. My friend left there about 1 1/2 hours after he got there. I was on the bed about 1 1/2 hours before I fell asleep. I went to the bed as soon as I got in her rooms. The reason I did sit on the bed was because I didn't think it was company for me to be with them as her and the man were in the room together. I was not told to leave the house. The reason I didn't leave the house was I thought I would rest myself on the bed. Not to sleep but to sit there. I woke up a head my friend going away I knew it was he because I recognized

(P)

his voice - that was before I went
 asleep again. I was asleep before
 my friend went away. about 10 or 15
 minutes. I don't know when I fell
 asleep or when I awoke. I didn't
 look at any watch either time. I didn't
 see my friend leave. I heard his voice
 when he was leaving. I couldn't be
 positive though that it was him. When
 he left my money was in the same
 pocket and in the same envelope.
 I didn't take it out but I put my
 hand on it and felt it there. I knew
 I had money in there. I fell asleep
 after that & slept until 12 1/2 o'clock
 about. I don't know whether there
 was anybody saw me sleeping there
 except this defendant, she did,
 she was in the next room - a door
 only was between us. I didn't
 hear her in my room at any time
 from the time I saw my money until
 I missed it. I missed the money about

0362

half past twelve. Then I went
in her room and said "Claggie" did
you take my money?" She told me to
hush and not make a noise but
to go and lie down. She said if it was
in the house I would get it. I said it
amounted to too much and that I
wouldn't leave until I got it. I
told her if she said it was there and
all right and that she had it it
was all right. I told her I was anx-
ious to know and she told me to take
what I liked and to fit. I didn't
tell her I would shut her as dead
as a mackerel if she didn't give
it to me nor nothing like that did I
say. I didn't make a great deal
of noise then either. She said she
didn't want the people in the
house to hear any noise or any
trouble in regard to the money. I did
not accuse a bartender in the
St. John Saloon of taking any of

(7)

0363

my money - I will swear I did not. I don't remember doing it & I would have remembered it if I did. I can't say whether I accused the bartender there of taking any of my money - I don't know whether I did or not.

Re-Direct Exam - by - Wm. C. Conway

I went to the Station House at 7^{1/2} o'clock the next morning and reported the matter. The next morning after missing the money about 7^{1/2} o'clock I went to the defendant's house but didn't see her. I went there again and didn't see her and when I went there with Officer Reilly I saw her. That was between 9^{1/2} and 10 AM. The defendant counted my money two or three times that day. She counted it at 11 o'clock & counted it after that but I don't recollect the exact

(P)

0364

time - that was the last time she
counted it.

Re-Giro Exm - by - our Lory

That was Tuesday ^{evening} ~~afternoon~~ she last
counted it - she counted \$475 the last
time & handed it back to me. I knew
there was \$475 in the envelope. The
reason I let her count it was because
she said she ^{needed} like to know how
much was in it & asked me to let her
count it. After that I left the house
with all my money

Re-Direct Exⁿ - by - our Mary

When I handed her the money to count
it was in an envelope & she replaced
it in the envelope after counting it &
before returning it to me and I put it

(9)

0365

Sum in my pocket.

James H. Rilly, a Police Officer attached to the 220 Precinct being only sworn testified as follows:

I arrested the defendant at the complaint of Collins. He was in the Station House about 15 minutes after 8 AM. before I made the arrest. He was present when I arrested the defendant. He accused her, in her presence of having ~~taken~~ taken his money and she denied all knowledge of it. She said she had counted it & returned it to him. She didn't say it was in an envelope.

Sweet Ex - by - car. Levy

0370

I was never arrested before for any offence. I have lived in New York all my life and am now 32 years of age. I have been accused of stealing or of any offence before. I have known the Complainant by sight for 7 years & have known him to speak to about 2 years. I reside at c/o. 104 West 53rd Street. I have a flat there & my little girl & my sister live with me. I saw Mr. Collins on Monday at my house about 10 AM. A lady friend of mine was with me. Mr. Cassidy. The conversation was about a pair of ponies he sold & the money he was to receive for them. He remained at my house about 1 1/2 hours. He was sober then. In the afternoon he came back to take us out riding. It was about 6 PM. My friend wasn't there and he & I went to the Park House at 110th Street & 6th Avenue, which is kept by Mr. Roberts. He was not sober then but had been drinking.

