New York Sept 8<sup>th</sup> 1893

To Recorder Smyth:

Dear Sir:

I have just-learned from a friend that you have suspended judgment in the case of Nicholas Keyes. I understand fully the responsible position you are in & I would not for the world interfere with your decisions which I have often had occasion to admire. I only write to you to say that I know there is not a tint of viciousness in the make up of Nick Keyes. He has been known to us for many years - his family is most esteemed & his only fault is that he drinks. I feel assured that this thing will be for him a warning he shall never

forget. His whole family are heartbroken especially his three sisters who hold positions of trust. They promise me that they will watch over him with more than ordinary care & if he ever drinks again they will place him where drink will never be the occasion of any similar offense.

I beg of you therefore to use your own good judgment in this case & you may believe me to be grateful

Respectfully yours

-----X  
The People of the State of New York:

against

Nicholas Keyes, impleaded with  
Andrew Brophy.

:Before  
: Hon.Frederick Smyth  
: and a Jury.

Indictment filed, May 31st, 1893;  
indicted for burglary in the  
third degree.

-----X  
New York, September 7th, 1893.

A P P E A R A N C E S:

For the People, Assistant District Attorney S. J.  
O'Hare.

For the Defendant, T. M. Canton.

EDWARD P. MALONE, a witness for the People, sworn  
testified:

I live at No. 75 West 87th Street, and am in the  
lime business. I am the owner of the premises No.  
318 West 46th Street in this City. I was the owner of  
those premises on the 19th of May last. On the 19th  
of May an officer arrested the defendant Nicholas Keyes  
about half past eight o'clock in the evening. When I  
got to the premises I saw that all the plumbing work had  
been torn out and gas fixtures had been torn down from  
the walls and were all smashed to pieces in the middle  
of the floor. The boiler in the kitchen had been  
taken down and the plastering had been torn out. Previ-

ous to that date these premises had been in good condition. The house is a three-story and basement private house. I do not know how the men got in that ~~door~~ tore all this stuff out. When I reached there with the officer I found the defendant there.

C R O S S E X A M I N A T I O N .

I had not been at those premises from the second to the ninth of May.

JOHN M<sup>C</sup>GINLEY, a witness for the People, sworn, testified:

I am a police officer attached to the Twenty-second Precinct in this city. I never saw the prisoner at the bar before the date of his arrest. I arrested the prisoner a little after five o'clock on the evening of the 19th of May at 318 West 46th Street. I was standing on Eighth Avenue between 46th and 47th Streets when a boy ran around the corner and told me that Officer Redmond wanted me at 318 West 46th Street; that somebody had broken into a house there. I went around and tried to get into the front door, but could not get in. I met the other officer then. We tried to get in the front door, but the key-hole had evidently been plugged from the inside. I went in through the first story window and walked through the house. I found the man Brophy in the house, carrying lead pipe. I found the defendant standing in the back room of the house on the second floor. He was just after coming downstairs and had had dropped some lead pipe on the floor. There was

1

lead pipe on the floor directly at his feet. I told the defendant that he was under arrest. I asked him what he was doing in there and he said he came in there in company with other people, that he did not know what they were doing; that he was going to cart some lead away for them, and did not know it had been stolen. The chain was off the scuttle on the roof. I could not tell from an examination of the premises how the men got into that house.

C R O S S E X A M I N A T I O N .

I found the defendant standing on the second floor in the back room. I did not see anybody else there at that time. Brophy was arrested by another officer. The defendant told me that he got into that house through the front door and knew nothing of the purpose of the men with whom he entered the place.

D E F E N S E .

NICHOLAS KEYES, the defendant, sworn, testified: I am thirty-two years of age and live at 256 West 55th Street. I have been living in New York all my life. I have been engaged in moving furniture for the last couple of years. Previous to that time I was employed for eighteen months in the post-office. I was discharged because I reported intoxicated on one morning. On the 19th of May I was found in this house by the officer. I had been brought there by two men to look at some lead pipe, to give an estimate as to how much it would cost to remove it from those premises. I went

into the house in company with a man named Brophy. I looked first at the old lead pipe in the basement and then went up on the second floor. It was while I was looking at the pipe on the second floor that the officer came in through the window and arrested me. When I saw the officer I did not run, but stood just where I was. The lead pipe was right at my feet. I had not been carrying that lead pipe. I did not know any of the men who asked me to go to this place, and I only went there for the purpose of securing the work of carting the lead away from the house.

