This is to certify that I have known the party mentioned Patrick Burns for the past 13 years and have always known him to be strictly honest and upright in all his actions and capable of filling any position of trust. I having at various times left him in charge of my place of business also sent him to collect & pay money for me and would willingly do the same again and feel satisfied that the same was perfectly safe while in his possession. There are also several Gentlemen of this neighborhood who will testify if necessary to the good character he bears.