(15)

In the meantime my lady friend counted his money - he didn't have \$4.75 - he had \$4.05 ^{the} I saw was \$4.05. I counted it ~~the~~ ^{he} put it in his pocket. He had no envelope. He was under the influence of liquor when he called at 6 PM. but not drunk. He drank a great deal at the Park Hotel & became very much intoxicated. We had something to eat there. He was drinking brandy & he treated everybody who sat on the piazza. There were 10 or 12 people there. I found that he was getting so drunk I said to Mrs. Roberts I thought I would not go home with him & she told me ~~not to~~ she would not advise me to do so. because he was so much under the influence of liquor & having that money with him & he drove off alone & shook his finger at me & said he would make me suffer for not going home with

0372

him: That was about 11 o'clock
at night Monday night. I next saw
him about a quarter past ten on
Tuesday night. He came to my room
with a man I didn't know and he
was beastly drunk & his face was
scratched & torn & bleeding and was
worse then than it is now. He
introduced this man as a friend of
his & didn't mention his name. Before
he left the Park House I counted his
money & handed it back to him & I
don't know where he put it. I told
him when he came there with his
friend, to go in the kitchen, as I
did not like the looks of his friend or
his looks at that time and I told
him not to come there again in
that condition & not to bring anybody
there again so late, particularly a
stranger. He asked ^{him} ~~me~~ ^{he} if ~~I~~ ^{he} knew
this man & he said he didn't know
him & never heard his name and

0373

wouldn't know him again if he saw
 him. I told him to sit in the kitchen
 and I went in the parlor. I went in
 the kitchen again I saw his friend
 sitting on the ice box & Collins was
 in bed & the friend was near him.
 Collins was fast asleep & his
 friend could have gone in the room
 without his knowing it. His friend
 was waiting for him to get up I suppose
^{staid there about 10 minutes & was about 1 1/2 feet from him.}
~~I staid there~~ about an hour and a
 half. I said to his friend "Your friend
 seems to be overcome" & he said "
 I think I will leave." I told him it
 was unnecessary for him to wait &
 that when he woke up he would
 be sober. Then his friend left. Then
 I went in the parlor & sat down a little
 while as I wanted to rest & wait
 until he got over his drunk so he
 could leave the house. He awoke about
 one o'clock in the morning & tapped
 me on the shoulder and said "Maggie"

you have my money & I want you to
give it to me. He said if I didn't
he would kill me as dead as a
mackerel. I told him not to make
such noise that I didn't have
his money. He said I had it but if
I would get it, he would give me
\$50 I wouldn't say anything about
it. He said he would have me
arrested. I told him not to make
so much noise as it disturbed
the people in the house. He was
drunk still. I told him if the money
was in the house he would get it
& that if he brought it there it was
there. He didn't sleep in the house
all day night & I didn't see him
from the time he left me at the
Park House. Then he walked on
after accusing me & said he would
have me arrested; that was about
a quarter past one AM. And about
a quarter to 9 the next morning

(19)

he came there with Detective Reilly
 & had me arrested. I never put my
 hand on his pocket & took the money
 out. I never took a dollar or a penny
 from him.

Mrs. Emma - by - car. O'Malley

I am a married woman but don't live
 with my husband & have not for 18 months.
 I left him because he abused me &
 for no other reason. I have lived in
 West 53rd St. about 2 months & occupy
 the 3rd flat East - it contains 4
 rooms - a parlor, kitchen & two bed
 rooms. My sister & daughter live
 with me. I am a seamstress & housekeeper
 & my sister's board paid to me helps to
 keep the house besides a little
 income which I receive from my
 uncle who lives in Canada. The
 Defendant has visited me three
 times in two years & that was the

last week. I never gave him a key
 Key. I knew he had one of the house.
 He took it from my table. I didn't
 know he took it until after he had
 gone. That was on the occasion
 of his first visit. The second time
 he came there I didn't demand the
 return of the key for the reason
 that I didn't think of it. I asked him
 for it while riding up the road.
 My sister & daughter were away. My
 sister has her vacation & went away
 I took my daughter with her. She has
 been away about two weeks. I never
 received any money from Collins. I
 have visited his place of business
 when we had a cat and birds. I
 saw him at my house on Monday
 at about 10 o'clock & my lady friend
 Mrs Cassidy was there at the
 time. She lives at 87 West 57th St.
 & is a married woman. I didn't see
 him at any other place except my

0377

House on Monday. I don't know a
man named Moran. I am positive
it was at my house where I saw him on
Monday. & at 6 P.M. about we went up
the road. I left my house about 1/2 to
9 Wednesday morning with the detective
D. Collins. Nobody called upon me
from the time he left until I was
arrested. I never had any intimate re-
lations with him. I was with him to the
Centennial Hotel once & had Supper. I
did not have breakfast there with
him last Monday. I am sure of
that. I didn't see any money paid
him on Monday.

PEOPLE ON MY COMPLAINT,
VERSUS

Thomas M Laughlin

As complainant in the above case, I beg to recommend the defendant to such leniency and clemency as the Court and District Attorney may see fit to show; but I expressly assert that my reasons for so doing are not controlled by any advantage to myself. but for the reason. that I have discovered since the occurrence, that I was the one most to blame. I had been drinking for a week previously and was half insane from drinking then.

The defendant Thomas M Laughlin is an old friend of mine and I am satisfied he would not injure me intentionally. There was a large crowd at the time I was cut. They were all fighting and I grabbed the first man I could. and he happened to be the defendant, and that was the reason I made the charge against him.