C R O S S   E X A M I N A T I O N .

I am in the express business with my uncle, who is also a dealer in coal and wood. I did not have any wagon at this house at the time of my arrest. My intention was to look at the amount of lead <sup>th</sup> there was in the house, and come with the wagon afterwards and take it away. I have never been arrested before ~~xxx~~ charged with any crime. It is true that I had known Brophy about six or seven months. He was a piano-maker by occupation. I did not know that he had any right in this building, but believed that some of the other man who went in there with me had. The boiler was torn away in the kitchen, and nearly all the gas fixtures in the house had been taken down. I did not ask the men for any explanation of their possession of this property.

ANDREW BROPHY, a witness for the Defendant, sworn,  
Testified:

I am at present confined in the City Prison. I have pleaded guilty to the indictment charging me with this offense. I was guilty of committing burglary at this house in 46th Street. The defendant Keyes was not concerned in the commission of that burglary. There were two other parties connected with me, and we simply hired Keyes to cart the lead away. He did not know that we had stolen it. When he came to the house he came with me. We rang the bell and were admitted by two other men who were in the house. We first went into the basement and he looked at the lead pipe there, and while we were looking at the lead pipe on the second floor the officer came in through the window and arrested Keyes. I have known Keyes since last November and always knew that he was in the express business. I never knew of his having arrested before.

The Jury returned a verdict convicting the defendant of burglary in the third degree.

I know Henry Kraemer. I have since December 1st, 1892. He was agent until 9th day of March, when he left the employ of the Company. I saw him in the morning of the 31st of March, 1893. I left the office of the Company between 9 and 10 P. M. I got back from supper about 10 and I there saw the paper on my desk lying open on top of some papers. I know Kraemer's handwriting.

On Saturday April 1st, defendant came into the office. I showed him the yellow paper and said "Did you take the money marked on the paper?" He said "Yes, you were not here and I took the money and will settle with you personally." I said "all right" and notified Mr. Gall right away. I kept this sheet down stairs about two weeks until about 16th of April. I said "I have this sheet down stairs." He said "I will see you when I come back." I was assisting the cashier at that time and had been prior to Mch. 9th a driver. From March 9th to 31st I was assisting the cashier.

C A S E   I I.

John Storry, 37 West 3rd Street.

I met Henry Kraemer at corner 3rd and Green Sts. in company of Mr. Gall on the 13th day of March, 1893. Gall left and Kraemer stopped and spoke to me. He said I am going to tell you something which will surprise you.

I am short in my accounts about (\$200) Two hundred dollars. I said "What did you do with the money". He said "When I went to work for The N. Y. Terminal Company I was under a cloud and took the greater part of that money to remove that cloud" and he did not know what he had done with the rest of the money. "I do not know what I could have been thinking of to have done such a thing. If I had not been ill it never would have been found out. I said "You had better come and see Mr. Payton" and he and I went in to see Mr. Payton. He said that he was short between two and three hundred dollars, but that he had come there to do what was right and straighten the thing out. "If you had not found me out when you did you never would have known it because I would have fixed it all right"; that he would have gotten the money from a relative and fixed it.

About ten minutes after I left Mr. Patton and him together he came to see me. He said I have come to locate the missing C. O. D's. I showed the C. O. D., in the C. O. D. register which had not been paid to the consignors. He then produced the sheets marked in blue pencil, 1, 2, 3, 4, 5, 6 and said these will locate a great many of them.

**POOR QUALITY

Mr. Payton said "I am now going down to see the District Attorney." Kraemer then said "If I thought Mr. Paton was going down on my case I would get right out. He and I together looked over the C. O. D. register and checked off on the sheets numbered above the packages received and the money for which had not been paid. I said to him let us look over these sheets and locate the packages received the money for which has not been paid to the consignors. He and I then looked over all the sheets and I checked them off in his presence. About the 14th of March, 1893, he signed the writing at the foot of the sheets 1, 2 and 3. About the 15th he signed the sheet No. 4.

He said after he had signed 1, 2, 3 and 4 that that was about all of his shortage except an item or two that would not amount to much. I found a great many more and wrote them down on A. B. C. D. and went over the book in his presence. He said that they were correct, that he got the money marked on them and in my presence signed the writing at the bottom.

I in his presence drew a check for \$358.12 and showed it to him and he said it was correct. I told him I was going to draw a check for the amount of the money he had taken and make good to the parties from whom the company had received the packages.

He said he had vouchers in his pocket equivalent to about \$60.00 dollars representing money he had spent for the Company.

I told him if he would give me those vouchers and

they were authentic I would give him credit for them, if they had been authorized by Mr. Paton. He never produced the vouchers. He said I will get the money and make good the deficit in two days. At the end of the two days, about the 25th of March, he produced a letter and said it was from a relative who was going to let him have the money. He would have to go to College Point to get it. He did not show up for a day and I was called up on the telephone and he said he found his father-in-law dying and that he had been delayed. I said "I will come up to see you ."

I found him at 83rd Street near 2nd Avenue. He produced a letter and said he could not get the money. I said "Will you go down with me and explain some matters on the books. On the car he said "If I thought these gentlemen would do anything to me I would get right off the car." I said "Don't do that."

President N. Y. T. Express Co.    The defendant Henry Kraemer was the Cashier and Agent of the Company from Dec. 1st, to March 9th, 1893.

The defendant did not appear at the office on March 10th, 11th and 12th .    I had a talk with Mr. Gall on the 8th March in consequence of that and his continued absence I opened the safe by breaking by a locksmith on Saturday the 11th of March. I found 2.20 in premises and no other cash. He alone had the key to the safe; he had charge of the safe and the cash. The safe was used to keep his cash and memoranda. Mr. Gall on the 13th of March had a talk with me in which he told me that Mr. Kraemer had telephoned to meet him at a saloon. I told Gall and Storry to go and see him. He (Storry) came back with Kraemer. Kraemer said I am short in my accounts between two and three hundred dollars, if you will give me time I will explain hot the shortage occurred and where it will appear on your books. I will try to straighten things out and will make a settlement with the Company. After Storry went away he remained and he said I would not have fallen short in this way if I had not been drinking and if you had not found it out I would have straightened it out anyhow in a few days.

I said you were highly recommended to me and I had believed in your honesty and I am very sorry that you have put yourself in such a position; if you will honestly work to show us where these defects are so that we can pay the

people who intrusted us with their goods and money as I believe this is your first offense, and if you will give up drinking and prove hereafter honest, I will give you a chance to lead a sober and honest life.

He said I thank you very much, I will try and do as you say. A day or two after I saw him and he said Will you give me a chance to go to work. I said, if you do all you promised and though I cannot give you a place of trust I will give you some employment and help you get on your feet.

He came to me on the 24th day of March and said he would like to draw some money. I said I cannot as President of the Company, permit you to draw any money as you are not in the employ of the company. He said he wanted the money for his family.

I gave him \$10. out of my pocket. Several times after that I saw he was drinking. After he took the \$11.75 I met him on the side-walk in front of our office. I said, you have taken the money for a C. O. D. He said I have but I will account for it. I said you had better do so at once. I am sorry for it, and if you will give me a little time I will explain all those things and settle. After that I met him in my office and he said will you take a note indorsed for the amount of my shortage. I said No, I won't do it. He said Will you see me again and I said come tomorrow at 12. I wrote him a note and told him I would wait till noon Monday. A few days afterwards I had him arrested.

Acting agent until April 15, 1893, and since foreman. I took in the money in the absence of defendant. I suspected him prior to March 9th, 1893. Every morning he used to send out the money received from C. O. D. packages and he would ask me for various sums to make up the C. O. D. Then I would turn in the wrappers. I saw him on the evening of March 9th, 1893. He then left. I next saw him about the 13th or 14th. He telephoned for me to meet him in a saloon corner Mercer and West 8th St. I invited him into a restaurant. He said I am short in my accounts, about \$230. or \$240. ~~I said I will~~ see if I can get it for you. I said you had better come over and see Mr. Paton, he won't be hard on you. He started to come and met Mr. Storry. This was the whole conversation. Saw he left the safe opened and an envelope and some pennies \$2.20. There were a lot of C. O.
